The Secret Infirmities of Youth and Maturity.

Just Published, Price 2s. stg., free by post from the Author only for 30 Stamps.

NERVOUS DEBILITY: its Causes, Symptoms, and Cure: an Essay on Spermatorrhoea, with Practical Observations on a safer and more successful mode of treatment of the Diseases of the Generative System, obtained by the use of the Microscope in detecting and distinguishing, by Urinary Examination, the real cause and effect of every variety of Complaint, whether arising from solitary habits, excesses, accident, or climate—to which are added Commentaries on the Physiology of Marriage, with precautionary hints on the evils emanating from empirical practice, and on the dangerous remedies advocated by various writers on these important disorders.

BY S. LA'MEET, M. D., 37 BEDFORD SQUARE LONDON, M.D., Matriculated Member of the University of Edinburgh, Honorary Member of the London Hospital Medical Society, Licentiate of Apothecaries' Hall, London, &c., &c.

The essential object of this treatise is to point out the fearful consequences resulting from certain habits, irregularities and excesses, which have produced more misery in Youth, degradation in Manhood, and premature decay at all stages of Life, than, perhaps, any other class of disease known to modern pathologists. Its perusal is particularly recommended to persons entertaining secret doubts of their physical condition, and who are conscious of having hazarded the health, happiness, and privileges to which every human being is entitled.

It is absolutely necessary that all men should know that there are principles of personal management which cannot be violated without incurring grievous penalties, and when wisdom and regret succeed the heyday of inconsiderate self-indulgence, how these penalties may be mitigated—how the sting of their bitterness may be removed, and the evil and its consequences may be avoided.

above all, that there is scarcely any degree of physical infirmity or functional derangement to which the timely aid of science cannot apply a cure.

The work may be had in St. John, N. B., of Messrs. H. Clubb & Co. Price 2s. stg. Jan. 26, '55.

For Restoring, Preserving, and Beautifying the Hair.

MUCH might be said in favor of this invaluable Compound, but it is deemed unnecessary, as the proprietor feels that one trial will convince the most incredulous of its rare and manifold virtues.

If you have lost your hair and wish to restore it, If you are losing your hair and wish to preserve it, If you are troubled with Dandruff and wish to remove it, If you have any Humor of the Scalp, & wish to cure it, If you are troubled with Nervous Headache, and wish to cure it,

If you have Hair Eaters at the roots of the hair, and wish to destroy them, If you have harsh, dry, and wiry hair, and wish it to become soft, pliable, and beautiful as silk; and if you wish to preserve rich, graceful, and luxuriant tresses to the latest period of life,

GRAND SUCCESS OF DR. HAMPTON'S VEGETABLE TINCTURE, IN THE SOUTH AND WEST.

Over Two Millions Bottles Sold! Read the following case of Rheumatism, Cough and Vertigo of 15 years standing.

From the Baltimore Sun.) Stronger! Still Stronger!!

Can any unprejudiced mind in the world ask stronger testimony, or more convincing proof of the great restorative and curative powers of Hampton's Vegetable Tincture than given below. The writer is one of our most highly esteemed citizens, a man of integrity, and it is extensively known, has been for a long time suffering under disease; his altered appearance now is a subject of remark, and gives additional testimony and weight to the certificate below. He is also the son of Dr. Dunar, whose great skill as a physician is well known to most of the oldest inhabitants of this city.

BALTIMORE, February 9th, 1853. Messrs. MORTIMER & MOWBRAY: Gentlemen:—It is with real pleasure that I am able to attend to the general healing and curative powers of Doctor Hampton's Vegetable Tincture. Some time during last November I was taken with a very bad and serious Cough. I was advised to take Cod Liver Oil, and did so, but getting no better, I was induced to try your Tincture. I got one bottle, and before I had used it all my cough left me. Permit me also to state, that for the last fifteen years I have suffered very much from Acute Rheumatism and Vertigo, confining me at times to my bed. I am truly convinced that I owe my present good health to the use of the Tincture and a kind Providence.

You are, my friends, at liberty to use this as you think proper, and believe me Yours, very respectfully, G. DUNAN.

N. B.—I can be seen at any time at the Mayor's Office. MORTIMER & MOWBRAY, Proprietors, Baltimore. D. TAYLOR, Jr., & Co., 25 Hanover street, Boston, General Agent, to whom all orders must be addressed.

The Great Medical Necessity of the Age Supplied.

BY DOW'S ANTI-BILIOUS & FAMILY APERIENT PILLS!! A SAFE MEDICINE AND A SURE REMEDY IN ALL DISEASES OCCASIONED BY DERANGEMENT OF THE STOMACH, LIVER OR BOWELS.

THE Proprietor is quite aware of the prevalent distrust existing in this Province of every medicine which professes any general remedial efficacy, and he is not ignorant that even among those who believe in the efficacy of one or other of the many forms of Proprietary Medicines, now offered to the public in Europe and the United States, the introduction of a new one may be considered unnecessary. He therefore feels it due, alike to himself and the public, frankly to state his reasons for offering this medicine, and the grounds of his conviction that it will be found serviceable in the large class of cases for the treatment of which it is recommended.

The practitioners of medicine in every country, have found it desirable and necessary to possess a safe and effectual CATHARTIC, available at all times, and applicable in all the extensive and constantly recurring diseases in which a specific action upon the Stomach and Bowels is required, and the proprietor is perfectly familiar with the formula of all the most famous medicines employed for this purpose in the Colleges and Hospitals of Europe and America, and adopted in the medical practice of this Province.

Dr. Dow has been convinced by a close observation of the effects of the medicines just referred to, that such a cathartic as he has designated is still a desideratum, and he has bestowed the most careful attention and extensive experiments in order that he might furnish to his profession and the world, a Remedial Agent at once safe and efficacious.

It has not escaped the attention of the proprietor of these Pills, in the extensive professional patronage which he has now enjoyed for some time past in New Brunswick, that the effects of particular medicines on particular diseases, are very seriously modified by the climate, and habits of the people of the country, and he is convinced from personal observation that medical treatment to be safe and effectual, must be accommodated to these peculiarities.

His original formula for these pills although justified by science and experiments, has been modified from time to time by the proprietor to suit the peculiarities to which he has alluded, and he now offers them to the people of North America as the best and safest.

ANTI-BILIOUS & FAMILY APERIENT!

Dr. Dow no more hesitates, [after the testimony which has been afforded in his own practice,] to claim for these pills an entire superiority over all now in use, than to deprecate the idea of recommending them as possessing any miraculous power or life giving virtue. He would as particularly and emphatically warn the public that it is in a special class of diseases, and only in a special class that his Pills will be found specific, as he will confidently assert that their perfect efficacy in the class of diseases has been demonstrated by an extensive administration and a uniform success.

Dr. Dow therefore unhesitatingly presents these Pills to the public as a reliable FAMILY PHYSIC, well and carefully tested, and appealing to the general confidence by its past effects in a course of practice, in which for the last year from 200 to 300 have been administered daily!

These Pills will be found safe in their operation, sure in their effects, and beneficial in all the diseases to which they profess to be adapted, viz: Dyspepsia, Indigestion, Sick or Nervous Headache, Palpitation of the Heart, Heart Burn, Sickness or Weakness at the Pit of the Stomach, Jaundice, Impurity of the Blood, Pain in the side, Derangement of the Liver, disordered state of the Bowels, Costiveness, Piles, &c. &c.

As a preventative of Sea sickness, these Pills will be found invaluable. None genuine without the Fac-Simile signature of H. DOW, M. D. Full directions accompany each Box.
