[ADVERTISEMENT.] REQUISITION.

To B. C. Beardsley, Esq.

DEAR SIR,—

Permit us, while tendering to you a sincere welcome, at the same time to assure you of our heartfelt sympathy and condolence in the recent mournful dispensations of Providence, so deeply afflictive to you, and which have been the melancholy occasion of this your visit once more to this Province. Alas! Sir, your heart cannot but bleed. May the compassionate Saviour, who bedewed the grave of Lazarus with his tears, sustain your spirit and console your grief. May you be enabled in the language of the afflicted Job, to say, "The Lord gave, and the Lord hath taken away, blessed be the name of the Lord."

Sir, we can indeed sympathise. Your lamented son occupied an important and prominent position in this County, as one of our Representatives in the Legislative Councils of this Province. A position that he ever sustained with high reputation to himself, and we feel warranted in adding, entire satisfaction to the constituency of this County. The Almighty Disposer of events has been pleased, however, in His inscrutable wisdom, to remove him from the theatre of his labors and his usefulness here, and the place that knew him once shall know him no more forever. We humbly trust his spirit now dwells in happier regions.

Sir, we have been led to hope you will consent to supply his place in the General Assembly of this Province; and confiding as we do in your zeal, fidelity and integrity, and ever mindful of your well-tryed ability for the discharge of the varied responsibilities pertaining to the office, we do most respectfully request you will allow yourself to be put in nomination; and we entertain not a doubt, but that the enlightened constituency of Carleton will, as it were, with one mind, proclaim you the man of their choice.

REPLY.

GENTLEMEN,—

Your Requisition of the 29th ult., welcoming me to this Province, and containing your expressions of sympathy and condolence for the recent dispensations of Providence so afflictive to me, as well as the honorable mention you make of the character of my deceased son, and for which please accept my thanks, I had the honour (this day) to receive, and in reply to your request; that I will allow myself to be put in nomination as a Candidate for the representation of the County of Carleton in the General Assembly of this Province, permit me to say, that diffident as I am of my ability, (adequately) to discharge the duties of that important office, I feel that it would evince a want of patriotism, as well as gratitude, to decline the proffered honor, so gratuitously and generously made. I therefore cheerfully accord to the request, and if honored by the people's choice, shall discharge my duty as their Representative as faithfully and efficiently as my humble ability will enable me; but to prevent a charge of inconsistency being preferred

against me, I wish it to be distinctly understood, I shall take no part or action (directly or indirectly) in the election.

I have the honor to be,

Gentlemen,

Your obedient servant,

B. C. BEARDSLEY.

REQUISITION.

To the Hon. CHARLES CONNELL, M. L. C., Fredericton, N. B.

SIR,—

While we cannot but mourn the loss of our late respected Representative H. H. Beardsley, Esq., and while we deeply sympathize with his relatives and friends in their bereavement, we cannot shut our eyes to the fact that our interests have suffered materially in consequence of his inability to attend to his Parliamentary duties the present Session. We are also aware of the fact that we will shortly be called upon to select some person to represent us in his stead, and while we gratefully acknowledge your services in the Upper Branch of the Legislature, and your untiring exertions in advocating those principles which are our inherent right as British subjects, and which have been too long withheld from us, we feel that in the present critical state of affairs we require the aid of men of energy and tried principles in the Assembly—and we are satisfied that your usefulness would be much greater, and your power to serve us much increased, by again accepting a seat in the popular branch of the Legislature; we have therefore to request that you will resign your seat in the Legislative Council and allow us to put you in nomination for the vacant seat in the Representation of this County, pledging ourselves, that in the event of your acceding to our wishes, we will support you to the extent of our power.

We have the honor to be, Sir,

Your obedient Servants,

REPLY.

TO THE FREEHOLDERS OF THE COUNTY OF CARLETON.

GENTLEMEN,—I have received your Requisition, and lament with you the loss of our late Representative.

You will be immediately called upon to select a person to represent you in Parliament, the Writ having been issued for that purpose.

The expression of satisfaction with my conduct in the Upper Branch of the Legislature is highly gratifying to me.

You appear to think that my services at the present time will be of greater importance to you in the popular Branch of the Legislature. That is a question for your decision. Having accepted a seat in the Legislative Council agreeably to your wish, I have stated to you I only held it subject to your will.

At your request I shall take an early opportunity of placing in the hands of the Lieut. Governor my resignation as a Legislative Councillor, and it will altogether depend on the Freeholders of Carleton whether I shall continue to serve them in the Legislature.

I shall be satisfied with your decision.

I have the honor to be Gentleman
Your Obedient Servant,

CHARLES CONNELL.

COMMUNICATIONS.

[FOR THE CARLETON SENTINEL.]

Mr. Editor,—I wish through the medium of your paper to point out the course I mean to pursue at the forthcoming election, and lest I might be charged with inconsistency, I will give my reasons for doing so.

A short time ago a Requisition was presented to me requesting Judge Beardsley to allow himself to be put in nomination as a candidate at the election. As I did not know then that any other person would come forward I signed that document. A little time after another Requisition was handed to me, requesting the Hon. Mr. Connell to come forth as a candidate, and in case he should do so, the signers pledging themselves to support him throughout the election. This I also signed.

Now, if Mr. Beardsley were a resident of this County, and brought forward by the friends of the late Mr. Horace Beardsley, or by those who were formerly the friends of the Judge (although it is reported he would rather return to Canada), I would go for him yet if Mr. Connell were out of the way; but considering the persons who brought him forward and their motive for doing so, it alters the case; and although I signed both requisitions I only pledged myself in one, which pledge I intend to redeem; and will therefore vote for Mr. Connell; nor can there be any just charge of inconsistency brought against me for so doing, men against any other person similarly circumstanced who may act as I do.

I might here note the absurdity of importing a man from another country to represent us, when he who is one of the best friends ever the people of Carleton County had is among us, and willing to serve us faithfully as he ever did; but it is unnecessary for me to do this, as it must yet be fresh in the minds of the people, the way in which we were hoaxed by electing an imported man a few years ago.

I am, Sir, Your Obedient Servant,
April 12th, 1853. A FARMER.

We have reason to believe that a very numerous signed requisition from all parts of the County of Carleton has been forwarded to the Hon. Charles Connell, requesting him to resign his seat in the Legislature as representative for Carleton. As Mr. Connell went into the Council in accordance with the wishes of his County, we suspect he will feel compelled to act in accordance with the general expression of what is best calculated to advance the interests and wishes of the good people, with whose interests and wishes he has been so long and so intimately connected.—Head Quarters.

Every few days we read the announcement in the papers of the arrival of a California steamer at New York, with "two millions of gold dust." Everybody reads of these millions, and yet how few stop to dwell on their immense magnitude. Few people have any more idea what millions, billions, and trillions are, than they have of the style of brogans worn by the cobblers in the moon. A million of dollars possesses a vastness that is rather startling to a man that has never faced such a pile. To count this sum, at the rate of \$1,500 an hour, and eight hours a day, it would require a man to work nearly three months. If the said dollars were placed side by side, they would reach a hundred and thirty-six miles, while their transportation would require fourteen waggons, carrying two tons each.—Boston Times.
