ELECTORS  
OF  
CARLETON.

In accordance with the notice given by me at my last election, that I would at this time be a Candidate for your suffrages, I now inform you that it is my intention to meet you at the Hustings on the 17th instant for that purpose, on which occasion I will give you my views on some of those important questions which will at an early day engross the attention of the Legislature.

Having served you for the past eight years in the Legislature, it is for you to say whether I shall continue to be your Representative.

Your decision on this important question will be satisfactory to me.

Yours &amp;c.,

CHARLES CONNEL.

Woodstock June 3, 1854.

To the Electors  
OF THE  
COUNTY OF  
CARLETON.

GENTLEMEN:—

Being solicited by a large number of the independent Electors of the County, to become a Candidate for your suffrages, I have decided to present myself before you at the approaching election in that character. Should you elect me as your Representative you must do it freely and independently. I should esteem it the highest honor to represent a free and independent people.

I have frequently heard the Electors in the different parts of this County, complain that all the Members were from the vicinity of Woodstock, it now rests with you to say whether it shall be the case for the future.

Gentlemen, if you elect me you may rely on my integrity to promote your interest to the utmost of my ability. I unflinchingly maintain that the source of Government is in the people, and that those to whom it is entrusted should be accountable to the people, and are good subjects so long as they consult the welfare of the people.

The most of you are acquainted with me and I hope to meet you at the Hustings and there more fully explain my views.

I have the honor to be Gentlemen,

Your Obedient Servant,

L. R. HARDING.

Wakefield, June 1st, 1854.

To The Freeholders  
OF THE  
COUNTY OF  
CARLETON.

GENTLEMEN:—

I am again solicited to offer myself as a Candidate at the approaching Election. I have now served as your Representative Four years, and endeavored faithfully to perform my duty; my savings and doings are recorded in the Debates and Journals of the House, which I hope have been generally read, and will prove to you whether I have or have not fulfilled my pledges at the Hustings; and if again elected shall use the same exertion, and pursue the same steady and independent course to promote the interests of the Constituency of Carleton, that I have heretofore endeavored to do, only regretting my want of ability to serve you better.

If my past conduct meets with your approbation I shall be much pleased to receive and merit a continuance of your confidence.

I am Gentlemen,

Your obedient Servant,

R. ENGLISH.
