THE RENOWNED REMEDY!

HOLLOWAY'S OINTMENT.

A MOST ASTONISHING CURE OF SCROFULOUS
ULCERS.—A CASE CERTIFIED BY
THE MAYOR OF ROSTON.

Copy of a Letter from J. Noble, Esq., Mayor of Boston,
Lincolnshire.

To Professor HOLLOWAY:

Dear Sir,—Mrs. Sarah Dixon of Liguorpond Street,
Boston, has this day deposed before me that for a consid-
erable period she was severely afflicted with Scrofulous
Sores and Ulcers in her arms, feet, legs, and other parts
of her body; and although the first of medical advice was
obtained, at the cost of a large sum of money, she obtained
no abatement of suffering, but gradually grew worse.

Being recommended by a friend to try your Ointment
she procured a small pot and a box of the Pills, and before
that was all used, symptoms of amendment appeared. Be-
persevering with the medicines for a short time longer,
according to the directions, and strictly adhering to your
rules as to diet, &c., she was perfectly cured, and now en-
joys the best of health.

I remain, Dear Sir, yours truly,
Dated August 12th, 1852. (Signed) J. NOBLE.
AN EXTRAORDINARY AND RAPID CURE OF
ERYSIPELAS IN THE LEG, AFTER MEDICAL
AID HAD FAILED.

Copy of a Letter from Mrs. Elizabeth Yates, of the Post
Office, Aldwick Road, near Bognor, Sussex, dated Jan.
12th, 1853.

To Professor HOLLOWAY:

SIR,—I suffered for a considerable period from a se-
vere attack of Erysipelas, which at length settled in my
leg, and resisted all medical treatment. My sufferings
were very great, and I quite despaired of any permanent
amendment, when I was advised to have recourse to your
Ointment and Pills. I did so without delay, and am happy
to say the result was eminently successful, for they effect-
ed a radical cure of my leg and restored me to the enjoy-
ment of health. I shall ever speak with the utmost con-
fidence of your medicines, and have recommended them to
others in this neighborhood similarly afflicted, who derived
equal benefit.

I am, Sir, your obliged and faithful Servant,
(Signed) ELIZABETH YATES.
A DREADFULLY DISEASED ANGLE CURED AF-
TER BEING GIVEN UP BY THE FACULTY,
AT MALTA AND PORTSMOUTH
HOSPITALS.

The following important communication has been forward-
ed to Professor Holloway for publication, by Mr. B. Dix-
on, Chemist, King-street, Norwich.

Copy of a Letter from Captain Smith, of Great Yarmouth,
dated Jan. 19th, 1853.

To Mr. DIXON,

Dear Sir,—I send you the particulars of a cure effected
by Professor Holloway's invaluable medicines.—Mr. John
Walton, late in Her Majesty's Service, in the British Fleet
at Malta, had a very bad ulcerated ankle, and after having
been in the Malta Hospital for six months, and after having
England as an invalid to Portsmouth Hospital, where he
remained an inmate four months, there, as at Malta, refus-
ing to have the limb amputated, he was turned out incurable.
He then came to Yarmouth, and was under a medical
gentleman for about three months, but his ankle became
so much worse that all hope was lost. At this period, by
my advice, he tried Holloway's Ointment and Pills, which
by unremitting application, healed all the ulcers, and restor-
ed him to perfect health and strength.

I remain, Dear Sir, yours very truly,
(Signed) JOHN SMITH.

SURPRISING CURE OF A BAD BREAST, NERVOUS
DEBILITY, AND GENERAL ILL HEALTH.

Copy of a Letter from Mr. T. F. Ker, Chemist, &c., Lower
Moss-lane, Manchester, dated Feb. 12th, 1853.

To PROFESSOR HOLLOWAY,

Dear Sir,—I have great pleasure in forwarding to you the
particulars of a very extraordinary cure of a bad breast,
effected solely by use of your celebrated Ointment and
Pills. Mrs. Martha Bell, of Pitt-street, in this Town, had
been for a considerable time labouring under nervous debil-
ity, loss of appetite, and general ill health, occasioned by
lacerated wounds in the breast. She had had much expe-
rience in the use of all the known remedies for the cure
of ulcers, but without any beneficial result, in fact she had
nearly lost all faith and hope of a cure being effected. In
this distressing and painful condition of body and mind, she
was persuaded to have recourse to your invaluable
Ointment and Pills, which she immediately did, and in the
course of a very short time the effect produced was most
astonishing; her appetite was speedily improved the sores
and ulcers in the breast gradually healed, and the nervous
excitement of her system was wholly removed.

I remain, Dear Sir, yours faithfully,
(Signed) T. FORSTER KER.

These Pills should be used conjointly with the Ointment
in most of the following cases:—

Bad Legs	Chilblains	G.I. and Ulcers	Scurvy

The Life and Times of the Late

Duke of Wellington,

BY LIEUT. COL. WILLIAMS, (A COMPANION-IN-
ARMS OF HIS GRACE.)

Comprising the Campaigns and Battle-Fields of Wel-
lington and his Comrades, the Political Life of
the Duke and his Contemporaries, and a detail-
ed account of England's Battles by Sea and
Land, from the commencement of the Great
French Revolution to the present time, interspers-
ed with Anecdotes, Personal Incidents, and Ad-
ventures, &c.

ADDRESS.

THE earthly career of Arthur Duke of Welling-
ton has closed; one of the greatest men of the
nineteenth century, the foremost military commander of
any age, has paid the debt of nature. The time has now
arrived for giving to the world a History of the Great Cap-
tain—of the Events of his Life and Time—a life marked by
patriotism, probity, honor, and events the greatest which
have ever agitated the civilized world, and whose in-
fluence will be felt upon society till the end of time.—
Such a work must appeal to the best and proudest feel-
ings in the heart of every Briton—the glory of his country,
the honor of its name and position among the nations—
may his own existence as a freeman, are recorded and en-
graved in the annals of "the well-fought fields" and the
"deadly imminent breaches," the immortal battles and the
glorious sieges in which Wellington and his Companions—
in-arms gathered unfading laurels, placed their country's
honor and renown on the highest pinnacle of fame and glo-
ry, and tore the victor's wreath from the brows of heroes
decorated with the trophies of Italy, Egypt, and Germany.

To supply such a desideratum in English literature the
publishers of The Life and Times of the Duke of Wel-
lington have determined to produce a book which shall
present to the reader, not only the dry details which a
mere biographical sketch would afford, but a compre-
hensive work, embracing the contemporaneous history
of the period; exhibiting the circumstances which
brought about the great events in which the Duke and
his contemporaries were engaged, and giving to the
reader a connected narrative of the lives and actions of
the Warriors and Statesmen of the nineteenth century,
and this from the pen of one who was a companion-in-
arms of the great hero, and participated with him in
many a well-fought field.

In order to carry out their views, the Publishers have
determined that the work shall be profusely illustrated
by Portraits of the Warriors and Statesmen of the last
half century who have shed a lustre upon the history
of their country, also representations of the most im-
portant engagements by sea and land, from the period
of 1780 till 1852, so that the work, when finished, shall
form an illustrated Gallery of the Naval and Military
Exploits of England.

It has been well said, "Character is the true strength
of nations, true glory their best inheritance. When the
time shall come that the British heart no longer thrills
as the names of Cressy, Poitiers, Agincourt, Blenheim,
Ramilies, Oudenarde, Malplaquet, of Talavera, Sala-
manca, Toulouse, Waterloo,—the last hour of the
British Empire will have struck." The promotion and
elevation of national spirit and feeling is therefore the
duty and interest of every true and loyal son of England.
May Heaven inspire the hearts of every one of us with
that spirit and feeling.

Conditions of Publication.—The work will be issued on
the 1st and 15th of every month in Parts at 1s. 3d., and
Divisions handsomely bound at 9s. 41-2d., Printed on Im-
perial 8 vo. double columns, each part will be embellished
by two highly finished steel engravings, and will contain
32 pages of letter press. A beautiful steel Engraving, 13
by 19 inches, the Storming of Seringapatam, the first victory
in which the late Duke of Wellington was engaged in
India, to be given to every subscriber to the work.
