The Great Medical Necessity of the Age Supplied.

DOV'S ANTI-BILIOUS & FAMILY APERIENT PILLS!! A SAFE MEDICINE AND A SURE REMEDY IN ALL DISEASES OCCASIONED BY DERANGEMENT OF THE STOMACH, LIVER OR BOWELS.

THE Proprietor is quite aware of the prevalent distrust existing in this Province of every medicine which professes any general remedial efficacy, and he is not ignorant that even among those who believe in the efficacy of one or other of the many forms of Proprietary Medicines, now offered to the public in Europe and the United States, the introduction of a new one may be considered unnecessary.

Dr. Dow has been convinced by a close observation of the effects of the medicines just referred to, that such a Cathartic as he has designated is still a desideratum, and he has bestowed the most careful attention and extensive experiments in order that he might furnish to his profession and the world, a Remedial Agent at once safe and efficacious.

It has not escaped the attention of the proprietor of these Pills, in the extensive professional patronage which he has now enjoyed for some time past in New Brunswick, that the effects of particular medicines on particular diseases, are very seriously modified by the climate, and habits of the people of the country, and he is convinced from personal observation that medical treatment to be safe and effectual, must be accommodated to these peculiarities.

ANTI-BILIOUS & FAMILY APERIENT!! Dr. Dow no more hesitates, [after the testimony which has been afforded in his own practice] to claim for these Pills an entire superiority over all now in use, than to deprecate the idea of recommending them as possessing any miraculous power or life giving virtue.

Dr. Dow therefore unhesitatingly presents these Pills to the public as a reliable FAMILY PHYSIC, well and carefully tested, and appealing to the general confidence by its past effects in a course of practice, in which for the last year from

200 to 300 have been administered daily! These Pills will be found safe in their operation, sure in their effects, and beneficial in all the diseases to which they profess to be adapted, viz:—

- Dyspepsia, Indigestion, Sick or Nervous Head-ache, Palpitation of the Heart, Heart Burn, Sickness or Weakness at the Pit of the Stomach, Jaundice, Impurity of the Blood, Pain in the side, Derangement of the Liver, disordered state of the Bowels, Costiveness, Piles, &c. &c.

As a preventative of Seasickness, these Pills will be found invaluable. None genuine without the Fac-Simile signature of H. DOW, M. D.

Full directions accompany each Box:— CHALMERS & HUNT, King St. St. John, and Union St. Fredericton, Sole General Agents. W. L. FERGUSON, Agent for Woodstock. For sale by W. Sawyer, Upper Woodstock, and S. F. Grosvenor, Eel River. March 18.
