Mexican Mustang Liniment.

This article has been thoroughly introduced, and is now universally used throughout the entire Union; British Provinces, Canada, Bermndas, and West India Islands; and its power and influence is fast becoming felt wherever civilization has obtained a foothold. Its mild and soothing nfluence upon diseased parts-effectually curing in all cases-vrtues so diametrically opposed to all other medicines of the kind used-has obtained for it its world wide eputatiion. A brief summary of its power is given in the following beautiful ACROSTIC.

Mustang liniment' The mass hails with joy Earth's healing treasure, whose virtues destroy Xerasia, that foe to luxuriant hair; Itch, that the finger nails hopelessly tear; Cancers, whose gnawings so fearfully tell, Acute Racumatism and Chronic as well; Neuralgia, Toothache, that agony swell ! Mustang-thy progress is upward and on! Ulcers yield to thee like a dew to the sun. Scrofulous sores that the doctors perplex; Tumors of all kinds that bother and vex; Aches, Cuts, and Bruises, and vile running sores,-Nuisances-keeping us locked within do rs; Gout, paulsied limbs and a host of such bores. Lame stricken cripples are raised on their legs, In joy, quaffing pleasure's bright cup to the dregs, Nature's great remedy-on with thy work! Inflamations expelling wherever they lurk, Men, women, and cattle, like evile must bear, Each one in like manner this blessing can share. Next thing we say-though the truth may sound strange That if we don't cure-we give back the change.

To Country Merchants. TO FARMERS & LIVERY STABLE KEEPERSAND all who have the care of Horses or other animals, this LINIMENT is of immense benefit. All the Express Com. panies of New York City are using it, and have unani. mously certified in its favor. Proof documents at our

Every store should be supplied with this valuable LINIMENT, as it pays a good profit, and sells rapidly. W. L. FERGUSNO Sold in Woodstock by

Deaths.

At Richmond on the 27th ult., after a long illness which he bore with Christian resignation, Charles Campbell, in the 56th year of his age, leaving a wife, eight children, and a large circle of relations and friends to lament his death. His end was peace. This dispensation of Providence has removed a loving husband, a tender parent, a sincere Christian, and the poor man's friend.

Few men in Mr. Campbell's sphere of life were ever so generally beloved and respected by all their acquaintances as he was, -- as a proof of this, his remains were tollowed to the grave, by what is admitted to have been the largest procession of the kind ever witnessed in this county.

"The years of man-three score and ten" To him have not been given; Perhaps God thought 'twould be too long, To keep him out from Heaven."
