'TIS SOUGHT!! HEALTH WHERE

CURE OF A DISORDERED LIVER AND STOMACH WHEN IN A MOST HOPELESS STATE. Extract of a Letter from Mr. Matthew Harvey.

of Chapel Hall, Airdrie, Scotland, dated the 15th of January, 1850. To Professor Holloway.

Sir,-Your valuable pills have been the means, with God's blessing, of restoring me to perfect health, and at a time when I thought I was on the brink of the grave. I had consulted several emplem Doctors, who, after doing what they could for me, stated that they considered my case as hopeless. I ought to say that I had been suffering from a Liver and Stomach Complaint of long standing, which during the last two years got so much worse, that every one considered my condition as hopeless. I as a last resource got a Box of your Pills, which soon gave relief, and by persevering in their use for some weeks, together with rubbing night and morning your Ointment over my chest and stomach, and right side, I have by their means alone got completely cured, and to the astonishment of myself and every body who

OFAFOUR YEARS STANDING. Extract of a Letter from Mr. William Smith, of No. 5, Little Thomas Street, Gibson Street,

Lambeth, dated Dec. 12th 1849. To Professor HOLLOWAY. Sir,—I beg to inform you that for nearly five years I hardly knew what it was to have a day's health, suffering from extreme weakness and debility, with constant neryour headaches, giddiness, and sickness of the stomach, together with a great depression of spirits. I used to the subscriber feels confident it will be to their advanthink that nothing could benefit me, as I had been to | tage many medical men, some of whom, after doing all that was in their power, informed me that they considered that I had some spinal complaint beyond the reach of cure, together with a very disordered state of the stomach and liver, making my case so complicated that nothing could be done for me. One day, being unusually ill and in a dejected state, I saw your Pills advertised, and resolved to give them a trial, more perhaps from curosity than with a hope of being cured, however I soon found myself better by taking them, so I went on persevering in their use for six months, when I am

happy to say they effected a perfect cure. WILLIAM SMITH. (Signed) (frequently called EDWARD)

CURE OF ASTHMA, OF 20 YEARS STANDING. Extract of a Letter from Mr. J. K. Heydon, 78, King Street, Sydney, dated 10th of Nov. 1849. To Professor HOLLOWAY,

Sir,-I have the pleasure to inform you that many extraordinary cures of Asthma have been effected here by means of your Pills. One is that of a Lady residing near the "Razorback," who after having for twenty years been unable to make the slightest exertion, suffering very fearfully from shortness of breath, coughing, and spitting. but is now, to use her own expression, able to run up to the top of that mountain. Another case is that of Mr. Caton, Tailor, Hutchinson's Buildings, Clarence Street, who was so dreadfully bad that he was confined entirely to his bed room for six months, prior to his commencing with your Pills, and attended regularly by his medical man, who pronounced him to be in a dying state, yet he, likewise, to my knowledge, has been restored to perfect health by the use of your Pills, and ubbing your Ointment night and morning into his chest.

J. K. HEYDON. (Signed) THE EARL OF ALDBOROUGH CURED OF A LIVER

AND STOMACH COMPLAINT. Extract of a Letter from His Lordship, dated Villa Messina Leghorn, 21st February, 1845. To Professor HOLLOWAY.

SIR,-Various circumstances prevented the possibility of my thanking you before this time for your politeness in sending me your Pills as you did. I now take this opportunity of sending you an order for the amount, and, at the same time, to add that your Pills have effected a cure of a disorder in my Liver and Stomach, which all the most eminent of the Faculty at home, and all over the Continent, had not been able to effect; nay, not even the waters of Carlsbad and Marienbad. I wish to have another Box and a Pot of the Ointment, in case any of my family should ever require either.
