HILLOA, MR! here is where I bought my FLOUR and MEAL last year, and have come back to try him again, and found his prices lower than any in the market, and a better article and lots of it. And I see he has a very good article of Herring on hand too—White Lead and Oil, any quantity—and better than all I saw elsewhere. The poor won't stand so bad a chance after all this year.

THE INFALLIBLE REMEDY

HOLLOWAY'S OINTMENT.

ERYSIPELAS OF EIGHT YEARS' DURATION CURED.

Copy of a Letter from Geo. Sinclair, Esq., of Paris, Canada, dated the 18th July, 1854.

To Professor HOLLOWAY.

Sir,—I feel a pleasure and a pride in bearing witness to the wonderful benefit I have derived by the use of your infallible Ointment and Pills. For eight years I suffered unceasingly from attacks of erysipelas; large purple blotches came all over my body; in addition to the unpleasant feeling of itching and burning, which affected me both night and day, rendering life a misery to me, as well as to all around—so severe was the attack. I used several remedies without deriving the least cessation to my misery. At last, I determined to try your Ointment and Pills; after taking them for a few weeks, a visible improvement took place, and I felt considerably better—in three months, by continuing with your medicines I was completely cured, and now enjoy the best of health. The truth of this statement is well known here, hence there is no necessity for me to request secrecy.

I am, Sir, yours respectfully,

(Signed) **GEO. SINCLAIR.**

ULCERS IN THE LEG—REMARKABLE CURE.

Copy of a Letter from Mr. Edward Tomkinson, of Cape Breton, Nova Scotia, dated the 4th May, 1854.

To Professor HOLLOWAY.

Sir,—My sister, Miss Jane Tomkinson, suffered for a great number of years from a bad leg, in which there were several deeply seated and old wounds, defying the skill of some of the most eminent of the medical faculty; a variety of remedies were also used unsuccessfully, and it seemed to me that there was not anything capable of mitigating the agonies she endured. At length she had recourse to your Ointment and Pills, and after using them for about five weeks, she was completely cured, after all other means had failed to afford her the slightest relief. I have no objection to these facts being published, if you feel disposed to make them known.

I remain, Sir, your most obedient servant,

(Signed) **EDWARD TOMKINSON.**

A BAD BRUAS CURED WHEN AT DEATH'S DOOR.

Copy of a Letter from Mr. Henry Malden of Three Rivers, Canada West, dated July 9th, 1854.

To Professor HOLLOWAY.

Sir,—My wife suffered most severely after the birth of our last child with a bad breast. There were several holes in it, one as large as a hand; all the devices and stratagems I tried would not heal them, but they assumed an aspect more frightful than before, and horrible to behold. As a last resource I tried your Ointment and Pills, which she persevered with for seven weeks, at the expiration of that time her breast was almost well; by continuing with your remedies for two more weeks she was entirely cured, and we offer you our united thanks for the cure effected.

I am, Sir, yours truly,

(Signed) **HENRY MALDEN.**
