

HEALTH FOR A SHILLING!

HOLLOWAY'S PILLS.

Extraordinary Cure of Loss of Health, Disordered stomach, Indigestion and determination of Blood to the Head.

Copy of a Letter from Mr. John Lloyd, of Eruwen, near Harlech, Merionethshire.

To Professor HOLLOWAY,

SIR,—I avail myself of the first opportunity of informing you, that for a very long period I was afflicted with a dangerous giddiness and frequent swimings in the head, attended by loss of appetite, disordered stomach, and generally impaired health. Every means had failed to give me any permanent relief, and at length it became so alarming that I was really afraid of going about without an attendant. In this melancholy condition I waited personally upon Mr. Hughes, Chemist, Harlech, for the purpose of consulting him as to what I had better do; he kindly recommended your Pills, I tried them without delay, and after taking them for a short time I am happy to bear testimony to their efficacy. I am now restored to perfect health; and enabled to resume my usual duties. You are at liberty to publish this letter in any way you may think proper.

I am, Sir, your obedient Servant,

(Signed)

JOHN LLOYD.

MIRACULOUS CURE OF DROPSY.

Extract of a Letter from Edward Rowley, Esq., of India Walk, Tobago, dated April 8th, 1852.

To Professor HOLLOWAY,

DEAR SIR,—I deem it a duty I owe to you and the public at large to inform you of a most miraculous recovery from that dreadful disease, Dropsy, and which, under God, was effected by your invaluable Pills. I was tapped five times within eight months, and skillfully treated by two medical practitioners, but could not get cured, until I had recourse to your remedy, and notwithstanding all I had undergone, this miraculous medicine cured me in the course of six weeks.

INFALLIBLE CURE OF A STOMACH COMPLAINT, WITH INDIGESTION AND VIOLENT HEAD-ACHES.

Extract of a Letter from Mr. S. Cowen, Chemist, of Clifton, near Bristol, dated July 14th, 1852.

To Professor HOLLOWAY:

DEAR SIR,—I am requested by a Lady named Thomas, just arrived from the West Indies, to acquaint you that for a period of eight years, herself and family suffered from continual bad health, arising from disorders of the Liver and Stomach, Indigestion, loss of Appetite, violent Head aches, pains in the side, weakness and general debility, for which she consulted the most eminent men in the colony, but without any beneficial result; at last she had recourse to your invaluable Pills which in a very short time effected so great a change for the better, that she continued them, and the whole family were restored to health and strength. Further she desires me to say, that she has witnessed their extraordinary virtues in those complaints incidental to children, particularly in cases of Measles and Scarlatina, having effected positive cures of these diseases with no other remedy.

A DANGEROUS LIVER COMPLAINT AND SPASMS IN THE STOMACH EFFECTUALLY CURED.

Copy of a Letter from Mr. Bostock, Druggist, of Ashton under Lyne, dated July 31, 1852.

To Professor HOLLOWAY:

DEAR SIR,—I have much pleasure in handing to you a testimonial of the efficacy of your Medicines. A person in this neighborhood with whom I am well acquainted was afflicted for a long time with violent spasmodic pains in the stomach and liver, arising from frequent colds, smells of paint, and the effects of a stooping position which he was obliged to assume in his business. The spasms were of an alarming character, and frequently left him in a weak and debilitated condition. At length he heard of the salutary effects of your invaluable Pills, and was induced to give them a trial. The first dose gave him considerable relief, and by following them up in accordance with your directions, they have acted so wonderfully in cleansing the liver and stomach, and strengthening the digestive organs, that he has been restored to the enjoyment of good health.

I remain, Dear Sir, yours faithfully,

(Signed)

WILLIAM BOSTOCK.

JUDSON'S
CHEMICAL EXTRACT OF

CHERRY & LUNGWORT,

FOR THE CURE OF

Coughs, Colds, Hoarseness, Spitting of Blood, Night Sweats, Asthma, Liver Complaints, and CONSUMPTION.

DEATH

Can be and has been prevented by this nature's own remedy,

JUDSON'S CHEMICAL EXTRACT OF
CHERRY & LUNGWORT.

This Medicine unlike most of the patent remedies of the day is the result of the careful study and experiments of a scientific and experienced physician. The two principal ingredients have long been known and celebrated.

WILD CHERRY BARK.

When the strength of this is properly extracted is the best Medicine known for curing the worst Coughs and other Pulmonary diseases, it loosens the phlegm and enables the sufferer to expectorate easily, and alone will cure the worst cold or cough, which if neglected always leads to Consumption.

LUNGWORT.

This is a plant the virtues of which are known to but few. It has been said by the most learned men of all times, that "Nature has provided a remedy for each and every disease," and the discoveries that are daily made go to prove its truth. Lungwort is doubtless the remedy designed by Nature for Consumption. Its healing properties are truly wonderful, and the rapidity with which it cures the worst cases of Ulcerated Lungs, soothing and subduing all irritation almost immediately, is a proof of its adaptation to this disease.

These two articles combined with other purely vegetable ingredients, form a medicine that is certain to cure the worst cases of Consumption if taken before the sufferer is entirely prostrated. Do not be discouraged, a trial can do no harm, but will convince the most sceptical of its real worth.

THOUSANDS OF CONSUMPTIVE

persons have been deceived repeatedly in buying medicines which were said to be infallible cures, but which have proved only palliatives, but this medicine is not only palliative, but a cure for ulcerated lungs. It contains no deleterious Drugs, and one trial will prove its astonishing efficacy better than any assertions or certificates in curing Consumption and all diseases of the Lungs, such as Spitting of Blood, Coughs, Pains in the Side and Chest, Night Sweats, &c. &c.

CAUTION.—To protect our own as well as the interest of the consumptive sufferer, we are obliged to Caution all to find the signature of Comstock & Brother on the wrapper, without this it is a worthless counterfeit. Remember this.

CARLTON'S LINIMENT FOR THE PILES, &c.—It is now used in the principal hospitals, and in the private practice in our country by an immense number of individuals and families, first and most certainly for the cure of the PILES, and also extensively and effectually as to baffle credulity, unless where its effects are witnessed externally in the following complaints:—Dropsy Swellings, Rheumatism—acute or chronic—giving immediate ease, Sore Throat, Bruises, Sprains, Burns, &c. Sores and Ulcers—Whether fresh or of long standing, and fever sores.

Its operation upon adults and children in reducing rheumatic swellings, and loosening coughs and tightness of the chest by relaxation of the parts, has been surprising beyond conception. The common remark of those who have used it in the Piles, is "It acts like a charm." It is warranted to please any person that will try it.

CAUTION.—Never buy it unless you find the fac simile signature of Comstock & Brother, Proprietors, on the wrapper.

AZOR'S TURKISH BALM,
THE ONLY CERTAIN REMEDY FOR BALD-
NESS, AND FOR PREVENTING AND
STOPPING THE FALLING OUT
OF THE HAIR.

As a toilet article for beautifying and keeping the hair soft, glossy, and in a healthy condition, it is unequalled. Its positive qualities are as follows:

1st.—It frees the head from dandruff, strengthens the roots, imparts health and vigor to the circulation, and prevents the hair changing color or getting gray.

2d.—It causes the hair to curl beautifully when done up in it over night.

This Balm is made from the original receipt procured from the original Turkish Hakim (physician) of Constantinople, where it is universally used. The Turks have always been celebrated for their wonderful skill in compounding the richest perfumes and all other toilet articles. In Turkey the Aromatic Herbs, &c., of which this Balm is composed, are almost universally known and used for the hair. Hence a case of baldness or thin head of hair is almost entirely unknown in that country. We wish but one trial to be made of it; that will do more to convince you of its virtues than all the advertisements that can be published, and that all may be able to test its virtues it is put up in Large Bottles at the low price of 50 cents per bottle.

Remember the genuine has the signature of Comstock & Brother on the wrapper.

FOR THE MARRIED.

"BE YE BEAUTIFUL AND MULTIPLY." Is a command that should be cheerfully obeyed by the children of Men. Dr. Larzette's JUNO CORDIAL or Procreative Elixir, prescribed as an effectual restorative in cases of Debility, Impotency, or Barrenness, and all irregularities of nature. It is all that it professes to be, viz: Nature's Great Restorative, and remedy for those in the married state without offspring. It is a certain remedy for Seminal emissions, General Debility, Gleet, Weakness of the Genital Organs, Nervous Affections, Leucorrhoea or Whites. As an invigorating medicine it is unequalled. Also, a certain remedy for Incipient Consumption, Indigestion, Loss of Muscular Energy, Physical Lassitude, Female Weakness, Debility, &c. It is warranted to please the user in any of the above complaints, and is of priceless value to those without offspring.

CAUTION EXTRA.—Find the name of Comstock & Brother on the wrapper and never buy it unless you

find the above name, as it has been extensively counterfeited of late. Avoid the counterfeit as you would poison.

To Owners of and Dealers in Horses.

CARLTON'S FOUNDER OINTMENT.—For the cure of Founder, Split Hoof, Hoof-bound Horses, and Contracted and Feverish Feet, Wounds, Bruises in the Flesh, Galled Backs, Cracked Heels, Scratches, Cuts, Kicks, &c., on Horses.

CARLTON'S RING-BONE CURE.—For the cure of Ring-Bone, Blood Spavin, Bone Spavin, Windgalls, and Splint—a certain remedy.

CARLTON'S CONDITION POWDERS FOR HORSES AND CATTLE.—The changes of weather and season, with the change of use and feed, have a very great effect upon the blood and sinuous fluids of Horses. It is at these changes that they require an assistant to nature to throw off any disorder of the fluids of the body that may have been imbibed, and which, if not attended to, will result in the Yellow Water, Heaves, Worms, Bots, &c. All of which will be prevented by giving one of these powders, and will at any time, cure when any symptoms of disease appears, if used in time. They purify the blood, remove all inflammation and fever, loosen the skin, cleanse the water, and invigorate the whole body, enabling them to do more work with the same feed. The action of these powders is direct upon all the secretory glands, and therefore have the same effect upon the Horse, the Ox, the Ass, and all Herbivorous animals—all diseases arising from or producing a bad state of the blood, are speedily cured by them. Remember and ask for Carlton's Condition Powders, and take no others.

CARLTON'S NERVE AND BONE LINIMENT FOR HORSES.—And for the cure of all diseases of man or beast that require external application, and for contracted cords and muscles, strengthens weak limbs, and is also used for Sprains, Bruises, Saddle Galls, Swelled Legs, and sores of all kinds on Horses.

CARLTON'S articles for Horses and Cattle are prepared from the recipe of a very celebrated English Farrier, and will cure in ninety-nine cases out of one hundred any of the above complaints. They have been used by Farmers, Livery-men, Stage Proprietors and others, with the most marked and decided success.

CAUTION.—None can be genuine unless you find the name of J. Carlton Comstock on the wrapper of each article. Remember this, as their articles have been extensively counterfeited of late. Look and find the proprietor's name, J. Carlton Comstock, and never buy without.

CAUTION.—All of the above named articles are sold only by Comstock & Brother, 2 St. Peter's Place, directly in rear of the Astor House, between Barclay and Vesey streets, one door from Barclay, and one block from Broadway, New York, to whom all orders must be directed.

For sale by W. L. FERGUSON, and A. PAYSON, Woodstock; and J. W. BRADLEY, and J. T. SMITH, Fredericton; and by one agent in every town in New Brunswick.

GEORGE'S
Honduras Sarsaparilla Extract,

For the cure of those diseases arising from an impure state of the Blood, such as Scrofula, Stomach Ulcers, Skin Diseases, Pimples on the face, Female Irregularities and Complaints, &c. As a general Tonic and Invigorator of the system it is unequalled.

This Medicine is not offered as a cure for all diseases, but merely for those arising from impure blood. It is composed of the

PURE HONDURAS SARSAPARILLA, combined with other purely vegetable substances of acknowledged efficacy, and is manufactured with the greatest care, every pound of the Sarsaparilla being subjected to the strictest chemical tests, and its genuineness ascertained before being used; and it contains ten times as much Pure Honduras Sarsaparilla as any other ever offered for sale.

We have endeavored, in George's Honduras Sarsaparilla, to give to the public a Medicine which can be depended upon to do for them (in the class of diseases to which it is adapted) all that Medicine can do; and confident that we have done so, we leave it to the good common sense of the people to decide between an extract of the PURE HONDURAS SARSAPARILLA and the many worthless extracts of a Common Sarsaparilla now sold. Then be not deceived. Resort to George's Honduras Sarsaparilla, and you will be rewarded by a quick and easy cure.

TO THE LADIES.

You who wish a beautiful clear skin, free from all Pimples, Blotches, and Impurities, we say, abandon the use of paints and mixtures, and use the Genuine George's Honduras Sarsaparilla.

HINT TO FARMERS.

To the Farmers of New Brunswick,

GENTLEMEN,—Could you listen to the tale of distress related to me a few days since by a Farmer, you would lose no time in having Insurances effected on your properties, in the WASHINGTON COUNTY MUTUAL INSURANCE COMPANY.

The Farmer alluded to had by years of industry and toil, provided for himself and family a good residence, filled with all the real comforts of life; but in an hour at midnight, their house, furniture, provisions, and the principal part of their wearing apparel, were destroyed by fire, and the family left destitute, without the means of replacing the loss. The whole of this property might have been insured for the payment of a few shillings premium. This farmers lot may be yours unless guarded against in time.
