Holloway's Ointment.

A MOST MIRACULOUS CURE OF BAD LEGS, AF-TER 43 YEARS' SUFFERING. Extract of a Letter from Mr. William Galpin, of 70 St.

Mary's Street. Weymouth, dated May 15. 1851. To Professor HOLLOWAY.

SIR,-At the age of 18, my wife (who is now 61) caught a violent cold, which settled in her legs, and ever since that time they have been more or less sore, remedy, and greatly inflamed. Her agonies were distracting, and for months toge her she was deprived entirely of rest and sleep. Every remedy that medical men advised was tried, but without effect; her health suffered severely, and the state of her legs was terrible. I had often read your Advertisements, and advised her to try your Pills and Ointment; and, as a last resource, after every other remedy had proved useless, she consented to do so. She commenced six weeks ago, and, strange to relate, is now in good health. Her legs are painless, without seam or scar, and her sleep sound and undisturbed. Could you have witnessed the sufferings of my her present enjoyment of health, you would indeed feel delighted in having been the means of so greatly allevi. always leads to Consumption. ating the sufferings of a fellow creature.

To Professor Holloway. DEAR SIR,-My wife had suffered from Bad Breasts for more than six months, and during the whole period had the best medical attendance, but all to no use liaving before healed an awtul wound in my own leg by your unrivalled medicine, I determined again to use your Pills and Ointment, and therefore gave them a trial in her case and fortunate it was I did so, for in less than a month a perfect cure was effected, and the benefit that various other branches of my family have derived from their use is really astonishing. I now strongly recommend them to all my friends.

Sin,-I was afflicted with a swelling on each side of which increased to a great size. I had the advice of three eminent Surgeons here, and was an inmate of the Newcastle Infirmary for four weeks. After various modes of treatment had been tried, I was discharged as incurable. Having heard so much of your Pills and Ointment I determined to try them and in less than a month I was completely cured.
