PLEASE READ THIS!

I SINCERELY hope that all those persons indebted for the "Carleton Sentinel" at my husband's death will consider my circumstances, and forward what they owe me. The sums to each are small, but in the aggregate would be very useful to me at the present moment. If people could only appreciate my situation they would not require a second appeal to pay my just claims. They know that as long as Mr. Segee had the paper under his control, nothing was left undone to please his subscribers, and they in return ought to think of his surviving family. As I intend leaving the Province early in May, I hope that those who are disposed to pay will attend to it at their earliest convenience.

Any monies forwarded to me in Fredericton will be duly credited, and the names of the parties paying in full will be erased from the books.

MR. PIGEON, at the "Sentinel Office," will give such information as may be necessary relative to the amounts which I claim.

THE INFLLIABLE REMEDY

HOLLOWAY'S OINTMENT.

ERYSIPELAS OF EIGHT YEARS' DURATION CURED.

Copy of a Letter from Geo. Sinclair, Esq., of Paris, Canada, dated the 18th July, 1854.

To Professor HOLLOWAY.

Sir,—I feel a pleasure and a pride in bearing witness to the wonderful benefit I have derived by the use of your inestimable Ointment and Pills. For eight years I suffered unceasingly from attacks of erysipelas; large purple blotches came all over my body; in addition to the unpleasant feeling of itching and burning, which affected me both night and day, rendering life a misery to me, as well as to all around—so severe was the attack. I used several remedies without deriving the least cessation to my misery. At last, I determined to try your Ointment and Pills; after taking them for a few weeks, a visible improvement took place, and I felt considerably better—in three months, by continuing with your medicines I was completely cured, and now enjoy the best of health. The truth of this statement is well known here, hence there is no necessity for me to request secrecy.

I am, Sir, yours respectfully,

(Signed) GEO. SINCLAIR.

ULCERS IN THE LEG—REMARKABLE CURE.

Copy of a Letter from Mr. Edward Tomkinson, of Cape Breton, Nova Scotia, dated the 4th May, 1854.

To Professor HOLLOWAY.

Sir,—My sister, Miss Jane Tomkinson, suffered for a great number of years from a bad leg, in which there were several deeply seated and old wounds, defying the skill of some of the most eminent of the medical faculty; a variety of remedies were also used unsuccessfully, and it seemed to me that there was not anything capable of mitigating the agonies she endured. At length she had recourse to your Ointment and Pills, and after using them for about five weeks, she was completely cured, after all other means had failed to afford her the slightest relief. I have no objection to these facts being published, if you feel disposed to make them known.

I remain, Sir, your most obedient servant,

(Signed) EDWD. TOMKINSON.

A BAD BREAST CURED WHEN AT DEATH'S DOOR.

Copy of a Letter from Mr. Henry Mulden of Three Rivers, Canada West, dated July 9th, 1854.

To PROFESSOR HOLLOWAY,

Sir,—My wife suffered most severely after the birth of our last child with a bad breast. There were several holes in it, one as large as a hand; all the devices and stratagems I tried would not heal them, but they assumed an aspect more frightful than before, and horrible to behold. As a last resource I tried your Ointment and Pills, which she persevered with for seven weeks, at the expiration of that time her breast was almost well; by continuing with your remedies for two more weeks she was entirely cured, and we offer you our united thanks for the cure effected.

I am, Sir, yours truly,

(Signed) HENRY MALDEN.
