STEAM BOATS FOR SALE!

THE Subscriber being desirous of closing up his present business, offers for sale the Steamers **COMMODORE, FAIRY QUEEN, and HERALD.** The **COMMODORE** had Six Hundred Pounds laid out on her last winter, and with a little outlay can be put in good condition. The **FAIRY QUEEN** had about Three Hundred Pounds expended on her also last winter, and a very small sum will put her in excellent condition. They would make first rate Night Boats between this City and Fredericton, or are suited for any route outside, or for the Grand Lake or the St. Croix, being well supplied with Bedding, &c.; or they would make admirable Tow Boats for the River.

Also, the Steamer **HERALD**, now lying at Carleton. This Boat, with some repairs, would make a good Tow Boat.

These Boats have all first rate Engines, made by **FAWCETT, PRESTON & Co.,** Liverpool, and will be sold low, on a long credit.

If not disposed of by private sale on or before the 25th November next, they will be offered by Auction.

Also for sale, an **ENGINE**, suitable for a Mill or Boat.

The subscriber would solicit from parties disposed to purchase, a thorough inspection of these Boats.
