Can any unprejudiced mind in the world ask stronger testimony, or more convincing proof of the great restorative and curative powers of Hampton's Vegetable Tincture than given below. The writer is one of our most highly esteemed citizens, a man of integrity, and it is extensively known, has been for a long time suffering under disease; his altered appearance now is a subject of remark, and gives additional testimony and weight to the certificate below. He is also the son of Dr. Dunar, whose great skill as a physician is well known to most of the oldest inhabitants of this city:

Baltimore, February 9th, 1853.

Messrs. MORTIMER & MOWBRAY:

Gentlemen:—It is with real pleasure that I am able to attend to the general healing and curative powers of Doctor Hampton's Vegetable Tincture. Some time during last November I was taken with a very bad and serious Cough. I was advised to take Cod Liver Oil, and did so, but getting no better, I was induced to try your Tincture. I got one bottle, and before I had used it all my cough left me. Permit me also to state, that for the last fifteen years I have suffered very much from Acute Rheumatism and Vertigo, confining me at times to my bed. I am truly convinced that I owe my present good health to the use of the Tincture and a kind Providence.

You are, my friends, at liberty to use this as you think proper, and believe me

Yours, very respectfully,

G. DUNAR.

### HOLLOWAY'S OINTMENT.

A MOST ASTONISHING CURE OF SCROFULOUS

ULCERS.—A CASE CERTIFIED BY

THE MAYOR OF BOSTON.

Copy of a Letter from J. Noble, Esq., Mayor of Boston

Lincolnshire.

To Professor HOLLOWAY:

Dear Sir,—Mrs. Sarah Dixon, of Liquepond Street, Boston, has this day deposited before me that for a considerable period she was severely afflicted with Scrofulous Sores and Ulcers in her arms, feet, legs, and other parts of her body; and although the first of medical advice was obtained, at the cost of a large sum of money, she obtained no abatement of suffering, but gradually grew worse.

Being recommended by a friend to try your Ointment she procured a small pot and a box of the Pills, and before that was all used, symptoms of amendment appeared. Be- persevering with the medicines for a short time longer according to the directions, and strictly adhering to your rules as to diet, &c., she was perfectly cured, and now enjoys the best of health.

I remain, Dear Sir, yours truly,

Dated August 12th, 1852. (Signed) J. NOBLE.

AN EXTRAORDINARY AND RAPID CURE OF

ERYSIPELAS IN THE LEG, AFTER MEDICAL

AID HAD FAILED.

Copy of a Letter from Mrs. Elizabeth Yeates, of the Post

Office, Aldwick Road, near Bognor, Sussex, dated Jan.

12th, 1853.

To Professor HOLLOWAY:

SIR,—I suffered for a considerable period from a se- vere attack of Erysipelas, which at length settled in my leg, and resisted all medical treatment. My sufferings were very great, and I quite despaired of any permanent amendment, when I was advised to have recourse to your Ointment and Pills. I did so without delay, and am happy to say the result was eminently successful, for they effected a radical cure of my leg and restored me to the enjoyment of health. I shall ever speak with the utmost confidence of your medicines, and have recommended them to others in this neighborhood similarly afflicted, who derived equal benefit.

I am, Sir, your obliged and faithful Servant,

(Signed) ELIZABETH YATES.

A DREADFULLY DISEASED ANCLE CURED AF-

TER BEING GIVEN UP BY THE FACULTY,

AT MALTA AND PORTSMOUTH

HOSPITALS.

The following important communication has been forward-

ed to Professor Holloway for publication, by Mr. B. Dixon, Chenist, King-street, Norwich.

Copy of a Letter from Captain Smith, of Great Yarmouth

dated Jan. 19th, 1853

To Mr. Dixon.

Dear Sir,—I send you the particulars of a cure effected

by Professor Holloway's invaluable medicines.—Mr. John

Walton, late in Her Majesty's Service, in the British Fleet

at Malta, had a very bad ulcerated ancle, and after having

been in the Malta Hospital for six months, was sent to

England as an invalid to Portsmouth Hospital, where he

remained an inmate four months, there, as at Malta, refus-

ing to have the limb amputated, he was turned out incur-

able. He then came to Yarmouth, and was under a medical

gentleman for about three months, but his ancle became

so much worse that all hope was lost. At this period, by

my advice, he tried Holloway's Ointment and Pills, which

by unremitted application, healed all the ulcers, and restor-

ed him to perfect health and strength.

I remain, Dear Sir, yours very truly,

(Signed) JOHN SMITH.

SURPRISING CURE OF A BAD BREAST, NERVOUS

DEBILITY, AND GENERAL ILL HEALTH.

Copy of a Letter from Mr. T. F. Ker, Chemist, &c., Lower

Moss-lane, Manchester, dated Feb. 12th, 1853.

To Professor HOLLOWAY,

Dear Sir,—I have great pleasure in forwarding to you the

particulars of a very extraordinary cure of a bad breast,

effected solely by use of your celebrated Ointment and

Pills. Mrs. Martha Bell, of Pittstreet, in this Town, had

been for a considerable time laboring under nervous debil-

ity, loss of appetite, and general ill health, occasioned by

ulcerated wounds in the breast. She had much expe-

rience in the use of all the known remedies for the cure

of ulcers, but without any beneficial result, in fact she had

nearly lost all faith and hope of a cure being effected. In

this distressing and painful condition of body and mind, she

was persuaded to have recourse to your invaluable

Ointment and Pills, which she immediately did, and in the

course of a very short time the effect produced was most

astonishing; her appetite was speedily improved the sores

and ulcers in the breast gradually healed, and the nervous

excitement of her system was wholly removed.

I remain, Dear Sir, yours faithfully,

(Signed) T. FORSTER KER.
