MECHANICS' INSTITUTE.

PROVINCIAL MANUFACTURES, AND PICTORIAL, HORTICULTURAL AND FLORAL EXHIBITION.

THE Directors of the St. John Mechanics' Institute are making arrangements for the above Exhibition, which will take place at the Institute on Wednesday and Thursday, the 19th and 20th September next.

As the object of the Directors is to carry out the intention of the Institute, by affording an opportunity for the development and display of Artistic and Mechanical Provincial Talent, and at the same time, by increasing the funds of the Institute, to enable them to make it more attractive and useful—the Members and friends of the Institute are earnestly requested to aid the undertaking.

This being the first public opportunity our Artists and Mechanics have had of exhibiting their ingenuity and skill in the Fine Arts and Domestic Manufactures, it is earnestly hoped that the scheme will meet with that approval and aid from the great body of the people which its importance deserves, and without which it cannot be successfully carried out.

During the Exhibition there will be a **CONCERT** of Vocal and Instrumental Music.

With a view to encourage social and friendly feelings among the Members of the Institute, it is proposed to have a **PICNIC** to the Bellisle on **THURSDAY**, the 17th July next, for which a suitable Steamer will be engaged.

Contributions of Domestic Manufactures are solicited from all parts of the Province.

W. HUTCHINSON, Jr.,
