## PILLS!!

A SAFE MEDICINE AND A SURE REMEDY IN  
 ALL DISEASES OCCASIONED BY DERANGE-  
 MENT OF THE STOMACH, LIVER OR  
 BOWELS.

**T**HE Proprietor is quite aware of the prevalent distrust  
 existing in this Province of every medicine which  
 professes any general remedial efficacy, and he is not  
 ignorant that even among those who believe in the efficacy  
 of one or other of the many forms of Proprietary Medi-  
 cines, now offered to the public in Europe and the United  
 States, the introduction of a new one may be considered  
 unnecessary. He therefore feels it due, alike to himself  
 and the public, frankly to state his reasons for offering this  
 medicine, and the grounds of his conviction that it will be  
 found serviceable in the large class of cases for the treat-  
 ment of which it is recommended.

The practitioners of medicine in every country, have  
 found it desirable and necessary to possess a safe and ef-  
 fectual CATHARTIC, available at all times, and applica-  
 ble in all the extensive and constantly recurring diseases  
 in which a specific action upon the Stomach and Bowels  
 is required, and the proprietor is perfectly familiar with  
 the formula of all the most famous medicines employed  
 for this purpose in the Colleges and Hospitals of Europe  
 and America and adopted in the medical practice of this  
 Province.

Dr. Dow has been convinced by a close observation of  
 the effects of the medicines just referred to, that such a  
 cathartic as he has assigned is still a desideratum, and  
 he has bestowed the most careful attention and extensive  
 experiments in order that he might furnish to his profes-  
 sion and the world, a Remedial Agent at once safe and ef-  
 ficacious.

It has not escaped the attention of the proprietor of  
 these Pills, in the extensive professional patronage which  
 he has now enjoyed for some time past in New Brunswick,  
 that the effects of particular medicines on particular dis-  
 eases, are very seriously modified by the climate, and hab-  
 its of the people of the country, and he is convinced from  
 personal observation that medical treatment to be safe and  
 effectual, must be accommodated to these peculiarities.

His original formula for these pills although justified by  
 science and experiments, has been modified from time to  
 time by the proprietor to suit the peculiarities to which he  
 has alluded, and he now offers them to the people of North  
 America as the best and safest

## ANTI-BILIOUS & FAMILY APERIENT!

Dr. Dow no more hesitates, [after the testimony which  
 has been afforded in his own practice,] to claim for these  
 pills an entire superiority over all now in use, than to de-  
 preciate the idea of recommending them as possessing any  
 miraculous power or life giving virtue. He would as par-  
 ticularly and emphatically warn the public that it is in a  
 special class of diseases, and only in a special class that his  
 Pills will be found specific, as he will confidently assert  
 that their perfect efficacy in the class of diseases has been  
 demonstrated by an extensive administration and a uniform  
 success.

Dr. Dow therefore unhesitatingly presents these Pills to  
 the public as a reliable

## FAMILY PHYSIC,

well and carefully tested, and appealing to the general  
 confidence by its past effects in a course of practice, in  
 which for the last year from

200 to 300 have been administered daily!

These Pills will be found safe in their operation, sure  
 in their effects, and beneficial in all the diseases to which  
 they profess to be adapted, viz:

Dyspepsia, Indigestion, Sick or Nervous Head-  
 ache, Palpitation of the Heart, Heart Burn,  
 Sickness or Weakness at the Pit of the  
 Stomach, Jaundice, Impurity of the  
 Blood, Pain in the side, De-  
 rangement of the Liver, dis-  
 ordered state of the Bo-  
 wels, Costiveness,  
 Piles, &c. &c.

As a preventative of Sea sickness, these Pills will be found  
 invaluable.

 DOW, M. D.
