## HOLLOWAY'S PILLS.

A CASE OF DROPSY.

Extract of a Letter from Mr. William Gardener, of Hanging  
Houghton, Northamptonshire, dated September 14, 1847.  
To Professor HOLLOWAY.

SIR,—I before informed you that my wife had been tapped three  
times for the Dropsy, but by the blessing of God upon your Pills  
and her perseverance in taking them, the water has now been kept  
off 18 months by their means, which is a great mercy.

WILLIAM GARDNER.

## DISORDER OF THE LIVER AND KIDNEYS.

Extract of a Letter from Mr. J. K. Heydon, dated 78 King  
Street, Sydney, New South Wales, the 30th September, 1848  
To Professor HOLLOWAY.

SIR,—I have the pleasure to inform you that, Stuart A. Donald-  
son, Esq., an eminent Merchant and Agriculturalist, and also a  
Magistrate of this Town, called on me on the 18th instant, and  
purchased your medicines to the amount of FOURTEEN POUNDS to  
be forwarded to his Sheep Stations in New England. He stated  
that one of his Overseers had come to Sydney some time previously  
for medical aid, his disorder being an affection of the Liver and  
Kidneys—that he had placed the man for three months under the  
care of one of the best Surgeons, without any good resulting from  
the treatment; the man then in despair used your Pills and Oint-  
ment, and much to his own and Mr. Donaldson's astonishment, was  
completely restored to his health by their means. Now this sur-  
prising cure was effected in about ten days.

## A DISORDER OF THE CHEST.

Extract of a Letter from Mr. William Browne, of 21, South  
Main Street, Bandon, Ireland, dated March 2nd, 1848,  
To Professor HOLLOWAY.

SIR,—A young lady who was suffering from a disorder of the  
chest, with her lungs so exceedingly delicate, that she had the  
greatest difficulty of breathing if she took a little cold, which was  
generally accompanied by nearly total loss of appetite, together  
with such general debility of body as to oblige her to rest herself  
when going up but one flight of stairs; she commenced taking your  
Pills about 6 months since, and I am happy to inform you they have  
restored her to perfect health.

## THE EARL OF ALDBOROUGH CURED OF A LIVER AND STOMACH COMPLAINT.

Extract of a Letter from His Lordship, dated Villa Messina  
Leghorn, 21st February, 1845.  
To Professor HOLLOWAY.

SIR,—Various circumstances prevented the possibility of my  
thanking you before this time for your politeness in sending me  
your Pills as you did. I now take this opportunity of sending you  
an order for the amount, and, at the same time, to add that your  
Pills have effected a cure of a disorder in my Liver and Stomach,  
which all the most eminent of the Faculty at home, and all over  
the Continent, had not been able to effect; nay, not even the waters  
of Carlsbad and Marienbad. I wish to have another Box and a Pot  
of the Ointment, in case any of my family should ever require either.  
Your most obliged and obedient Servant.

ALDBOROUGH.

## A CURE OF ASTHMA AND SHORTNESS OF BREATH.

Extract of a Letter from the Rev. David Williams, Resident  
Wesleyan Minister at Beaumaris, Island of Anglesea, North  
Wales, January 14th, 1845.  
To Professor HOLLOWAY.

SIR,—The Pills which I requested you to send me were for a  
poor man of the name of Hugh Davis, who before he took them,  
was almost unable to walk for the want of breath! and had only  
taken them a few days when he appeared quite another man; his  
breath is now easy and natural, and he is increasing daily in strength.

## DR. TOWNSEND'S

COMPOUND EXTRACT OF

## SARSAPARILLA.

Wonder and Blessing of the Age!!!

THE MOST EXTRAORDINARY MEDICINE IN THE WORLD!!!

This Extract is put up in Quart Bottles—it is six times  
Cheaper, Pleasanter, and warranted superior to any  
sold. It cures without vomiting, purging,  
sickening, or debilitating the Patient.

THE great beauty and superiority of this Sarsaparilla over all  
other medicine is, while it eradicates diseases it invigorates the  
body. It is one of the very best

## SPRING AND SUMMER MEDICINES

ever known; it not only purifies the whole system and strengthens  
the person, but it creates new, pure and rich blood; a power pos-  
sessed by no other medicine. And in this lies the grand secret of  
its wonderful success. It has performed within the last five years  
more than 100,000 cures of severe cases of disease; at least 15,000  
of which were considered incurable. It has saved the lives of  
more than 5,000 children during the past two seasons.

## 10,000 CASES OF GENERAL DEBILITY AND WANT OF NERVOUS ENERGY.

Dr. Townsend's Sarsaparilla invigorates the whole system per-  
manently. To those who have lost their muscular energy by the  
effect of medicine or indiscretion committed in youth, or the ex-  
cessive indulgence of the passions, and brought on a general phys-  
ical prostration of the nervous system, lassitude, want of ambi-  
tion, fainting sensations, premature decay and decline, hastening  
toward that fatal disease, Consumption, can be entirely restored  
by this pleasant remedy. This Sarsaparilla is far superior to any

## Invigorating Cordial.

As it renews and invigorates the system, gives activity to the  
limbs, and strength to the muscular system, in a most extraordi-  
nary degree.

## Consumption Cured.

Cleanse and strengthen. Consumption can be cured. Bron-  
chitis, Consumption, Liver Complaint, Colds, Catarrh, Coughs,  
Asthma, Spitting of Blood, Soreness in the Chest, Hectic Flush,  
Night Sweats, Difficult or profuse expectoration, Pain in the Side  
&c. have been, and can be cured.

## Spitting Blood.

New York, April 23, 1847.

DR. TOWNSEND—I verily believe that your Sarsaparilla has  
been the means, through Providence, of saving my life. I have  
for several years had a bad cough. It became worse and worse.  
At last I raised large quantities of blood, had night sweats, and  
was greatly debilitated and reduced, and did not expect to live. I  
have only used your Sarsaparilla a short time, and there has  
been a wonderful change brought in me. I am now able to walk all  
over the city. I raise no blood, and my cough has left me. You  
can well imagine that I am thankful for these results.

Your obedient servant,

Wm. RUSSELL, 65 Catherine St.

## Rheumatism.

This is only one of more than four thousand cases of Rheuma-  
tism that Dr. Townsend's Sarsaparilla has cured. The most se-  
vere and chronic cases are weekly eradicated by its extraordinary  
virtues.

James Cummings, Esq., one of the assistants in the Lunatic  
Asylum, Blackwell's Island, is the gentleman spoken of in the fol-  
lowing letter.

Blackwell's Island, Sept. 14, 1847.

DR. TOWNSEND—Dear Sir: I have suffered terribly for nine years  
with the Rheumatism; considerable of the time I could not eat,  
sleep or walk. I had the utmost distressing pains, and my limbs  
were terribly swollen. I have used four bottles of your Sarsapari-  
la, and they have done me more than one thousand dollars worth  
of good. I am so much better—indeed, I am entirely relieved.—  
You are at liberty to use this for the benefit of the afflicted.—  
Yours, respectfully, JAMES CUMMINGS.

## FITS! FITS!! FITS!!!

Dr. Townsend, not having tested his Sarsaparilla in cases of  
Fits, of course never recommended it, and was surprised to re-  
ceive the following from an intelligent and respectable Farmer in  
Worcester County.

Fordham, August 13 1848.

DR. TOWNSEND—Dear Sir: I have a little girl seven years of age,  
who has been afflicted with Fits; we tried almost every thing for  
her, but without success; at last though we could find no recom-  
mendation in your circulars for cases like hers, we thought, as  
she was in very delicate health, we would give her some of your  
Sarsaparilla, and are very glad we did, for it not only restored her  
strength, but she has had no return of the Fits, to our great plea-  
sure and surprise. She is fast becoming rugged and hearty, for  
which we feel grateful. Yours, respectfully,

JOHN BUTLER, JR.

## FEMALE MEDICINE.

Nothing can be more surprising, than its effects on the human  
frame. Persons all weakness, from taking it, at once become robust  
and full of energy under its influence. It immediately counteracts  
the nervousness of the female frame, which is the great cause of  
Barrenness. It will not be expected of us, in cases of so delicate  
a nature, to exhibit certificates of cures performed, but we can as-  
sure the afflicted, that hundreds of cases have been reported to  
us. Thousands of cases where families have been without child-  
ren, after using a few bottles of this invaluable medicine, have  
been blessed with fine healthy offspring.

## To Mothers and Married Ladies.

This extract of Sarsaparilla has been expressly prepared in re-  
ference to female complaints. No female who has reason to su-  
perior she is approaching that critical period, "The turn of life,"  
should neglect to take it, as it is a certain preventative for any of  
the numerous and horrible diseases to which females are subject  
at this time of life. This period may be delayed for several years  
by using this medicine. Nor is it less valuable for those who are  
approaching womanhood, as it is calculated to assist nature by  
quickening the blood and invigorating the system. Indeed this me-  
dicine is invaluable for all the delicate diseases to which women  
are subject.

It braces the whole system, renews permanently the natural en-  
ergies—by removing the impurities of the body, not so far stimu-  
lating as to produce subsequent relaxation—which is the case of  
best medicines taken for female weakness and disease. By using  
a few bottles of this medicine, many severe and painful surgical  
operations may be prevented.

## Great Blessing to Mothers and Children.

It is the safest and most effectual medicine for purifying the sys-  
tem, and relieving the sufferings attendant upon child birth ever  
discovered. It strengthens both the mother and child, pre-  
vents pain and disease, increases and enriches the food—those who  
have used it think it indispensable. It is highly useful both before  
and after confinement, as it prevents diseases attendant upon child-  
birth—in Costiveness, Cramps, Swelling of the feet, Desponden-  
cy, Heartburn, Vomiting, Pain in the Back, and Loins, False  
Pains, Hemorrhage, and in regulating the secretions and equal-  
izing the circulation it has no equal. The great beauty of this me-  
dicine is, it is always safe, and the most delicate use it most success-  
fully, very few cases require any other medicine—in some a little  
Castor Oil or Magnesia is useful. Exercise in the open air, and  
light food with this medicine, will always ensure a safe and easy  
confinement.

## Beauty and Health.

Cosmetics, Chalk, and a variety of preparations generally in  
use, when applied to the face, very soon spoil it of its beauty.—  
They close the pores of the skin, and check the circulation, which  
when nature is not thwarted by disease or powder, or the skin in-  
flamed by the alkalies used in soaps, beautifies its own production  
in the "human face divine," as well as in the garden of rich and  
delicately tinted and variegated flowers. A free, active and healthy  
circulation of the fluids or the coursing of the pure, rich blood to  
the extremities, is that which imparts the indescribable shades and  
flashes of loveliness that all admire, but none can describe. This  
is the offspring of nature—not of powder or soap. If there is not  
a free and healthy circulation, there is no beauty. If the lady is  
fair as driven snow, if she paint and use cosmetics, and the blood  
is thick, cold, and impure, she is not beautiful. If she be brown  
or yellow, and there is pure and active blood, it gives a rich bloom  
to the cheeks, and a brilliancy to their eyes, that is fascinating.

This is the reason why the southern, and especially the Spanish  
ladies, are so much admired. Ladies in the north who take but  
little exercise or are confined in close rooms, or have spoiled their  
complexion by the application of deleterious mixtures, if they wish  
to regain elasticity of step, buoyant spirits, sparkling eyes, and  
beautiful complexions, they should use Dr. Townsend's Sarsaparilla.  
Thousands who have tried it, are more than satisfied, are delighted.  
Ladies of every station crowd our office daily.

## Notice to the Ladies.

Those that imitate Dr. Townsend's Sarsaparilla have invariably  
called their stuff a great remedy for females, &c. &c., and have  
copied our bills and circulars which relate to the complaints of  
women, word for word—other men who put up medicine have,  
since the great success of Dr. Townsend's Sarsaparilla in com-  
plaints incident to females, recommended theirs, although previous-  
ly they did not. A number of these Mixtures, Pills, &c., are in-  
jurious to females, as they aggravate disease, and undermine the  
constitution.

## Scrofula Cured.

This Certificate conclusively proves that this Sarsaparilla has  
perfect control over the most obstinate diseases of the blood.—  
Three persons cured in one house is unprecedented.

## Three Children.

DR. TOWNSEND: Dear Sir—I have the pleasure to inform you  
that three of my children have been cured of the Scrofula by the  
use of your excellent medicine. They were afflicted very severely  
with bad sores; have taken only four bottles; it took them away,  
for which I feel myself under great obligation. Yours respectfully  
ISAAC W. CRAIN, 106 Wooster st.

## Opinions of Physicians.

Dr. Townsend is almost daily receiving orders from physician.  
In different parts of the Union.

This is to certify that we, the undersigned, Physicians of the  
City of Albany, have in numerous cases prescribed Dr. Townsend's  
Sarsaparilla, and believe it to be one of the most valuable prepara-  
tions of the Sarsaparilla in the market.

## CAUTION.

Owing to the great success and immense sale of Dr. Townsend's  
Sarsaparilla, a number of men who were formerly our agents, have  
commenced making Sarsaparilla Extracts, Elixirs, Bitters, Extracts  
of Yellow dock &c. They generally put it up in the same shaped  
bottles, and some of them have stole and copied our advertise-  
ments.—They are worthless imitations, and should be avoided.
