The Great Medical Necessity of the Age Supplied

BY

DOW'S

Anti-Bilious and Family Aperient

PILLS!!

A SAFE MEDICINE AND A SURE REMEDY IN

ALL DISEASES OCCASIONED BY DERANGE-

MENT OF THE STOMACH, LIVER OR

BOWELS.

THE Proprietor is quite aware of the prevalent distrust

existing in this Province of every medicine which

professes any general remedial efficacy, and he is not

ignorant that even among those who believe in the efficacy

of one or other of the many forms of Proprietary Medi-

cines, now offered to the public in Europe and the United

States, the introduction of a new one may be considered

unnecessary. He therefore feels it due, alike to himself

and the public, frankly to state his reasons for offering this

medicine, and the grounds of his conviction that it will be

found serviceable in the large class of cases for the treat-

ment of which it is recommended.

The practitioners of medicine in every country, have

found it desirable and necessary to possess a safe and ef-

fectual CATHARTIC, available at all times, and applica-

ble in all the extensive and constantly recurring diseases

in which a specific action upon the Stomach and Bowels

is required, and the proprietor is perfectly familiar with

the formula of all the most famous medicines employed

for this purpose in the Colleges and Hospitals of Europe

and America, and adopted in the medical practice of this

Province.

Dr. Dow has been convinced by a close observation of

the effects of the medicines just referred to, that such a

cathartic as he has designated is still a desideratum, and

he has bestowed the most careful attention and extensive

experiments in order that he might furnish to his profes-

sion and the world, a Remedial Agent at once safe and ef-

ficacious.

It has not escaped the attention of the proprietor of

these Pills, in the extensive professional patronage which

he has now enjoyed for some time past in New Brunswick,

that the effects of particular medicines on particular dis-

eases, are very seriously modified by the climate, and hab-

its of the people of the country, and he is convinced from

personal observation that medical treatment to be safe and

effectual, must be accommodated to these peculiarities.

His original formula for these pills although justified by

science and experiments, has been modified from time to

time by the proprietor to suit the peculiarities to which he

has alluded, and he now offers them to the people of North

America as the best and safest.

ANTI-BILIOUS & FAMILY APERIENT!

Dr. Dow no more hesitates, [after the testimony which

has been afforded in his own practice,] to claim for these

pills an entire superiority over all now in use, than to de-

preciate the idea of recommending them as possessing any

miraculous power or life giving virtue. He would as par-

ticularly and emphatically warn the public that it is in a

special class of diseases, and only in a special class that his

Pills will be found specific, as he will confidently assert

that their perfect efficacy in the class of diseases has been

demonstrated by an extensive administration and a uniform

success.

Dr. Dow therefore unhesitatingly presents these Pills to

the public as a reliable

FAMILY PHYSIC,

well and carefully tested, and appealing to the general

confidence by its past effects in a course of practice, in

which for the last year from

200 to 300 have been administered daily!

These Pills will be found safe in their operation, sure

in their effects, and beneficial in all the diseases to which

they profess to be adapted, viz:

Dyspepsia, Indigestion, Sick or Nervous Head-

ache, Palpitation of the Heart, Heart Burn,

Sickness or Weakness at the Pit of the

Stomach, Jaundice, Impurity of the

Blood, Pain in the side, De-

rangement of the Liver, dis-

ordered state of the Bow-

els, Costiveness,

Piles, &c. &c.

As a preventative of Sea sickness, these Pills will be found

invaluable.

None genuine without the Fac-Simile signature of H.

DOW, M. D.
