

AYER'S PILLS,

A new and singularly successful remedy for the cure of all Bilious diseases—Costiveness, Indigestion, Jaundice, Dropsy, Rheumatism, Fevers, Gout, Hæmorrhoids, Nervousness, Irritability, Induration, Headache, Pains in the Breast, Side, Back, and Limbs, Female complaints, &c., &c. Indeed, very few are the diseases in which a Purgative Medicine is not more or less required, and much sickness and suffering might be prevented, if a harmless but effectual Cathartic were more freely used. No person can feel well while a costive habit of body prevails; besides it soon generates serious and often fatal diseases, which might have been avoided by the timely and judicious use of a good purgative. This is alike true of Colds, Feverish symptoms, and bilious derangements. They all tend to become or produce the deep seated and formidable disorders which load the bowels all over the land. Hence a reliable family physic is of the first importance to the public health, and this Pill has been perfected with consummate skill to meet that demand. An extensive trial of its virtues by Physicians, Professors, and Patients, has shown results surpassing anything hitherto known of any medicine. Cures have been effected beyond belief, were they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth.

Among the eminent gentlemen to whom we are allowed to refer for these facts, are

PROF. VALENTINE MORT, the distinguished Surgeon of New York City.

DOCT. A. A. HAYES, Practical Chemist of the Port of Boston, and Geologist for the State of Massachusetts.

IRA L. MOORE, M. D., an eminent Surgeon and Physician, of the City of Lowell, who has long used them in his extensive practice.

H. C. SOUTHWICK, Esq., one of the first merchants in New York City.

C. A. DAVIS, M. D., Supt. and Surgeon of the United States Marine Hospital, at Chelsea, Mass.

Did space permit, we could give many hundred such names, from all parts where the Pills have been used, but evidence even more convincing than the certificates of these eminent public men is shown in their effects upon trial.

These Pills, the result of long investigation and study, are offered to the public as the best and most complete which the present state of medical science can afford. They are compounded not of the drugs themselves, but of the medicinal virtues only of Vegetable remedies, extracted by chemical process, in a state of purity and combined together in such a manner as to insure the best results. This system of composition for medicines has been found in the Cherry Pectoral and Pills both, to produce a more efficient remedy than had hitherto been obtained by any process. The reason is perfectly obvious. While by the old mode of composition, every medicine is burdened with more or less of acrimony and injurious qualities; by this, each individual virtue only that is desired for the curative effect is present. All the inert and obnoxious qualities of each substance employed are left behind, the curative virtues only being retained. Hence it is self-evident the effect should prove as they have proved more pure, remedial, and the Pills a surer, more powerful antidote to disease than any other medicine known in the world.

As it is frequently expedient that my medicine should be taken under the counsel of an attending Physician, and as he could not properly judge of a remedy without knowing its composition, I have supplied the accurate formula by which both my Pectoral and Pills are made to the whole body of Practitioners in the United States and British American Provinces. If however there should be any one who has not received them, they will be promptly forwarded by mail to his address.

Of all the Patent Medicines that are offered, how few would be taken if their composition was known! Their life consists in their mystery. I have no secrets.

The composition of my preparations is laid open to all men, and all who are competent to judge on the subject, freely acknowledge their convictions of their intrinsic merits. The Cherry Pectoral was pronounced by scientific men to be a wonderful medicine before its effects were known. Many eminent Physicians have declared the same thing of my Pills, and even more confidently, and are willing to certify that their anticipations were more than realized by their effects upon trial.

They operate by their power to influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting wherever they exist such derangements as are the first origin of disease.

Being sugar wrapped they are pleasant to take, and being purely vegetable, no harm can arise from their use in any quantity.

For minute directions, see the wrapper on the Box.

JUDSON'S CHEMICAL EXTRACT OF

FOR THE CURE OF
Coughs, Colds, Hoarseness, Spitting of

Liver Complaints, and
CONSUMPTION.

DEATH

can be and has been prevented in thousands of cases by Nature's own remedy
JUDSON'S CHEMICAL EXTRACT OF

cherry and lungwort.

This medicine unlike most of the remedies of

the day is the result of the careful study and experiments of a scientific and experienced physician. The two principal ingredients have long been known and celebrated.

WILD CHERRY BARK.

When the strength of this is properly extracted it is the best medicine known for curing the worst coughs and other pulmonary diseases, it loosens the phlegm, and enables the sufferer to expectorate easily, and alone will cure the worst cold or cough, which if neglected always leads to Consumption.

LUNGWORT.

This is a plant the virtues of which are known to but few. It has been said by the most learned men of the times, that "nature has provided a remedy for each and every disease" and the discoveries that are daily made, go to prove its truth. Lungwort is doubtless the remedy designed by nature for Consumption. Its healing properties are truly wonderful, and the rapidity with which it cures the worst cases of ulcerated Lungs soothing and subduing all irritation, almost immediately, is a proof of its adaptation to the disease.

These two articles combined with other vegetable ingredients, form a medicine which is sure to cure the worst stages of Consumption if taken before the sufferer is entirely prostrated. Do not be discouraged a trial will do no harm but will convince the most sceptical of its real worth.

THOUSANDS OF CONSUMPTIVE

persons have been deceived repeatedly in buying medicines which were said to be infallible cures, but which have proved only palliatives, but this medicine is not only palliative but a cure of ulcerated lungs. It contains no deleterious Drugs and one trial will prove its astonishing efficacy better than any assertions or certificates in curing Consumption and all diseases of the Lungs and Liver, such as Spitting of Blood, coughs, Pain in the side and chest, night sweats, &c.

Caution.—To protect our own as well as the interest of the consumptive sufferer, we are obliged to caution all to find the signature of COMSTOCK & BROTHER on the wrapper, without this it will be a worthless counterfeit.

Azor's Oriental Turkish Wine.

The great remedy for general debility, weakness loss of appetite, dyspepsia, bilious diseases, a certain preventive of Fevers, &c. &c. This WINE is the most pleasant and effectual remedy for any of the above complaints, and for many others not mentioned, that has ever been discovered. It is so agreeable to the taste that any one taking it soon prefers it to any Wine, while its action on the stomach and bowels is prompt and efficient, cleansing them thoroughly, and thus, by keeping the organ in which the basis of the blood is formed, in a healthy and pure state, necessarily keeps the blood pure and healthful. It is a stimulant without reaction, unlike all alcoholic preparations, which leave the partaker in a state of prostration. THIS WINE sends a gentle and agreeable feeling through every nerve and its tonic properties are such that it will restore the weak and debilitated to their natural STRENGTH AND VIGOR. It is composed of the Pure Wine of many of the most tonic and rare Plants in the Materia Medica, the recipe for which was obtained from a celebrated Turkish "Hakim,"—Physician,—and one bottle is equal to ten of any Sarsaparilla or Blood Purifier ever before known. Then give this Oriental Wine a trial; it will speak for itself better than any recommendation or certificate; and he who tries it once will never be without it.

Caution.—Find the name of Comstock & Brother, and the Stamp of the Turkish Flag, on the label and cork of each bottle. WITHOUT this it cannot be genuine.

All orders should be addressed to COMSTOCK & BROTHER, No. 2 St. Peter's Place, New York.

DEAFNESS.

Use DR. LARZETTE'S ACOUSTIC OIL, for the cure of Deafness. Also all those disagreeable noises like the buzzing of insects, falling of water, whizzing of steam, which are symptoms of approaching deafness. Persons who have been deaf for twenty years, and were subject to use ear trumpets, have after using one bottle, been made well.

Caution.—All the above named articles are sold only by Comstock & Brother, 2 St. Peter's place, directly in rear of the Astor House, between Barclay and Vesey Streets, one block from the Broadway, New York, to whom all orders must be directed. Also by Wm. L. FERGUSON, Wm. T. BAIRD, and A. PAYSON, Woodstock. LOOMER & WOODWORTH, Upper Woodstock.

OXYGENATED BITTERS

have been a greater blessing to all classes and conditions of mankind than any medicine ever offered.

These truly remarkable results are due to the wonderful and peculiar Tonic virtues of this preparation, and not to any stimulating effect whatever. As the Stomach is the great laboratory of the system, and the Strength and Health of all the other organs depend upon its proper action, any derangement of its powers is more or less felt by the different functions. Hence, if we remove the cause, the various manifestations of weakness or disease will disappear—No Alcoholic Stimulant Can Permanently Strengthen A Weak Stomach; it can no more give Real Energy than a whip can give strength to a jaded horse.
