By Telegraph to the Sentinel News Room.

ST. JOHN.-June 1, 5 P. M.-By the Admiral arrived at 2 P. M., Boston papers of yesterday morning have been received.

The new steamship Eastern City when preparing for her trial trip at. New York on Saturday afternoon, burst one of her boilers, instantly killing Captain Stearns, Charles Gounan, engineer, John B. Curtis, acting engineer, John Beers and Chas. Hall, firemen. Several others are badly scalded, but may possibly recover. The boat is not much injured.

Thomas F. Meagher, the Irish Patriot who made his escape from banishment, has arrived in New York, and been received with much enthusiasm by his fellow countrymen.

The steamship Atlautic sailed from N. York on Saturday for Liverpool with 148 passengers, among whom were Otto Goldshmidt and Lady Jenny Lind.

A WOMAN AND TWO CHILDREN BURNED .-We learn by the Bath Times that about one o'clock, Wednesday morning, fire was discovered issuing from a house on Oak Grove st., in Bath, occuped by two families, Richard Gibbs and Mr. Manes, and before the engines had arrived the lower part of the house was nearly consumed, and two boys of Mr. Gibbs, aged 5 and 7 years, who occupied the chamber over it in company with their grandmother, were burned to death ! The old lady, whose name is Hurley, who, we understand, is about 65 years of age, had been awakened, and was heard to acream, and it is probable had gone down stairs to ascertain the cause of the smoke, and finding her egress cut off by the fire at the foot of the stairs, endeavored to return, but was overpowered. Her half consumed corpse was found in a position which leads to the above supposition. The bodies of the children have also been recovered .- Portland Argus.

At a meeting of the Presbytery, held in this city on Friday evening, the Rev. Robert Irvine was freed from his present charge, to be translated to Toronto, Canada. We lament this cir- Nash cumstance, because as a man, a scholar, and a clergyman, Mr. Irvine is highly and justly esteemed. We sympathize with his congregation in the loss they must sustain by the departure of so respected a pastor .- St. John Times.

THE INQUEST .- The Coroner's Jury have returned a verdict of manslaughter against Capt. Robert Stevens and Francis Paul of the Transit, and of manslaughter in a lesser degree against James Smith and Alexander Christy of the Anna Augusta. Smith and Christy have been arrested. They will be tried at the Supreme Court in August.-Ib.

The effect of the Maine Law upon the public health is noticed by the Belfast (Me.) Journal, which computes from the books of the agent appointed to sell liquor for medicinal purposes in that town, that there are twenty-four thousand persons in the immediate vicinity who are diseased.
