Mexican Mustang Liniment.

This medicine has been thoroughly introduced, and is now universally used throughout the entire Union; British Provinces, Canada, Bermuda, and West India Islands; and its power and influence is fast becoming felt wherever civilization has obtained a foothold. Its mild and soothing influence upon diseased parts—effectually curing in all cases—virtues so diametrically opposed to all other medicines of the kind used—has obtained for it its world wide reputation. A brief summary of its power is given in the following beautiful

ACROSTIC.

Mustang liniment! The mass hails with joy
Earth's healing treasure, whose virtues destroy
Xeraxis, that foe to luxuriant hair;
Itch, that the finger nails hopelessly tear;
Cancers, whose gnawings so fearfully tell,
Acute Rheumatism and Chronic as well;
Neuralgia, Toothache, that agony swell!
Mustang—thy progress is upward and on!
Ulcers yield to thee like a dew to the sun.
Scrofulous sores that the doctors perplex;
Tumors of all kinds that bother and vex;
Aches, Cuts, and Bruises, and vile running sores,
Nuisances—keeping us locked within doors;
Gout, palsied limbs and a host of such bores.
Lame stricken cripples are raised on their legs,
In joy, quaffing pleasure's bright cup to the dregs,
Nature's great remedy—on with thy work!
Inflammations expelling wherever they lurk,
Men, women, and cattle, like evils must bear,
Each one in like manner this blessing can share.
Next thing we say—though the truth may sound strange
That if we don't cure—we give back the charge.

To Country Merchants.

TO FARMERS & LIVELY STABLE KEEPERS AND all who have the care of Horses or other animals, this LINIMENT is of immense benefit. All the Express Companies of New York City are using it, and have unanimously certified in its favor. Proof documents at our office.

Every store should be supplied with this valuable LINIMENT, as it pays a good profit, and sells rapidly. Sold in Woodstock by **W. L. FERGUSON**
