## JUDSON'S CHEMICAL EXTRACT OF

## CHERRY &amp; LUNGWORT, FOR THE CURE OF Coughs, Colds, Hoarseness, Spitting of Blood, Night Sweats, Asthma, Liver Complaints, and CONSUMPTION. DO NOT NEGLECT IT. CONSUMPTION

Can and has been cured in thousands of cases by this only certain remedy.

## JUDSON'S CHEMICAL EXTRACT OF CHERRY AND LUNGWORT,

and no remedy has ever before been discovered that will certainly CURE CONSUMPTION.

The most strongly marked and developed cases of Pulmonary Consumption, where the lungs have become diseased and ulcerated, and the case so utterly hopeless as to have been pronounced by physicians and friends to be past all possibility of recovery, and at times thought to be dying, has been cured by this wonderful remedy, and are now as well and hearty as ever. It is a compound of medications which are peculiarly adapted to and essentially necessary for the cure of

## COUGHS AND CONSUMPTION.

Its operation is mild, yet efficacious; it loosens the phlegm which creates so much difficulty, relieves the cough, and assists nature to expel from the system all diseased matter by expectoration, producing a delightful change in the breathing and chest, and this, after the prescriptions of the very best medical men and the inventions of kind and sorrowing friends and nurses, have failed to give the smallest relief to the Consumptive sufferer.

## THOUSANDS OF CONSUMPTIVE

persons have been deceived repeatedly in buying medicines which were said to be infallible cures, but which have proved only palliatives, but this medicine is not only palliative, but a cure for ulcerated lungs. It contains no deleterious Drugs, and one trial will prove its astonishing efficacy better than any assertions or certificates in curing Consumption and all diseases of the Lungs, such as Spitting of Blood, Coughs, Pains in the Side and Chest, Night Sweats, &c. &c.

About 1000 certificates of almost miraculous cures, performed by this medicine, from some of the first Doctors, Clergymen, and Merchants, have been sent to us for this medicine, but the publication of them looks too much like Quackery, [will show them to any person calling at our office.] This medicine will speak for itself and enough in its own favor wherever it is tried.

**Caution.**—This medicine is put up in a large bottle, and you must find the name of Judson & Co., Proprietors, New York, on the splendid wrapper around the bottle. All orders must be addressed to Comstock & Brother, No 9, John St. New York.

## To Owners of and Dealers in Horses

**CARLTON'S RING-BONE CURE.**—For the cure of Ring Bone, Blood Spavin, Bone Spavin, Windgalls, and Splint—a certain remedy.

**CARLTON'S CONDITION POWDERS FOR HORSES AND CATTLE.**—The changes of weather and season, with the change of use and feed, have a very great effect upon the blood and sinuous fluids of Horses. It is at these changes that they require an assistant to nature to throw off any disorder of the fluids of the body that may have been imbibed, and which, if not attended to, will result in the Yellow Water, Heaves, Worms, Botis, &c. All of which will be prevented by giving one of these powders, and will at any time, cure when any symptoms of disease appears, if used in time. They purify the blood, remove all inflammation and fever, loosen the skin, cleanse the water, and invigorate the whole body, enabling them to do more work with the same feed. The action of these powders is direct upon all the secretory glands, and therefore have the same effect upon the Horse, the Ox, the Ass, and all Herbivorous animals—all diseases arising from or producing a bad state of the blood, are speedily cured by them. Remember and ask for Carlton's Condition Powders, and take no others.

**CARLTON'S NERVE AND BONE LINIMENT FOR HORSES.**—And for the cure of all diseases of man or beast that require external application, and for contracted cords and muscles, strengthens weak limbs, and is also used for Sprains, Bruises, Saddle Galls, Swelled Legs, and sores of all kinds on Horses.

## To the Old and Young!!

## East India Hair Dye.

Colours the Hair, and will not color the Skin.

This dye may be applied to the hair over night, the first night turning the lightest RED or GREY HAIR to a dark brown, and by repeating a second night, to a bright jet black. Any person may, therefore, with the least possible trouble keep his hair any dark shade or perfect black; with a positive assurance that the dye, if applied

to the skin will not color it. By an occasional application, a person turning grey will never be known to have a grey hair. Directions complete with the article.—There is no coloring in this statement, as one can easily test.

These facts are warranted by the gentleman who manufactures it, who is the celebrated Chemist, Dr. Comstock, author of Comstock's Chemistry, Philosophy and other works, and School Books, well known and widely celebrated by the public.

## DEAFNESS.

Use Dr. Larzette's Acoustic Oil, for the cure of Deafness. Also, all those disagreeable noises, like the buzzing of insects, falling of water, whizzing of steam, which are symptoms of approaching deafness. It has cured cases of ten, fifteen, and even thirty years standing of deafness.

**Caution.**—Never buy it unless you find the name of Comstock & Co., Proprietors, on the wrapper of each bottle.

**CARLTON'S LINIMENT FOR THE PILES, &c.**—It is now used in the principal hospitals, and in the private practice in our country by an immense number of individuals and families, first and most certainly for the cure of the Piles, and also extensively and effectually as to baffle credulity unless where its effects are witnessed externally in the following complaints.
