Mollowery's Dintment.

A MOST MIRACULOUS CURE OF BAD LEGS, AF-TER 43 YEARS' SUFFERING.

Extract of a Letter from Mr. William Galpin, of 70 St. Mary's Street. Weymouth, dated May 15. 1851. To Professor Holloway,

SIR,—At the age of 18, my wife (who is now 61) caught a violent cold, which settled in her logs, and ever since that time they have been more or less sore, and greatly inflamed. Her agonies were distracting, and for months together she was deprived entirely of rest and sleep. Every remedy that medical men advised was tried, but without effect; her health suffered severely, and the state of her legs was terrible. I had I often read your Advertisements, and advised her to try your Pills and Ointment; and, as a last resource, after every other remedy had proved useless, she consented without seam or scar, and her sleep sound and undisturbed. Could you have witnessed the sufferings of my wife during the last 43 years, and contrast them with her present enjoyment of health, you would indeed feel delighted in having been the means of so greatly alleviating the sufferings of a fellow creature.

Copy of a Letter from Mr. Wm. Abbs, Builder of Gas Ovens, of Rushcliffe, near Huddersfield, dated May 31, 1851.

To Professor HOLLOWAY, SIR,-I suffered for a period of thirty years from a bad leg, the result of two or three different accidents at Gas Works; accompanied by scorbutic symptoms. I had recourse to a variety of medical advice, without | These two articles combined with other purely vege-

To Professor Holloway. DEAR SIR,-My wife had suffered from Bad Breasts for more than six months, and during the whole period had the best medical attendance, but all to no use. Having before healed an awful wound in my own leg by your unrivalled medicine, I determined again to use your Pills and Ointment, and therefore gave them a trial in her case. and fortunate it was I did so, for in less than a month a perfect cure was effected, and the benefit that various other branches of my family have derived from their use is really astonishing. I now strongly recommend them to all my friends.

residing at Newborough, near Hexham, dated May 15, 1350. To Professor Holloway.

SIR,-I was afflicted with a swelling on each side of the leg, rather above the knee, for nearly two years which increased to a great size. I had the advice of three eminent Surgeons here, and was an inmate of the Newcastle Infirmary for tour weeks. After various modes of treatment had been tried, I was discharged as incurable. Having heard so much of your Pills and Ointment I determined to try them, and in less than a mouth I was completely cured. What is more remarkable ! was engaged twelve hours a-day in the Hay Harvest, and although I have followed my laborious occupation throughout the winter I have had no return whatever of my complaint. (Signed) JOHN FORFAR. AN INFLAMMATION IN THE SIDE PERFECTLY

Copy of a Letter from Mr. Francis Arnot of Breahouse, Lothian Road, Edinbro', dated April 29, 1851.

To Professor Holloway. SIR,-For more than twenty years my wife has been subject from time to time to attacks of inflammation in the side, for which she was bled and blistered to a great extent, still the pain could not be removed. About four years ago she saw in the papers the wonderful cures effected by your Pills and Ointment, and thought she would give them a trial. To her great astonishment and delight she got immediate relief from their use; and after persevering for three weeks the pain in her side was completely cured, and she has enjoyed the best of health for the last 4 years.
