## THE RENOWNED REMEDY!

## HOLLOWAY'S OINTMENT.

A MOST ASTONISHING CURE OF SCROFULOUS  
ULCERS.—A CASE CERTIFIED BY  
THE MAYOR OF BOSTON.

Copy of a Letter from J. Noble, Esq., Mayor of Boston,  
Lincolnshire.

To Professor HOLLOWAY:  
Dear Sir,—Mrs. Sarah Dixon of Liquorpond Street,  
Boston, has this day deposed before me that for a consid-  
erable period she was severely afflicted with Scrofulous  
Sores and Ulcers in her arms, feet, legs, and other parts  
of her body; and although the first of medical advice was  
obtained, at the cost of a large sum of money, she obtained  
no abatement of suffering, but gradually grew worse.

Being recommended by a friend to try your Ointment  
she procured a small pot, and a box of the Pills, and before  
that was all used, symptoms of amendment appeared. Be-  
persevering with the medicines for a short time longer  
according to the directions, and strictly adhering to your  
rules as to diet, &c., she was perfectly cured, and now en-  
joys the best of health.

I remain, Dear Sir, yours truly,  
Dated August 12th, 1852. (Signed) J. NOBLE.  
AN EXTRAORDINARY AND RAPID CURE OF  
ERYSIPELAS IN THE LEG, AFTER MEDICAL  
AID HAD FAILED.

Copy of a Letter from Mrs. Elizabeth Yeates, of the Post  
Office, Aldwick Road, near Bognor, Sussex, dated Jan.  
12th, 1853.

To Professor HOLLOWAY:  
SIR,—I suffered for a considerable period from a se-  
vere attack of Erysipelas, which at length settled in my  
leg, and resisted all medical treatment. My sufferings  
were very great, and I quite despaired of any permanent  
amendment, when I was advised to have recourse to your  
Ointment and Pills. I did so without delay, and am happy  
to say the result was eminently successful, for they effect-  
ed a radical cure of my leg and restored me to the enjoy-  
ment of health. I shall ever speak with the utmost con-  
fidence of your medicines, and have recommended them to  
others in this neighborhood similarly afflicted, who derived  
equal benefit.

I am, Sir, your obliged and faithful Servant,  
(Signed) ELIZABETH YATES.  
A DREADFULLY DISEASED ANCLE CURED AF-  
TER BEING GIVEN UP BY THE FACULTY,  
AT MALTA AND PORTSMOUTH  
HOSPITALS.

The following important communication has been forward-  
ed to Professor Holloway for publication, by Mr. B. Dixon,  
Chenist, King-street, Norwich.

Copy of a Letter from Captain Smith, of Great Yarmouth  
dated Jan. 19th, 1853.

To Mr. DIXON,  
Dear Sir,—I send you the particulars of a cure effected  
by Professor Holloway's invaluable medicines.—Mr. John  
Walton, late in Her Majesty's Service, in the British Fleet  
at Malta, had a very bad ulcerated ancle, and after having  
been in the Malta Hospital for six months, was sent to  
England as an invalid to Portsmouth Hospital, where he  
remained an inmate four months, there, as at Malta, refus-  
ing to have the limb amputated, he was turned out incurable.  
He then came to Yarmouth, and was under a medical  
gentleman for about three months, but his ancle became  
so much worse that all hope was lost. At this period, by  
my advice, he tried Holloway's Ointment and Pills, which  
by unremitting application, healed all the ulcers, and restor-  
ed him to perfect health and strength.

I remain, Dear Sir, yours very truly,  
(Signed) JOHN SMITH.  
Albert Hotel, Great Yarmouth.

**SURPRISING CURE OF A BAD EREAST, NERVOUS  
DEBILITY, AND GENERAL ILL HEALTH.**

Copy of a Letter from Mr. T. F. Ker, Chemist, &c., Lower  
Moss-lane, Manchester, dated Feb. 12th, 1853.

To PROFESSOR HOLLOWAY,  
Dear Sir,—I have great pleasure in forwarding to you the  
particulars of a very extraordinary cure of a bad breast,  
effected solely by use of your celebrated Ointment and  
Pills. Mrs. Martha Bell, of Pitt-street, in this Town, had  
been for a considerable time laboring under nervous debil-  
ity, loss of appetite, and general ill health, occasioned by  
ulcerated wounds in the breast. She had had much expen-  
diture in the use of all the known remedies for the cure  
of ulcers, but without any beneficial result, in fact she had  
nearly lost all faith and hope of a cure being effected. In  
this distressing and painful condition of body and mind, she  
was persuaded to have recourse to your invaluable  
Ointment and Pills, which she immediately did, and in the  
course of a very short time the effect produced was most  
astonishing; her appetite was speedily improved the sores  
and ulcers in the breast gradually healed, and the nervous  
excitement of her system was wholly removed.

I remain, Dear Sir, yours faithfully,  
(Signed) T. FORSTER KER.

**DOW'S**  
**ANTI-BILIOUS & FAMILY APERIENT**  
**PILLS!!**

A SAFE MEDICINE AND A SURE REMEDY IN  
ALL DISEASES OCCASIONED BY DERANGE-  
MENT OF THE STOMACH, LIVER OR  
BOWELS.

**THE** Proprietor is quite aware of the prevalent distrust  
existing in this Province of every medicine which  
professes any general remedial efficacy, and he is not  
ignorant that even among those who believe in the efficacy  
of one or other of the many forms of Proprietary Medi-  
cines, now offered to the public in Europe and the United  
States, the introduction of a new one may be considered  
unnecessary. He therefore feels it due, alike to himself  
and the public, frankly to state his reasons for offering this  
medicine, and the grounds of his conviction that it will be  
found serviceable in the large class of cases for the treat-  
ment of which it is recommended.

The practitioners of medicine in every country, have  
found it desirable and necessary to possess a safe and ef-  
fectual CATHARTIC, available at all times, and applica-  
ble in all the extensive and constantly recurring diseases  
in which a specific action upon the Stomach and Bowels  
is required, and the proprietor is perfectly familiar with  
the formula of all the most famous medicines employed  
for this purpose in the Colleges and Hospitals of Europe  
and America and adopted in the medical practice of this  
Province.

Dr. Dow has been convinced by a close observation of  
the effects of the medicines just referred to, that such a  
cathartic as he has designated is still a desideratum, and  
he has bestowed the most careful attention and extensive  
experiments in order that he might furnish to his profes-  
sion and the world, a Remedial Agent at once safe and effi-  
cacious.

It has not escaped the attention of the proprietor of  
these Pills, in the extensive professional patronage which  
he has now enjoyed for some time past in New Brunswick,  
that the effects of particular medicines on particular dis-  
eases, are very seriously modified by the climate, and hab-  
its of the people of the country, and he is convinced from  
personal observation that medical treatment to be safe and  
effective, must be accommodated to these peculiarities.  
His original formula for these pills although justified by  
science and experiments, has been modified from time to  
time by the proprietor to suit the peculiarities to which he  
has alluded, and he now offers them to the people of North  
America as the best and safest.

**ANTI-BILIOUS & FAMILY APERIENT!**

Dr. Dow no more hesitates, [after the testimony which  
has been afforded in his own practice.] to claim for these  
pills an entire superiority over all now in use, than to de-  
precate the idea of recommending them as possessing any  
miraculous power or life giving virtue. He would as par-  
ticularly and emphatically warn the public that it is in a  
special class of diseases, and only in a special class that his  
Pills will be found specific, as he will confidently assert  
that their perfect efficacy in the class of diseases has been  
demonstrated by an extensive administration and a uniform  
success.

Dr. Dow therefore unhesitatingly presents these Pills to  
the public as a reliable

**FAMILY PHYSIC,**  
well and carefully tested, and appealing to the general  
confidence by its past effects in a course of practice, in  
which for the last year from

200 to 300 have been administered daily!

These Pills will be found safe in their operation, sure  
in their effects, and beneficial in all the diseases to which  
they profess to be adapted, viz:

Dyspepsia, Indigestion, Sick or Nervous Head-  
ache, Palpitation of the Heart, Heart Burn,  
Sickness or Weakness at the Pit of the  
Stomach, Jaundice, Impurity of the  
Blood, Pain in the side, De-  
rangement of the Liver, dis-  
ordered state of the Bo-  
wels, Costiveness,  
Piles, &c. &c.

As a preventative of Sea sickness, these Pills will be found  
invaluable.
