Mexican Mustang Liniment.

This article has been thoroughly introduced, and is now universally used throughout the entire Union; British Provinces, Canada, Bermuda, and West India Islands; and its power and influence is fast becoming felt wherever civilization has obtained a foothold.

ACROSTIC.

Mustang liniment! The mass hails with joy Earth's healing treasure, whose virtues destroy Xeraxis, that foe to luxuriant hair; Ich, that the finger nails hopelessly tear; Cancers, whose gnawings so fearfully tell; Acute Racumatism and Chronic as well; Neuralgia, Toothache, that agony swell! Mustang—thy progress is upward and on! Ulcers yield to thee like a dew to the sun. Scrofulous sores that the doctors perplex; Tumors of all kinds that bother and vex; Aches, Cuts, and Bruises, and vile running sores.—Nuisances—keeping us locked within do us; Gout, palsied limbs and a host of such bores. Lame stricken cripples are raised on their legs, In joy, quaffing pleasure's bright cup to the dregs, Nature's great remedy—on with thy work! Inflammations expelling wherever they lurk. Men, women, and cattle, like evil must bear. Each one in like manner this blessing can share. Next thing we say—though the truth may sound strange That if we don't cure—we give back the change.

TO FARMERS & LIVERY STABLE KEEPERS AND all who have the care of Horses or other animals, this LINIMENT is of immense benefit. All the Express Companies of New York City are using it, and have unani-mously certified in its favor. Proof documents at our office.

GRAND SUCCESS OF

DR. HAMPTON'S VEGETABLE TINCTURE,

IN THE SOUTH AND WEST. Over Two Millions Bottles Sold! Read the following case of Rheumatism, Cough and Vertigo of 15 years standing.

(From the Pallmallor Sun.)

Stronger! Still Stronger!!

Can any unprejudiced mind in the world ask strong-er testimony, or more convincing proof of the great restorative and curative powers of Hampton's Vege-table Tincture than given below. The writer is one of our most highly esteemed citizens, a man of integ-ri-ty, and it is extensively known, has been for a long time suffering under disease; his altered appearance now is a subject of remark, and gives additional tes-ti-mony and weight to the certificate below. He is also the son of Dr. Dunar, whose great skill as a phy-si-cian is well known to most of the oldest inhabitant of this city:

BALTIMORE, February 9th, 1853.

Messrs. MORTIMER & MOWBRAY: Gentlemen:—It is with real pleasure that I am able to attend to the general healing and curative powers of Doctor Hampton's Vegetable Tincture. Some time during last November I was taken with a very bad and serious Cough. I was advised to take Cod Liver Oil, and did so, but getting no better, I was in-duced to try your Tincture. I got one bottle, and be-fore I had used it all my cough left me. Permit me also to state, that for the last fifteen years I have suf-fered very much from Acute Rheumatism and Vertigo, confining me at times to my bed. I am truly con-vinced that I owe my present good health to the use of the Tincture and a kind Providence.

You are, my friends, at liberty to use this as you think proper, and believe me Yours, very respectfully,

G. DUNAN.

N. B.—I can be seen at any time at the Mayor's Office. MORTIMER & MOWBRAY, Proprietors, Baltimore. D. TAYLOR, JR., & Co., 25 Hanover street, Bos-ton. General Agent, to whom all orders must be ad-dressed.
