ANOTHER INSTANCE OF TAPE WORM CURED BY THE USE OF

Dr. McLane's Celebrated Vermifuge, New York, October 15, 1852.

This is to certify that I was troubled with a tape worm for more than six months. I tried all the known remedies for this dreadful affliction, but without being able to destroy it. I got one of Dr. McLane's Almanacs, which contained notices of several wonderful cures that had been performed by his celebrated Vermifuge. I resolved to try it; and immediately purchased a bottle, which I took according to directions; and the result was I discharged one large tape worm, measuring more than a yard, besides a number of small ones.

MRS. M. SCOTT, No 70 Cannon street, P.S. The above valuable remedy, also Dr. McLane's Celebrated Vermifuge, can now be had at all respectable Drug Stores in this city.

Purchasers will please be careful to ask for, and take none but Dr. McLane's Vermifuge. All others, in comparison, are worthless. Sold in Woodstock, by Wm. T. Baird.

Holloway's Ointment—A Miraculous Cure of Ulcerous Sores.—Augustus Cook, a compositor, of Cape Town, Cape of Good Hope, was afflicted for a long time with scrofulous sores on his arms and legs, his case in the end became so desperate, that it appeared evident he must forsake his employment. A friend, however, persuaded him to use Holloway's Ointment, and to take the Pills according to the printed directions, which he did. After a short time, he found himself considerably better and by persevering with these remedies, in a few weeks he was completely cured, and is now able to work with renewed vigour.
