HOLLOWAY'S PILLS.

A CASE OF DROPSY.

Extract of a Letter from Mr. William Gardner, of Hanging
Houghton, Northamptonshire, dated September 14, 1847.
To Professor HOLLOWAY.

SIR,—I before informed you that my wife had been tapped three
times for the Dropsy, but by the blessing of God upon your Pills
and her perseverance in taking them, the water has now been kept
off 18 months by their means, which is a great mercy.

(Signed) WILLIAM GARDNER.

DISORDER OF THE LIVER AND KIDNEYS.

Extract of a Letter from Mr. J. K. Heyden, dated 78 King
Street, Sydney, New South Wales, the 30th September, 1848
To Professor HOLLOWAY.

SIR,—I have the pleasure to inform you that, Stuart A. Donald-
son, Esq., an eminent Merchant and Agriculturist, and also a
Magistrate of this Town, called on me on the 18th instant, and
purchased your medicines to the amount of FOURTEEN POUNDS to
be forwarded to his Sheep Stations in New England. He stated
that one of his Overseers had come to Sydney some time previously
for medical aid, his disorder being an affection of the Liver and
Kidneys—that he had placed the man for three months under the
care of one of the best Surgeons, without any good resulting from
the treatment; the man then in despair used your Pills and Oint-
ment, and much to his own and Mr. Donaldson's astonishment, was
completely restored to his health by their means. Now this sur-
prising cure was effected in about ten days.

(Signed) J. K. HEYDEN.

A DISORDER OF THE CHEST.

Extract of a Letter from Mr. William Browne, of 21, South
Main Street, Bandon, Ireland, dated March 2nd, 1848,
To Professor HOLLOWAY.

SIR,—A young lady who was suffering from a disorder of the
chest, with her lungs so exceedingly delicate, that she had the
greatest difficulty of breathing if she took a little cold, which was
generally accompanied by nearly total loss of appetite, together
with such general debility of body as to oblige her to rest herself
when going up but one flight of stairs; she commenced taking your
Pills about 6 months since, and I am happy to inform you they have
restored her to perfect health.

(Signed) WILLIAM BROWNE.

THE EARL OF ABERBROUGH CURED OF A LIVER AND STOMACH COMPLAINT.

Extract of a Letter from His Lordship, dated Villa Messina
Leghorn, 21st February, 1845.
To Professor HOLLOWAY.

SIR,—Various circumstances prevented the possibility of my
thinking you before this time for your politeness in sending me
your Pills as you did. I now take this opportunity of sending you
an order for the amount; and at the same time, to add that your
Pills have effected a cure of a disorder in my Liver and Stomach,
which all the most eminent of the Faculty at home, and all over
the Continent, had not been able to effect; nay, not even the waters
of Carlsbad and Marienbad. I wish to have another Box and a Por-
celaine of the Ointment, in case any of my family should ever require either.
Your most obliged and obedient Servant.

(Signed) ALDERBROUGH.

A CURE OF ASTHMA AND SHORTNESS OF BREATH.

Extract of a Letter from the Rev. David Williams, Resident
Wesleyan Minister at Benmaris, Island of Anglesea, North
Wales, January 14th, 1845.
To Professor HOLLOWAY.

SIR,—The Pills which I requested you to send me were for a
poor man of the name of Hugh Davis, who before he took them,
was almost unable to walk for the want of breath; and had only
taken them a few days when he appeared quite another man; his
breath is now easy and natural, and he is increasing daily in strength.

DR. TOWNSEND'S
COMPOUND EXTRACT OF
SARSAPARILLA.

Wonder and Blessing of the Age!!!

THE MOST EXTRAORDINARY MEDICINE IN
THE WORLD!!!!

This Extract is put up in Quart Bottles—is it six times Cheaper,
pleasanter, and warranted superior to any sold. It cures without
vomiting, purging, sickening, or debilitating the Patient.

THE great beauty and superiority of this Sarsaparilla over al
other medicine is, while it eradicates diseases it invigorates the
body. It is one of the very best

SPRING AND SUMMER MEDICINES

ever known; it not only purifies the whole system and strengthens
the person, but it creates new, pure and rich blood; a power pos-
sessed by no other medicine. And in this lies the grand secret of
its wonderful success. It has performed within the last five years
more than 100,000 cures of severe cases of disease; at least 15,000
of which were considered incurable. It has saved the lives of
more than 5,000 children during the past two seasons.

10,000 CASES OF GENERAL DEBILITY AND
WANT OF NERVOUS ENERGY.

Dr. Townsend's Sarsaparilla invigorates the whole system per-
manently. To those who have lost their muscular energy by the
effect of medicine or indiscretion committed in youth, or the ex-
cessive indulgence of the passions, and brought on a general phy-
sical prostration of the nervous system, lassitude, want of ambi-
tion, fainting sensations, premature decay and decline, hastening
toward that fatal disease, Consumption, can be entirely restored
by this pleasant remedy. This Sarsaparilla is far superior to any

Invigorating Cordial.

As it renews and invigorates the system, gives activity to the
limbs, and strength to the muscular system, in a most extraordi-
nary degree.

Consumption Cured.

Cleanse and strengthen. Consumption can be cured. Bron-
chitis, Consumption, Liver Complaint, Colds, Catarrh, Coughs,
Asthma, Spitting of Blood, Scurvy in the Chest, Hectic Flush,
Night Sweats, Difficult or profuse expectoration, Pain in the Side
&c. have been, and can be cured.

Spitting Blood.

New York, April 23, 1847.

Dr. TOWNSEND—I verily believe that your Sarsaparilla has
been the means, through Providence, of saving my life. I have
for several years had a bad cough. It became worse and worse.
At last I raised large quantities of blood, had night sweats, and
was greatly debilitated and reduced, and did not expect to live. I
have only used your Sarsaparilla a short time, and there has
been a wonderful change brought in me. I am now able to walk all
over the city. I raise no blood, and my cough has left me. You
can well imagine that I am thankful for these results.

Your obedient servant,

WM. RUSSELL, 65 Catherine St.

Rheumatism.

This is only one of more than four thousand cases of Rheuma-
tism that Dr. Townsend's Sarsaparilla has cured. The most se-
vere and chronic cases are weekly eradicated by its extraordinary
virtues.

James Cummings, Esq., one of the assistants in the Lunatic
Asylum, Blackwell's Island, is the gentleman spoken of in the fol-
lowing letter.

Blackwell's Island, Sept. 14, 1847.

Dr. Townsend—Dear Sir: I have suffered terribly for nine years
with the Rheumatism; considerable of the time I could not eat,
sleep or walk. I had the utmost distressing pains, and my limbs
were terribly swollen. I have used four bottles of your Sarsapa-
rilla, and they have done me more than one thousand dollars worth
of good. I am so much better—indeed, I am entirely relieved.—
You are at liberty to use this for the benefit of the afflicted.

Yours, respectfully, JAMES CUMMINGS.

Dr. Townsend, not having tested his Sarsaparilla in cases of
Fits, of course never recommended it, and was surprised to re-
ceive the following from an intelligent and respectable Farmer in
Worcester County.

Fordham, August 13, 1848.

Dr. Townsend—Dear Sir: I have a little girl seven years of age,
who has been afflicted with Fits; we tried almost every thing for
her, but without success; at last although we could find no recom-
mendation in your circulars for cases like hers, we thought, as
she was in very delicate health, we would give her some of your
Sarsaparilla, and are very glad we did, for it not only restored her
strength, but she has had no return of the Fit, to our great plea-
sure and surprise. She is fast becoming rugged and hearty, for
which we feel grateful. Yours, respectfully,

JOHN BUTLER, Jr.

FEMALE MEDICINE.

Nothing can be more surprising, than its effects on the human
frame. Persons all weakness, from taking it, at once become robust
and full of energy under its influence. It immediately counteracts
the nervousness of the female frame, which is the great cause of
Barrenness. It will not be expected of us, in cases of so delicate
a nature, to exhibit certificates of cures performed, but we can as-
sure the afflicted, that hundreds of cases have been reported to
us. Thousands of cases where families have been without chil-
dren, after using a few bottles of this invaluable medicine, have
been blessed with fine healthy offspring.

To Mothers and Married Ladies.

This extract of Sarsaparilla has been expressly prepared in re-
ference to female complaints. No female who has reason to su-
ppose she is approaching that critical period, "The turn of life,"
should neglect to take it, as it is a certain preventative for any of
the numerous and horrible diseases to which females are subject
at this time of life. This period may be delayed for several years
by using this medicine. Nor is it less valuable for those who are
approaching womanhood, as it is calculated to assist nature by
quickening the blood and invigorating the system. Indeed this me-
dicine is invaluable for all the delicate diseases to which women
are subject.

It braces the whole system, renews permanently the natural en-
ergies—by removing the impurities of the body, not so far stimu-
lating as to produce subsequent relaxation—which is the case of
best medicines taken for female weakness and disease. By using
a few bottles of this medicine, many severe and painful surgical
operations may be prevented.

Great Blessing to Mothers and Children.

It is the safest and most effectual medicine for purifying the sys-
tem, and relieving the sufferings attendant upon child birth ever
discovered. It strengthens both the mother and child, pre-

vents pain and disease, increases and enriches the food—those who
have used it think it indispensable. It is highly useful both before
and after confinement, as it prevents diseases attendant upon child-
birth—in Costiveness, Cramps, Swelling of the feet, Dependence-
cy, Heartburn, Vomiting, Pain in the Back, and Loins, False
Pains, Hemorrhage, and in regulating the secretions and equal-
izing the circulation it has no equal. The great beauty of this me-
dicine is it is always safe, and the most delicate use it most success-
fully, very few cases require any other medicine—in some a little
Castor Oil or Magnesia is useful. Exercise in the open air, and
light food with this medicine, will always ensure a safe and easy
confinement.

Beauty and Health.

Cosmetics, Chalk, and a variety of preparations, generally in-
use, when applied to the face, very soon spoil it of its beauty.—
They close the pores of the skin, and check the circulation, which
when nature is not thwarted by disease or powder, or the skin in-
flamed by the alkalies used in soaps, beautifies its own production
in the "human face divine," as well as in the garden of rich and
delicately tinted and variegated flowers. A free, active and healthy
circulation of the fluids or the coursing of the pure, rich blood to
the extremities, is that which imparts the indescribable shades and
flashes of loveliness that all admire, but none can describe. This
is the offspring of nature—not of powder or soap. If there is not
a free and healthy circulation, there is no beauty. If the lady is
fair as driven snow, if she paint and use cosmetics, and the blood
is thick, cold, and impure, she is not beautiful. If she be brown
or yellow, and there is pure and active blood, it gives a rich bloom
to the cheeks, and a brilliancy to their eyes, that is fascinating.

This is the reason why the southern, and especially the Spanish
ladies, are so much admired. Ladies in the north who take but
little exercise or are confined in close rooms, or have spoiled their
complexion by the application of deleterious mixtures, if they wish
to regain elasticity of step, buoyant spirits, sparkling eyes, and
beautiful complexions, they should use Dr. Townsend's Sarsaparilla.
Thousands who have tried it, are more than satisfied, are delighted.
Ladies of every station crowd our office daily.

Notice to the Ladies.

Those that imitate Dr. Townsend's Sarsaparilla have invariably
called their stuff a great remedy for females, &c. &c., and have
copied our bills and circulars which relate to the complaints of
women, word for word—other men who put up medicine have,
since the great success of Dr. Townsend's Sarsaparilla in com-
plaints incident to females, recommended theirs, although previous-
ly they did not. A number of these Mixtures, Pills, &c., are in-
jurious to females, as they aggravate disease, and undermine the
constitution.

Scrofula Cured.

This Certificate conclusively proves that this Sarsaparilla has
perfect control over the most obstinate diseases of the blood.—
Three persons cured in one house is unprecedented.

Three Children.

Dr. TOWNSEND: Dear Sir,—I have the pleasure to inform you
that three of my children have been cured of the Scrofula by the
use of your excellent medicine. They were afflicted very severely
with bad sores; have taken only four bottles; it took them away,
for which I feel myself under great obligation. Yours respectfully
ISAAC W. CRAIN, 106 Wooster st.

Opinions of Physicians.

Dr. Townsend is almost daily receiving orders from physician,
in different parts of the Union.

This is to certify that we, the undersigned, Physicians of the
City of Albany, have in numerous cases prescribed Dr. Townsend's
Sarsaparilla, and believe it to be one of the most valuable prepara-
tions of the Sarsaparilla in the market.

CAUTION.

Owing to the great success and immense sale of Dr. Townsend's
Sarsaparilla, a number of men who were formerly our agents, have
commenced making Sarsaparilla Extracts, Elixirs, Bitters, Extracts
of Yellow dock &c. They generally put it up in the same shaped
bottles, and some of them have stole and copied our advertise-
ments.—They are worthless imitations, and should be avoided.
