## PLEASE TAKE NOTICE.

THE Subscriber, while she gratefully acknowledges that a number of individuals have kindly and promptly responded to her request in paying their arrears for the "Carleton Sentinel" up to August, 1854, has to regret that many have paid no attention to the justice of her claims. She is not disposed to censure harshly—for she can hardly think that her late husband had a single subscriber who would wish to wrong his widow or her fatherless children. She knows by experience that times are hard, and that it is difficult to realize money. But surely, now that returns from Timber are being made, she may look with confidence for a final settlement of all such arrears. They are small, it is true, but they would be of very great assistance in supporting her little family during the present trying season. She therefore, most respectfully urges that all such arrears may be arranged on or before the 1st of August next, ensuing.

Mrs. PARSONS, at the "Sentinel Office," will give such information as may be necessary relative to the amounts which I claim.

## FRIEND OF THE CANADIAN. HOLLOWAY'S PILLS.

## EXTRAORDINARY CURE OF ASTHMA!

OF AN OLD LADY SEVENTY-FIVE YEARS OF AGE. Copy of a Letter from Mr. Thomas Weston, (Book Store) Toronto, dated the 9th October, 1854.

To Professor HOLLOWAY, Sir,—Gratitude compels me to make known to you the extraordinary benefit an aged parent has derived from the use of your Pills. My mother was afflicted for upwards of four and twenty years with Asthma and spitting of blood, it was quite agony to see her suffer and hear her cough; I have often declared that I would give all I possessed to have cured her; but although I paid a large sum for medicine and advice, it was all to no purpose. About three months ago, I thought perhaps your Pills might benefit her, at all events I resolved to give them a trial, which I did; the result was marvellous: by slow degrees my mother became better, and after persevering with your remedies for nine weeks, she was perfectly cured, and now enjoys the best of health, although seventy five years old.

I remain, Sir, your obliged

(Signed) THOMAS WESTON.

## REMARKABLE CURE OF DROPSY!

AFTER BEING TAPPED THREE TIMES. Copy of a Letter from Anthony Smith, Esq., Halifax, Nova Scotia, dated the 25th August, 1854.

To Professor HOLLOWAY, Sir,—I desire to add my testimony to the value of your Pills, in cases of Dropsy. For nine months I suffered the greatest torture with this distressing complaint, was tapped three times, and finally given over by the doctors; having become in appearance as a skeleton, and with no more strength in me than a child just born. It was then that I thought of trying your Pills, and immediately sent for a quantity, and commenced using them. The result I can scarcely credit even now, although true it is. After using them for four weeks, I felt much better, and by persevering with them, at the expiration of two months I was completely cured. I have since enjoyed the best of health.

I am, Sir, yours sincerely,

(Signed) ANTHONY SMITH.

## ASTONISHING CURE OF GENERAL DEBILITY AND LIVER COMPLAINT.

Copy of a Letter from Mr. William Reeves, of Charlotte-town, Prince Edwards Island, dated the 17th Nov., 1854.

To Professor HOLLOWAY, Sir,—I am happy to say that your Pills have restored me to health after suffering for nine years from the most intense general debility and languor, my liver and bowels were also much deranged for the whole of that time. I tried many medicines, but they were of no good to me, until I had recourse to your Pills, by taking which, and following the printed directions for seven weeks, I was cured, after every other means failed, to the astonishment of my neighbors, acquaintances and friends. I shall ever feel grateful to you for this astonishing restoration to health, and will recommend your Pills to all sufferers, feeling it my duty to do so.

I remain, Sir, your humble servant,

(Signed) WILLIAM REEVES.
