The Far-Famed Medicine!

HOLLOWAY'S PILLS.

SURPRISING CURE OF A CONFIRMED ASTHMA, AFTER FIVE YEARS SUFFERING.

The following testimonial has been sent to Professor Holloway, by a gentleman named Middleton, of Scotland Road, Liverpool.

Sir,—Your Pills have been the means, under Providence, of restoring me to sound health after five years of severe affliction. During the whole of that period, I have suffered the most dreadful attacks of Asthma, frequently of several weeks' duration, attended with a violent cough, and continual spitting of phlegm intermixed with blood. This so shook my constitution that I was unfitted for any of the active duties of life. I was attended by some of the most eminent medical men of this town, but they failed to give me the slightest relief. As a last remedy I tried your Pills, and in about three months they effected a perfect cure of the disease, totally eradicated the cough, and restored tone and vigour to the chest and digestive organs.

I am, Sir, your obedient Servant,
 Dated Jan. 1st, 1853. (Signed) H. MIDDLETON.
 A PERMANENT CURE OF A DISEASED LIVER, OF MANY YEARS' DURATION.

Copy of a Letter from Mr. Gamis, Chemist, Yeovil, to Professor Holloway.

Dear Sir,—In this district your Pills command a more extensive sale than any other proprietary medicine before the public. As a proof of their efficacy in Liver and Bilious Complaints I may mention the following case. A lady of this town with whom I am personally acquainted, for years was a severe sufferer from disease of the Liver and digestive organs; her medical attendant assured her that he could do nothing to relieve her sufferings, and it was not likely she could survive many months. This announcement naturally caused great alarm among her friends and relations, and they induced her to make a trial of your Pills, which so improved her general health that she was induced to continue them until she received a perfect cure. This is twelve months ago, and she has not experienced any symptoms of relapse, and often declares that your Pills have been the means of saving her life.

I remain, Dear Sir, yours truly,
 Nov. 23d, 1852. (Signed) J. GAMIS.
 AN ASTONISHING CURE OF CHRONIC RHEUMATISM, AFTER BEING DISCHARGED FROM THE HOSPITAL INCURABLE.

Copy of a Letter from Mr. W. Moon, of the Square, Winchester.

To Professor HOLLOWAY,

Sir,—I beg to inform you that for years I was a sufferer from Chronic Rheumatism, and was often laid up for weeks together by its severe and painful attacks. I tried every thing that was recommended, and was attended by one of the most eminent Surgeons in this town; but obtained no relief whatever, and fearing that my health would be entirely broken up, I was induced to go into our County Hospital, where I had the best medical treatment the Institution afforded, all of which proved of no avail, and I came out no better than I went in. I was then advised to try your Pills, and by persevering with them was perfectly cured, and enabled to resume my occupation, and although a considerable period has elapsed, I have felt no return whatever of the complaint.

I am, Sir, your obliged Servant,
 Oct. 8th, 1852. (Signed) W. MOON.

AN EXTRAORDINARY CURE OF DROPSY, AFTER SUFFERING FOR EIGHTEEN MONTHS.

Copy of a Letter from Mr. G. Briggs, Chemist, Goolle, Dated February 15th, 1853.

To Professor HOLLOWAY,

Sir,—I have much pleasure in informing you of a most surprising cure of Dropsy, recently effected by your valuable medicines. CAPTAIN JACKSON, of this place, was afflicted with Dropsy for upwards of eighteen months, to such an extent that it caused his body and limbs to be much swollen, and water oozed as it were from his skin, so that a daily change of apparel became necessary, notwithstanding the various remedies tried, and the different medical men consulted, all was of no avail, until he commenced using your Pills, by which, and a strict attention to the printed directions, he was effectually cured, and his health perfectly re-established. If you deem this worthy of publicity, you are at liberty to use it.

I am, Sir, yours respectfully,
 (Signed) G. BRIGGS.

The Life and Times of the Late

Duke of Wellington,

BY LIEUT. COL. WILLIAMS, (A COMPANION-IN-ARMS OF HIS GRACE.)

Comprising the Campaigns and Battle-Fields of Wellington and his Comrades, the Political Life of the Duke and his Contemporaries, and a detailed account of England's Battles by Sea and Land, from the commencement of the Great French Revolution to the present time, interspersed with Anecdotes, Personal Incidents, and Adventures, &c.

ADDRESS.

THE earthly career of Arthur Duke of Wellington has closed; one of the greatest men of the nineteenth century, the foremost military commander of any age, has paid the debt of nature. The time has now arrived for giving to the world a History of the Great Captain—of the Events of his Life and Time—a life marked by patriotism, probity, honor, and events the greatest which have ever agitated the civilized world, and whose influence will be felt upon society till the end of time. Such a work must appeal to the best and proudest feelings in the heart of every Briton—the glory of his country, the honor of its name and position among the nations—may his own existence as a freeman, are recorded and engraven in the annals of "the well-fought fields," and the "deadly imminent breaches," the immortal battles and the glorious sieges in which Wellington and his Companions-in-arms gathered unfading laurels, placed their country's honor and renown on the highest pinnacle of fame and glory, and tore the victor's wreath from the brows of heroes decorated with the trophies of Italy, Egypt, and Germany.

To supply such a desideratum in English literature the publishers of The Life and Times of the Duke of Wellington have determined to produce a book which shall present to the reader, not only the dry details which a mere biographical sketch would afford, but a comprehensive work, embracing the contemporaneous history of the period; exhibiting the circumstances which brought about the great events in which the Duke and his contemporaries were engaged, and giving to the reader a connected narrative of the lives and actions of the Warriors and Statesmen of the nineteenth century, and this from the pen of one who was a companion-in-arms of the great hero, and participated with him in many a well-fought field.

In order to carry out their views, the Publishers have determined that the work shall be profusely illustrated by Portraits of the Warriors and Statesmen of the last half century who have shed a lustre upon the history of their country, also representations of the most important engagements by sea and land, from the period of 1790 till 1852, so that the work, when finished, shall form an Illustrated Gallery of the Naval and Military Exploits of England.

It has been well said, "Character is the true strength of nations, true glory their best inheritance. When the time shall come that the British heart no longer thrills as the names of Cressy, Poitiers, Agincourt, Blenheim, Ramillies, Oudenarde, Malplaquet, of Talavera, Salamanca, Toulouse, Waterloo,—the last hour of the British Empire will have struck." The promotion and elevation of national spirit and feeling is therefore the duty and interest of every true and loyal son of England. May Heaven inspire the hearts of every one of us with that spirit and feel ng.

Conditions of Publication.—The work will be issued on the 1st and 15th of every month in Parts at 1s. 3d., and Divisions handsomely bound at 3s. 4d. 2d., Printed on Imperial 8vo. double columns, each part will be embellished by two highly finished steel engravings, and will contain 32 pages of letter-press. A beautiful steel Engraving, 13 by 19 inches, the Storming of Seringapatam, the first victory in which the late Duke of Wellington, was engaged in India, to be given to every subscriber to the work.
