Mexican Mustang Liniment.

This article has been thoroughly introduced, and is now universally used throughout the entire Union, British Provinces, Canada, Bermuda, and West India Islands; and its power and influence is fast becoming felt wherever civilization has obtained a foothold. Its mild and soothing influence upon diseased parts—effectually curing in all cases—virtues so diametrically opposed to all other medicines of the kind used—has obtained for it a world wide reputation. A brief summary of its power is given in the following beautiful

ACROSTIC.

Mustang liniment! The mass hails with joy Earth's healing treasure, whose virtues destroy Xerxes, that foe to luxuriant hair; Itch, that the finger nails hopelessly tear; Cancers, whose gnawing so fearfully tell; Acute Rheumatism and Chronic as well; Auricular, Toothache, that agony swell! Mustang—thy progress is upward and on! Kneers yield to thee like a dew to the sun. Scrophulous sores that the doctors perplex; Tumors of all kinds that bother and vex; Aches, Cuts, and Bruises, and vils running sores,—Nourishes—keeping us locked within do re; Gout, pained limbs and a host of such ills. Lame stricken cripples are raised on their legs, In joy, quaffing pleasure's bright cup to the dregs, Nature's great remedy—on with thy work! Indications aspeking wherever they lurk. Men, women, and cattle, like evils must bear. Each one in like manner this blessing can share. Next thing we say—though the truth may sound strange That if we don't cure—we give back the change. TO FARMERS & LIVELY STABLE KEEPERS AND all who have the care of Horses or other animals, this LINIMENT is of immense benefit. All the Express Companies of New York City are using it, and have unanimously certified in its favor. Proof documents at our

Condition Powders.

FOR THE PREVENTION AND CURE OF Horse-ail, and other diseases incidental to Animals. A fresh supply just prepared—WILLIAM T. BAIRD, Woodstock, Feb. 26th 1854.

The Great Medical Necessity of the Age Supplied

BY DOW'S ANTI-BILIOUS & FAMILY APERIENT PILLS!! A SAFE MEDICINE AND A SURE REMEDY IN ALL DISEASES OCCASIONED BY DERANGEMENT OF THE STOMACH, LIVER OR BOWELS.

THE Proprietor is quite aware of the prevalent distrust existing in this Province of every medicine, which professes any general remedial efficacy, and he is not ignorant that even among those who believe in the efficacy of one or other of the many forms of Proprietary Medicines, now offered to the public in Europe and the United States, the introduction of a new one may be considered unnecessary. He therefore feels it due, alike to himself and the public, frankly to state his reasons for offering this medicine, and the grounds of his conviction that it will be found serviceable in the large class of cases for the treatment of which it is recommended.

The practitioners of medicine in every country, have found it desirable and necessary to possess a safe and effectual CATHARTIC, available at all times, and applicable in all the extensive and constantly recurring diseases in which a specific action upon the Stomach and Bowels is required, and the proprietor is perfectly familiar with the formula of all the most famous medicines employed for this purpose in the Colleges and Hospitals of Europe and America and adopted in the medical practice of this Province.

Dr. Dow has been convinced by a close observation of the effects of the medicines just referred to, that such a cathartic as he has designated is still a desideratum, and he has bestowed the most careful attention and extensive experiments in order that he might furnish to his profession and the world, a Remedial Agent at once safe and efficacious.

It has not escaped the attention of the proprietor of these Pills, in the extensive professional patronage which he has now enjoyed for some time past in New Brunswick, that the effects of particular medicines on particular diseases, are very seriously modified by the climate, and habits of the people of the country, and he is convinced from personal observation that medical treatment to be safe and effectual, must be accommodated to these peculiarities.

His original formula for these pills although justified by science and experiments, has been modified from time to time by the proprietor to suit the peculiarities to which he has alluded, and he now offers them to the people of North America as the best and safest.

ANTI-BILIOUS & FAMILY APERIENT!

DR. Dow no more hesitates, [after the testimony which has been afforded in his own practice] to claim for these pills an entire superiority over all now in use, than to depreciate the idea of recommending them as possessing any miraculous power or life giving virtue. He would as particularly and emphatically warn the public that it is in a special class of diseases, and only in a special class that his Pills will be found specific, as he will confidently assert that their perfect efficacy in the class of diseases has been demonstrated by an extensive administration and a uniform success.

Dr. Dow therefore unhesitatingly presents these Pills to the public as a reliable

FAMILY PHYSIC,

well and carefully tested, and appealing to the general confidence by its past effects in a course of practice, in which for the last year from

200 to 300 have been administered daily!

These Pills will be found safe in their operation, sure in their effects, and beneficial in all the diseases to which they profess to be adapted, viz:

- Dyspepsia, Indigestion, Sick or Nervous Headache, Palpitation of the Heart, Heart Burn, Sickness or Weakness at the Pit of the Stomach, Jaundice, Impurity of the Blood, Pain in the side, Derangement of the Liver, Disordered state of the Bowels, Costiveness, Piles, &c. &c.

As a preventative of Sea sickness, these Pills will be found invaluable.
