HOLLOWAY'S OINTMENT.

An Extraordinary Cure of Scorfula, or King's Evil. Extract of a Letter from Mr. J. H. Alliday, 202, High Street, Cheltenham, dated the 22nd of January, 1850. To Professor HOLLOWAY. SIR,—My eldest son, when about three years of age, was afflicted with a Glandular Swelling in the neck, which after a short time broke out into an Ulcer. An eminent medical man pronounced it as a very bad case of Scorfula, and prescribed for a considerable time without effect. The disease then for four years went on gradually increasing in virulence, when besides the ulcer in the neck, another formed below the left knee, and a third under the eye, besides seven others on the left arm, with a tumour between the eyes, which was expected to break. During the whole of the time my suffering boy had received the constant advice of the most celebrated Medical gentlemen at Cheltenham, besides being for several months at the General Hospital, where one of the Surgeons said he would amputate the left arm, but that the blood was so impure, that if the limb were taken off it would be even then impossible to subdue the disease. In this desperate state I determined to give your Pills and Ointment a trial, and after two months perseverance in their use, the tumour gradually began to disappear, and the discharge from all the ulcers perceptibly decreased, and at the expiration of eight months they were perfectly healed, and the boy thoroughly restored to the blessings of health, to the astonishment of a large circle of acquaintances, who could testify to the truth of this miraculous case. Three years have now elapsed without any recurrence of the malady, and the boy is now as healthy as heart can wish. Under these circumstances I consider that I should be truly ungrateful were I not to make you acquainted with this wonderful cure, effected by your medicines after every other means had failed. (Signed) J. H. ALLIDAY.

Cure of Acute Rheumatism of Four Year's Standing. Extract of a Letter from Mr. John Pitt, Dudley, 19th Jan., 1850. To Professor HOLLOWAY. SIR,—It is with the greatest pleasure that I write to thank you for the benefit I have received from your Pills and Ointment, which have completely cured me of the Rheumatism, under which I suffered for this last four years, at times I was so bad as to be hardly able to walk. I had tried every kind of medicine that was recommended without receiving any benefit. I at last thought I would give your medicines a trial, and purchased from Mr. Holliu, Chemist of this Town, two boxes of Pills, and two of Ointment, and in three weeks, through them and the blessing of God, I was restored to health and strength, and am now as well able to walk as ever I was in my life. I am well known in this Parish, having been sixty five years in it, with an exception of ten years I served in the 24th Regiment of Foot. (Signed) JOHN PITT.

Cure of a Bad Leg of more than Sixty Year's Standing. Mr. Barker, of No. 5, Graham's place, Drypool, near Hull, had ulcers on his leg from the age of eighteen until upwards of eighty, and although for many years he had sought the first advice in the country, nothing was found to cure them. He very often suffered most excruciating pain for long periods together, which incapacitated him from attending to his business. He had given up all hopes of getting a cure, when at last he was persuaded to try Holloway's Pills and Ointment, which he did, and however wonderful it may appear, the leg was thoroughly healed by their means, and by continuing to use the pills alone after his leg was well, he has become in health so hale and hearty as now to be more active than most men of fifty. N. B.—The truth of this extraordinary statement can be vouched for by Mr. J. C. Reinhardt, 22, Market Place, Hull. Feb 20th, 1850

CURE OF A DESPERATE CASE OF RINGWORM, OF SIX YEAR'S STANDING. Luna, 13th Nov., 1849. One of the most eminent Surgeons in Lima (the Capital of Peru) had a child covered with Ringworm for more than six years; in vain he exhausted all his art in his endeavours to effect a cure.—Not succeeding, he consulted among his brethren, the most celebrated medical practitioners of the City, but nothing was found to do the child service. When he was persuaded by Mr. Joseph P. Hague, the English Chemist and Druggist, residing at No. 74, Calle de Palacio, to try Holloway's Pills and Ointment, which was done, and after using six large pots of the Ointment, with a proportion of the Pills, the child was radically cured, to the surprise of the whole medical profession. The name of the parent, from motives of delicacy, is withheld. The Pills should be used conjointly with the Ointment in most of the following cases.— Bad Legs, Chiego foot, Fistulas, Sore Throats, Bad Breasts, Chilblains, Gout, Skin Diseases, Burns, Chapped Hands, Glandular swellings, Scurfy Sores, Bunions, Corns soft, Lumbago, Sore Heads, Bite of Muscivores, Cancers, Piles, Tamours, Ulcers, quitoes and Contracted and Rheumatism, Stiff Joints, Scalds, Wounds, Saud Flies, Elephantiasis, Sore Nipples, Yaws, Cocco-Bay. Sold by the Proprietor, 23A Strand, near Temple Bar, London, and by all respectable vendors of Patent Medicines throughout the civilized world; in pots and boxes, at 1s 9d, 4s 6d, and 7s 6d. There is a very considerable saving in taking the large sizes. N. B.—Directions for the guidance of Patients are affixed to each pot and box. W. T. BAIRD Agent for Woodstock.
