

HEALTH FOR A SHILLING!

HOLLOWAY'S PILLS.

Extraordinary Cure of Loss of Health, Disordered Stomach, Indigestion and determination of Blood to the Head.

Copy of a Letter from Mr. John Lloyd, of Ercown, near Harlech, Merionethshire.

To Professor HOLLOWAY,

SIR—I avail myself of the first opportunity of informing you, that for a very long period I was afflicted with a dangerous giddiness and frequent swimings in the head, attended by loss of appetite, disordered stomach, and generally impaired health. Every means had failed to give me any permanent relief, and at length it became so alarming that I was really afraid of going about without an attendant. In this melancholy condition I waited personally upon Mr. Hughes, Chemist, Harlech, for the purpose of consulting him as to what I had better do; he kindly recommended your Pills, I tried them without delay, and after taking them for a short time am happy to bear testimony to their efficacy. I am now restored to perfect health, and enabled to resume my usual duties. You are at liberty to publish this letter in any way you may think proper.

I am, Sir, your obedient Servant,
(Signed) JOHN LLOYD.

MIRACULOUS CURE OF DROPSY.

Extract of a Letter from Edward Rowley, Esq., of Indu Walk, Tobago, dated April 8th, 1852.

To Professor HOLLOWAY,

DEAR SIR—I deem it a duty I owe to you and the public at large to inform you of a most miraculous recovery from that dreadful disease, Dropsy, and which, under God, was effected by your invaluable Pills. I was tapped five times within eight months, and skillfully treated by two medical practitioners, but could not get cured, until I had recourse to your remedy, and notwithstanding all I had undergone, this miraculous medicine cured me in the course of six weeks.

(Signed) EDWARD ROWLEY.

INFALLIBLE CURE OF A STOMACH COMPLAINT, WITH INDIGESTION AND VIOLENT HEAD-ACHES.

Extract of a Letter from Mr. S. Cowen, Chemist, of Clifton, near Bristol, dated July 14th, 1852.

To Professor HOLLOWAY:

DEAR SIR—I am requested by a Lady named Thomas, just arrived from the West Indies, to acquaint you that for a period of eight years, herself and family suffered from continual bad health, arising from disorders of the Liver and Stomach, Indigestion, loss of Appetite, violent Head-aches, pains in the side, weakness and general debility, for which she consulted the most eminent men in the colony, but without any beneficial result; at last she had recourse to your invaluable Pills which in a very short time effected so great a change for the better, that she continued them, and the whole family were restored to health and strength. Further she desires me to say, that she has witnessed their extraordinary virtues in those complaints incidental to children, particularly in cases of Measles and scarletina, having effected positive cures of these diseases with no other remedy.

(Signed) S. GOWEN.

A DANGEROUS LIVER COMPLAINT AND SPASMS IN THE STOMACH EFFECTUALLY CURED.

Copy of a Letter from Mr. Bostock, Druggist, of Fish-ton under Lyme, dated July 31, 1852.

To Professor HOLLOWAY:

DEAR SIR—I have much pleasure in handing to you a testimonial of the efficacy of your Medicines. A person in this neighborhood with whom I am well acquainted was afflicted for a long time with violent spasmodic pains in the stomach and liver, arising from frequent colds, smells of paint, and the effects of a stooping position which he was obliged to assume in his business. The spasms were of an alarming character, and frequently left him in a weak and debilitated condition. At length he heard of the salutary effects of your invaluable Pills, and was induced to give them a trial. The first dose gave him considerable relief, and by following them up in accordance with your directions, they have acted so wonderfully in cleansing the liver and stomach, and strengthening the digestive organs, that he has been restored to the enjoyment of good health. I remain, dear Sir, yours faithfully,

(Signed) WILLIAM BOSTOCK.

The Life and Times of the Late Duke of Wellington,

BY LIEUT. COL. WILLIAMS, (A COMPANION-IN-ARMS OF HIS GRACE.)

Comprising the Campaigns and Battle-Fields of Wellington and his Comrades, the Political Life of the Duke and his Contemporaries, and a detailed account of England's Battles by Sea and Land, from the commencement of the Great French Revolution to the present time, interspersed with Anecdotes, Personal Incidents, and Adventures, &c.

ADDRESS.

THE earthly career of Arthur Duke of Wellington has closed; one of the greatest men of the nineteenth century, the foremost military commander of any age, has paid the debt of nature. The time has now arrived for giving to the world a History of the Great Captain—of the Events of his Life and Time—a life marked by patriotism, probity, honor, and events the greatest which have ever agitated the civilized world, and whose influence will be felt upon society till the end of time. Such a work must appeal to the best and proudest feelings in the heart of every Briton—the glory of his country, the honor of its name and position among the nations—may his own existence as a freeman, are recorded and engraven in the annals of "the well-fought fields," and the "deadly imminent breaches," the immortal battles and the glorious sieges in which Wellington and his Companions-in-arms gathered unfading laurels placed their country's honor and renown on the highest pinnacle of fame and glory, and tore the victor's wreath from the brows of heroes decorated with the trophies of Italy, Egypt, and Germany. To supply such a desideratum in English literature the publishers of The Life and Times of the Duke of Wellington have determined to produce a book which shall present to the reader, not only the dry details which a mere biographical sketch would afford, but a comprehensive work, embracing the contemporaneous history of the period; exhibiting the circumstances which brought about the great events in which the Duke and his contemporaries were engaged, and giving to the reader a connected narrative of the lives and actions of the Warriors and Statesmen of the nineteenth century, and this from the pen of one who was a companion-in-arms of the great hero, and participated with him in many a well-fought field.

In order to carry out their views, the Publishers have determined that the work shall be profusely illustrated by Portraits of the Warriors and Statesmen of the last half century who have shed a lustre upon the history of their country, also representations of the most important engagements by sea and land, from the period of 1780 till 1852, so that the work, when finished, shall form an Illustrated Gallery of the Naval and Military Exploits of England.

It has been well said, "Character is the true strength of nations, true glory their best inheritance. When the time shall come that the British heart no longer thrills at the names of Cressy, Poitiers, Agincourt, Blenheim, Ramilies, Oudenarde, Malplaquet, of Talavera, Salamanca, Toulouse, Waterloo,—the last hour of the British Empire will have struck." The promotion and elevation of national spirit and feeling is therefore the duty and interest of every true and loyal son of England. May Heaven inspire the hearts of every one of us with that spirit and feeling.

Conditions of Publication.—The work will be issued on the 1st and 15th of every month in Parts at 1s. 3d., and Divisions handsomely bound at 2s. 4 1-2d., Printed on Imperial 8vo. double columns, each part will be embellished by two highly finished steel engravings, and will contain 32 pages of letter-press. A beautiful steel Engraving, 12 by 19 inches, the Storming of Seringapatam, the first victory in which the late Duke of Wellington was engaged in India, to be given to every subscriber to the work.
