Wanted!

500 CORDS OF BARK!

TO be delivered at the Establishment of the Subscribers, at the Lower Corner, for which the following prices will be paid, viz:—For all delivered before the first of October next, 17s. 6d. After, by sledging, 15s. per cord. The Bark in all cases to be well saved, and in good condition or not received.

Directions for curing Bark—When Peeled in dry weather to be turned the flesh or inner side to the sun during the day and turned over at night, in two days it will be cured sufficient to be piled or yarded. If the weather is wet it should be stooked with the roas side to the weather and covered with sheets that are whole to protect it from the wet, it should remain so for two or three fine days, after which it may be piled or hauled together. The piles intended to remain until hauled to us, should be at least six feet high and higher if convenient.

Care should be taken to reserve the whole and wide sheets for placing on the top, as much Bark is spoiled by neglecting this necessary precaution.

Cash, or Boots, Shoes, or Leather given in exchange.
S. PARSONS & SON.

COTTON CORDAGE.

THE Undersigned are the exclusive importers of this new and useful article, now coming into general use in the United States and neighboring Provinces for Running Rigging, Tackle Falls, Reef Points, Wheel Ropes, Bed Cords, Clothes Lines, and Warps; it is much better adapted for any of those purposes, where lightness, flexibility, durability, and strength are requisite, than any article, now in use. The Manufacturers guarantee it to be much lighter, equally strong, and serviceable as Manila at the same cost. Where worn out old junk can be sold for one-third the original cost.
