

HERE IS YOUR REMEDY

Holloway's Ointment.

A MOST MIRACULOUS CURE OF BAD LEGS, AFTER 43 YEARS' SUFFERING.

Extract of a Letter from Mr. William Galpin, of 70 St. Mary's Street, Weymouth, dated May 15, 1851.

To Professor HOLLOWAY.

SIR,—At the age of 18, my wife (who is now 61) caught a violent cold, which settled in her legs, and ever since that time they have been more or less sore, and greatly inflamed. Her agonies were distracting, and for months together she was deprived entirely of rest and sleep. Every remedy that medical men advised was tried, but without effect; her health suffered severely, and the state of her legs was terrible. I had often read your Advertisements, and advised her to try your Pills and Ointment; and, as a last resource, after every other remedy had proved useless, she consented to do so. She commenced six weeks ago, and, strange to relate, is now in good health. Her legs are painless, without seam or scar, and her sleep sound and undisturbed. Could you have witnessed the sufferings of my wife during the last 43 years, and contrast them with her present enjoyment of health, you would indeed feel delighted in having been the means of so greatly alleviating the sufferings of a fellow creature.

(Signed)

WILLIAM GALPIN.

A PERSON 70 YEARS OF AGE CURED OF A BAD LEG, OF THIRTY YEARS' STANDING.

Copy of a Letter from Mr. Wm. Abbs, Builder of Gas Ovens, of Rushcliffe, near Huddersfield, dated May 31, 1851.

To Professor HOLLOWAY.

SIR,—I suffered for a period of thirty years from a bad leg, the result of two or three different accidents at Gas Works; accompanied by scorbutic symptoms. I had recourse to a variety of medical advice, without deriving any benefit, and was even told that the leg must be amputated; yet, in opposition to that opinion, your Pills and Ointment have effected a complete cure in so short a time, that few who had not witnessed it would credit the fact.

(Signed)

WILLIAM ABBS.

The truth of this statement can be verified by Mr. W. P. England, Chemist, 13, Market Street, Huddersfield.

A DREADFUL BAD BREAST CURED IN 1 MONTH.

Extract of a Letter from Mr. Frederick Turner, of Penhurst, Kent, dated December 13, 1850.

To Professor HOLLOWAY.

DEAR SIR,—My wife had suffered from Bad Breasts for more than six months, and during the whole period had the best medical attendance, but all to no use. Having before healed an awful wound in my own leg by your unrivalled medicine, I determined again to use your Pills and Ointment, and therefore gave them a trial in her case, and fortunate it was I did so, for in less than a month a perfect cure was effected, and the benefit that various other branches of my family have derived from their use is really astonishing. I now strongly recommend them to all my friends.

FREDERICK TURNER.

A WONDERFUL CURE OF A DANGEROUS SWELLING OF THE KNEE.

Copy of a Letter from John Forfar, an Agriculturist, residing at Newborough, near Herham, dated May 15, 1850.

To Professor HOLLOWAY.

SIR,—I was afflicted with a swelling on each side of the leg, rather above the knee, for nearly two years, which increased to a great size. I had the advice of three eminent Surgeons here, and was an inmate of the Newcastle Infirmary for four weeks. After various modes of treatment had been tried, I was discharged as incurable. Having heard so much of your Pills and Ointment I determined to try them, and in less than a month I was completely cured. What is more remarkable I was engaged twelve hours a day in the Hay Harvest, and although I have followed my laborious occupation throughout the winter I have had no return whatever of my complaint.

JOHN FORFAR.

AN INFLAMMATION IN THE SIDE PERFECTLY CURED.

Copy of a Letter from Mr. Francis Arnot of Breahouse, Lothian Road, Edinburgh, dated April 29, 1851.

To Professor HOLLOWAY.

SIR,—For more than twenty years my wife has been subject from time to time to attacks of inflammation in the side, for which she was bled and blistered to a great extent, still the pain could not be removed. About four years ago she saw in the papers the wonderful cures effected by your Pills and Ointment, and thought she would give them a trial. To her great astonishment and delight she got immediate relief from their use; and after persevering for three weeks the pain in her side was completely cured, and she has enjoyed the best of health for the last 4 years.

(Signed)

FRANCIS ARNOT.

JUDSON'S
CHEMICAL EXTRACT OF

CHERRY & LUNGWORT,

FOR THE CURE OF

Coughs, Colds, Hoarseness, Spitting of Blood, Night Sweats, Asthma, Liver Complaints, and

CONSUMPTION.

DEATH

Can be and has been prevented by this nature's own remedy,

JUDSON'S CHEMICAL EXTRACT OF
CHERRY AND LUNGWORT.

This Medicine unlike most of the patent remedies of the day is the result of the careful study and experiments of a scientific and experienced physician. The two principal ingredients have long been known and celebrated.

WILD CHERRY BARK.

When the strength of this is properly extracted is the best Medicine known for curing the worst Coughs and other Pulmonary diseases, it loosens the phlegm and enables the sufferer to expectorate easily, and alone will cure the worst cold or cough, which if neglected always leads to Consumption.

LUNGWORT.

This is a plant the virtues of which are known to but few. It has been said by the most learned men of all times, that "Nature has provided a remedy for each and every disease," and the discoveries that are daily made go to prove its truth. Lungwort is doubtless the remedy designed by Nature for Consumption. Its healing properties are truly wonderful, and the rapidity with which it cures the worst cases of Ulcerated Lungs, soothing and subduing all irritation almost immediately, is a proof of its adaptation to this disease.

These two articles combined with other purely vegetable ingredients, form a medicine that is certain to cure the worst cases of Consumption if taken before the sufferer is entirely prostrated. Do not be discouraged, a trial can do no harm, but will convince the most sceptical of its real worth.

THOUSANDS OF CONSUMPTIVE

persons have been deceived repeatedly in buying medicines which were said to be infallible cures, but which have proved only palliatives, but this medicine is not only palliative, but a cure for ulcerated lungs. It contains no deleterious drugs, and one trial will prove its astonishing efficacy better than any assertions or certificates in curing Consumption and all diseases of the Lungs, such as Spitting of Blood, Coughs, Pains in the Side and Chest, Night Sweats, &c. &c.

CAUTION.—To protect our own as well as the interest of the consumptive sufferer, we are obliged to caution all to find the signature of Comstock & Brother on the wrapper, without this it is a worthless counterfeit. Remember this.

CARLTON'S LINIMENT FOR THE PILES, &c.—It is now used in the principal hospitals, and in the private practice in our country by an immense number of individuals and families, first and most certainly for the cure of the PILES, and also extensively and effectually as to baffle credulity, unless where its effects are witnessed externally in the following complaints:—Dropsy Swellings, Rheumatism—acute or chronic—giving immediate ease, Sore Throat, Bruises, Sprains, Burns &c. Sores and Ulcers—Whether fresh or of long standing, and fever sores.

Its operation upon adults and children in reducing rheumatic swellings, and loosening coughs and tightness of the chest by relaxation of the parts, has been surprising beyond conception. The common remark of those who have used it in the Piles, is "It acts like a charm." It is warranted to please any person that will try it.

CAUTION.—Never buy it unless you find the fac simile signature of Comstock & Brother, Proprietors, on the wrapper.

AZOR'S TURKISH BALM,
THE ONLY CERTAIN REMEDY FOR BALDNESS, AND FOR PREVENTING AND STOPPING THE FALLING OUT OF THE HAIR.

As a toilet article for beautifying and keeping the hair soft, glossy, and in a healthy condition, it is unequalled. Its positive qualities are as follows:

1st.—It frees the head from dandruff, strengthens the roots, imparts health and vigor to the circulation, and prevents the hair changing color or getting gray.

2d.—It causes the hair to curl beautifully when done up in it over night.

This Balm is made from the original receipt procured from the original Turkish Hakim (physician) of Constantinople, where it is universally used. The Turks have always been celebrated for their wonderful skill in compounding the richest perfumes and all other toilet articles. In Turkey the Aromatic Herbs, &c., of which this Balm is composed, are almost universally known and used for the hair. Hence a case of baldness or thin head of hair is almost entirely unknown in that country. We wish but one trial to be made of it; that will do more to convince you of its virtues than all the advertisements that can be published, and that all may be able to test its virtues it is put up in Large Bottles at the low price of 50 cents per bottle.

Remember the genuine has the signature of Comstock & Brother on the wrapper.

FOR THE MARRIED.

"BE YE BEAUTIFUL AND MULTIPLY,"

Is a command that should be cheerfully obeyed by the children of Men. Dr. Lazzette's JUNO CORDIAL or Procreative Mixture, prescribed as an effectual restorative in cases of Debility, Impotency, or Barrenness, and all irregularities of nature. It is all that it professes to be, viz: Nature's Great Restorative, and remedy for the man in the married state without offspring. It is a certain remedy for Seminal emissions, General Debility, Gleet, Weakness of the Genital Organs, Nervous Affections, Leucorrhoea or Whites. As an invigorating medicine it is unequalled. Also, a certain remedy for Incipient Consumption, Indigestion, Loss of Muscular Energy, Physical Lassitude, Female Weakness, Debility, &c. It is warranted to please the user in any of the above complaints, and is of priceless value to those without offspring.

CAUTION EXTRA.—Find the name of Comstock & Brother on the wrapper, and do not buy it unless you

find the above name, as it has been extensively counterfeited of late. Avoid the counterfeit as you would poison.

To Owners of and Dealers in Horses

CARLTON'S FOUNDER OINTMENT.—For the cure of Founder, Split Hoof, Hoof-bound Horses, and Contracted and Feverish Feet, Wounds, Bruises in the Flesh, Galled Backs, Cracked Heels, Scratches, Cuts, Kicks, &c., on Horses.

CARLTON'S RING-BONE CURE.—For the cure of Ring Bone, Blood Spavin, Bone Spavin, Windgalls, and Splint—a certain remedy.

CARLTON'S CONDITION POWDERS FOR HORSES AND CATTLE.—The changes of weather and season, with the change of use and feed, have a very great effect upon the blood and sinuous fluids of Horses. It is at these changes that they require an assistant to nature to throw off any disorder of the fluids of the body that may have been imbibed, and which, if not attended to, will result in the Yellow Water, Heaves, Worms, Botts, &c. All of which will be prevented by giving one of these powders, and will at any time, cure when any symptoms of disease appears, if used in time. They purify the blood, remove all inflammation and fever, loosen the skin, cleanse the water, and invigorate the whole body, enabling them to do more work with the same feed. The action of these powders is direct upon all the secretory glands, and therefore have the same effect upon the Horse, the Ox, the Ass, and all Herbivorous animals—all diseases arising from or producing a bad state of the blood, are speedily cured by them. Remember and ask for Carlton's Condition Powders, and take no others.

CARLTON'S NERVE AND BONE LINIMENT FOR HORSES.—And for the cure of all diseases of man or beast that require external application, and for contracted cords and muscles, strengthens weak limbs, and is also used for Sprains, Bruises, Saddle Galls, Swelled Legs, and sores of all kinds on Horses.

CARLTON'S articles for Horses and Cattle are prepared from the recipe of a very celebrated English Farrier, and will cure in ninety-nine cases out of one hundred any of the above complaints. They have been used by Farmers, Livery-men, Stage Proprietors and others, with the most marked and decided success.

CAUTION.—None can be genuine unless you find the name of J. Carlton Comstock on the wrapper of each article. Remember this, as their articles have been extensively counterfeited of late. Look and find the proprietor's name, J. Carlton Comstock, and never buy without.

CAUTION.—All of the above named articles are sold only by Comstock & Brother, 2 St. Peter's Place, directly in rear of the Astor House, between Barclay and Vesey streets, one door from Barclay, and one block from Broadway, New York, to whom all orders must be directed.
