### GRAND SUCCESS OF

### DR. HAMPTON'S

### VEGETABLE TINCTURE,

IN THE SOUTH AND WEST.

Over Two Millions Bottles Sold!

Read the following case of Rheumatism, Cough and Vertigo of 15 years standing.

From the Baltimore Sun.)

### Stronger! Still Stronger!!

Can any unprejudiced mind in the world ask stronger testimony, or more convincing proof of the great restorative and curative powers of Hampton's Vegetable Tincture than given below. The writer is one of our most highly esteemed citizens, a man of integrity, and it is extensively known, has been for a long time suffering under disease; his altered appearance now is a subject of remark, and gives additional testimony and weight to the certificate below. He is also the son of Dr. Dunar, whose great skill as a physician is well known to most of the oldest inhabitants of this city:

BALTIMORE, February 9th, 1853.

Messrs. MORTIMER & MOWBRAY: Gentlemen:—It is with real pleasure that I am able to attend to the general healing and curative powers of Doctor Hampton's Vegetable Tincture. Some time during last November I was taken with a very bad and serious Cough. I was advised to take Cod Liver Oil, and did so, but getting no better, I was induced to try your Tincture. I got one bottle, and before I had used it all my cough left me. Permit me also to state, that for the last fifteen years I have suffered very much from Acute Rheumatism and Vertigo, confining me at times to my bed. I am truly convinced that I owe my present good health to the use of the Tincture and a kind Providence.

You are, my friends, at liberty to use this as you think proper, and believe me

Yours, very respectfully,

G. DUNAR.

N. B.—I can be seen at any time at the Mayor's Office.
