LOOK HERE!

THE SUBSCRIBERS beg leave to return their thanks for the very liberal patronage they have received from the inhabitants of Woodstock and vicinity; and as they are aware that different branches of business depend greatly on the improvement of the country at large, they are determined to anticipate every want in the line of their business, and make every necessary improvement to suit the convenience and benefit of their customers. They would most respectfully inform their friends that in order to carry out those views, they have procured a first rate CLEANER, which is now in successful operation, and which they flatter themselves cannot fail in giving general satisfaction.

As the custom is getting pretty general of MASHING all kinds of Grain for Provender, they have concluded to attend to this department of their business at an unusually low rate—namely, a TOLL of every fifteenth bushel, after this date.
