PROSPECTUS OF The Anglo-American Magazine.

On the first of July next will be published the first number of a Monthly Periodical, under the title of THE ANGLO-AMERICAN MAGAZINE.

Each number will contain 96 pages royal octavo, with double columns and numerous illustrations. Price 15s. per annum, paid in advance, and sent by mail to any part of British North America, or the United States.

It is proposed to publish in each issue one or more original papers on subjects connected with British America, carefully excluding party politics or religious articles of a denominational character. Selections of the best writings in the leading British periodicals will be copied, especially such as have reference to the welfare and interests of these Colonies.

A careful digest of the current news of the world, Scientific Discoveries, Commercial News, Musical Intelligence, and all matters of general interest, derived from the most recent information.

It is also intended to publish a series of Biographies of eminent men of Great Britain and Ireland, from Alfred the Great to the present time. This department will be illustrated with portraits from the best masters.

As it is proposed to make this work a national and not a local work, it will unflinchingly advocate all questions affecting the common interests of our Colonies as an integral portion of the British Empire.

An experience of several years in supplying the reading public of Canada with the serial publications of the United States, convinces the projector of this periodical that they are entirely inadequate to the wants of the majority, and little calculated to form or improve the taste of a people essentially different in their feelings and principles from those for whom those Periodicals were prepared; and believing that the enterprise will meet with encouragement from those for whose pleasure and information it is designed, he trusts that the experiment will realize his expectations.

The Magazine may be made one of THE best Mediums for Advertising yet offered to the Colonial public; and the terms will be regulated in such a manner as to induce all parties to avail themselves of its pages.

THOS. MACLEAR.

45 Yonge Street.

Toronto, April, 1852.

N. B.—Newspapers inserting the above Prospectus till first of July, and afterwards noticing each number as published, will receive the Magazine regularly.

In each of the above departments of Goods will be found every variety, and scarcely an article can be inquired for that cannot be supplied. The subscriber presumes that the public are well enough acquainted with his manner of doing business without any puffing on his part, nor does he pretend to sell goods without a profit, nor will he sell one article at or under cost for the purpose of getting an enormous profit on another, but all of the above named goods will be sold at a moderate profit, and the business done in a fair straightforward manner, and every customer used alike. Personal attention will be given to business and he hopes to receive as formerly a large share of public patronage.

JUDSON'S CHEMICAL EXTRACT OF

CHERRY & LUNGWORT,

FOR THE CURE OF Coughs, Colds, Hoarseness, Spitting of Blood, Night Sweats, Asthma, Liver Complaints, and CONSUMPTION.

DO NOT NEGLECT IT. CONSUMPTION Can and has been cured in thousands of cases by this only certain remedy.

JUDSON'S CHEMICAL EXTRACT OF CHERRY AND LUNGWORT, and no remedy has ever before been discovered that will certainly CURE CONSUMPTION.

The most strongly marked and developed cases of Pulmonary Consumption, where the lungs have become diseased and ulcerated, and the case so utterly hopeless as to have been pronounced by physicians and friends to be past all possibility of recovery, and at times thought to be dying, has been cured by this wonderful remedy, and are now as well and hearty as ever. It is a compound of medications which are peculiarly adapted to and essentially necessary for the cure of COUGHS AND CONSUMPTION.

Its operation is mild, yet efficacious; it loosens the phlegm which creates so much difficulty, relieves the cough, and assists nature to expel from the system all diseased matter by expectoration, producing a delightful change in the breathing and chest, and this, after the prescriptions of the very best medical men and the inventions of kind and sorrowing friends and nurses, have failed to give the smallest relief to the Consumptive sufferer.

THOUSANDS OF CONSUMPTIVE persons have been deceived repeatedly in buying medicines which were said to be infallible cures, but which have proved only palliatives, but this medicine is not only palliative, but a cure for ulcerated lungs. It contains no deleterious Drugs, and one trial will prove its astonishing efficacy better than any assertions or certificates in curing Consumption and all diseases of the Lungs, such as Spitting of Blood, Coughs, Pains in the Side and Chest, Night Sweats, &c. &c.

About 1000 certificates of almost miraculous cures, performed by this medicine, from some of the first Doctors, Clergymen, and Merchants, have been sent to us for this medicine, but the publication of them looks too much like Quackery, [will show them to any person calling at our office.] This medicine will speak for itself and enough in its own favor wherever it is tried.

Caution.—This medicine is put up in a large bottle, and you must find the name of Judson & Co., Proprietors, New York, on the splendid wrapper around the bottle. All orders must be addressed to Comstock & Brother, No 9, John St. New York.

To Owners of and Dealers in Horses

CARLTON'S FOUNDER OINTMENT.—For the cure of Founder, Split Hoof, Hoof-bound Horses, and Contracted and Feverish Feet, Wounds, Bruises in the Flesh, Galled Backs, Cracked Heels, Scratches, Cuts, Kicks, &c., on Horses.

CARLTON'S RING-BONE CURE.—For the cure of Ring-Bone, Blood Spavin, Bone Spavin, Windgalls, and Splint—a certain remedy.

CARLTON'S CONDITION POWDERS FOR HORSES AND CATTLE.—The changes of weather and season, with the change of use and feed, have a very great effect upon the blood and sinuous fluids of Horses. It is at these changes that they require an assistant to nature to throw off any disorder of the fluids of the body that may have been imbibed, and which, if not attended to, will result in the Yellow Water, Heaves, Worms, Botts, &c. All of which will be prevented by giving one of these powders, and will at any time, cure when any symptoms of disease appears, if used in time. They purify the blood, remove all inflammation and fever, loosen the skin, cleanse the water, and invigorate the whole body, enabling them to do more work with the same feed. The action of these powders is direct upon all the secretive glands, and therefore have the same effect upon the Horse, the Ox, the Ass, and all Herbivorous animals—all diseases arising from or producing a bad state of the blood, are speedily cured by them. Remember and ask for Carlton's Condition Powders, and take no others.

CARLTON'S NERVE AND BONE LINIMENT FOR HORSES.—And for the cure of all diseases of man or beast that require external application, and for contracted cords and muscles, strengthens weak limbs, and is also used for Sprains, Bruises, Saddle Galls, Swelled Legs, and sores of all kinds on Horses.

They have been used by Farmers, Livery-men, Stage Proprietors and others, with the most marked and decided success.

Caution.—None can be genuine unless you find the name of J. Carlton Comstock on the wrapper of each article.

COMSTOCK'S VERMIFUGE.

This is the most extraordinary remedy for Worms ever used; it effectually eradicates Worms from both Adults and Children. It cannot harm the most delicate Infant or strongest Adult, and never fails to completely root out and destroy all kinds of Worms. The cost, 25 cts. per bottle, puts it within reach of all, and all parents who are without it are woeantly exposing the lives of their children to those fell destroyers of youth—Worms. Look for the name of Comstock & Brother, Proprietors, on the wrapper of each Bottle.

TO THE OLD AND YOUNG!! HO! YE RED HEADS AND GREY!!! PHENOMENON IN CHEMISTRY!!!

East India Hair Dye.

Colours the Hair, and will not the Skin.

This dye may be applied to the hair over night, the first night turning the lightest RED or GREY HAIR to a dark brown, and by repeating a second night, to a bright jet black. Any person may, therefore, with the least possible trouble keep his hair any dark shade or perfect black; with a positive assurance that the dye, if applied

to the skin will not color it. By an occasional application, a person turning grey will never be known to have a grey hair. Directions complete with the article.—There is no coloring in this statement, as one can easily test.

These facts are warranted by the gentleman who manufactures it, who is the celebrated Chemist, Dr. Comstock, author of Comstock's Chemistry, Philosophy and other works, and School Books, well known and widely celebrated by the public.

DEAFNESS.

Use Dr. Larzette's Acoustic Oil, for the cure of Deafness. Also, all those disagreeable noises, like the buzzing of insects, falling of water, whizzing of steam, which are symptoms of approaching deafness. Many persons who have been deaf for ten, fifteen or twenty years, and were subject to ear trumpets, have after using one or two bottles, thrown aside these trumpets, being made perfectly well. It has cured cases of ten, fifteen, and even thirty years standing of deafness.

HAY'S LINIMENT FOR THE PILES.—The worst attack of the Piles are effectually and permanently cured in a short time by the use of the genuine Hay's Liniment.—Hundreds of our first citizens throughout the country have used this liniment with complete success.

Caution.—Never buy it unless you find the name of Comstock & Co., upon the wrapper, proprietors of the genuine article.

If you wish a rich, luxuriant head of hair, free from dandruff and scurf, do not fail to procure the genuine Balm of Columbia. In cases of baldness it will more than exceed your expectations. Many who have lost their hair for twenty years, have had it restored to its original perfection by the use of this balm. Age, state, or condition appears to be no obstacle, whatever; it also causes the fluid to flow with which the delicate hair tubes are filled, by which means thousands (whose hair was as grey as the Asiatic eagle) have had their hair restored to its natural color by this invaluable remedy.

Caution.—Never buy it unless you find the name of Comstock and Co., Proprietors, on the wrapper of each bottle.

CARLTON'S LINIMENT FOR THE PILES, &c.—It is now used in the principal hospitals, and in the private practice in our country by an immense number of individuals and families, first and most certainly for the cure of the Piles, and also extensively and effectually as to baffle credulity unless where its effects are witnessed, externally in the following complaints.
