Mexican Mustang Liniment.

This article has been thoroughly introduced, and is now universally used throughout the entire Union; British Provinces, Canada, Bermuda, and West India Islands; and its power and influence is fast becoming felt wherever civilization has obtained a foothold. Its mild and soothing influence upon diseased parts—effectually curing in all cases—virtues so diametrically opposed to all other medicines of the kind used—has obtained for it its world wide reputation. A brief summary of its power is given in the following beautiful

ACROSTIC.

Mustang liniment! The mass hails with joy Earth's healing treasure, whose virtues destroy Xeraxis, that foe to Laurian hair; I, ch, that the finger nails hopelessly tear; Cancers, whose gnawings so fearfully tell; Acute Rheumatism and Chronic as well; Neuralgia, Toothache, that agony swell; Mustang—thy progress is upward and on! Ulcers yield to thee like a dew to the sun. Scrofulous sores that the doctors perplex; Tumors of all kinds that bother and vex; Aches, Cuts, and Bruises, and vile running sores,—Nuisances—keeping us locked within doors; Gout, palsied limbs and a host of such bores. Lame stricken cripples are raised on their legs, In joy, quaffing pleasure's bright cup to the dregs, Nature's great remedy—on with thy work! Inflammations expelling wherever they lurk; Men, women, and cattle, like evils must bear, Each one in like manner this blessing can share. Next thing we say—though the truth may sound strange That if we don't cure—we give back the change.

To Country Merchants.

TO FARMERS & LIVERY STABLE KEEPERS AND all who have the care of Horses or other animals, this LINIMENT is of immense benefit. All the Express Companies of New York City are using it, and have unanimously certified in its favor. Proof documents at our office.

Every store should be supplied with this valuable LINIMENT, as it pays a good profit, and sells rapidly. Sold in Woodstock by W. L. FERGUSON

(The Editor tenders his acknowledgment for being kindly remembered.)

On the 21st inst. by the Rev. S. D. Lee Street, Robert Barker, of the Parish of Woodstock, to Jane Caldwell, of the same place.

Deaths.

On the 13th inst., Mr. William Grigor, in the 44th year of his age. Mr. Grigor was for several years Editor of the Head Quarters newspaper in this city, in which labour he evinced considerable talent. As a Reporter he had few equals in this Province.

At his residence on the Beckaguimic, in the Parish of Brighton, on the 8th day of April last, Mr. James Smith, after a protracted illness, which he bore with Christian fortitude, leaving an affectionate wife and a large family of children to lament his death. Mr. Smith was 48 years of age. He was a Deacon of the Baptist Church in Brighton, and was generally esteemed and respected for his Christian deportment by his brethren as well as all those who had the pleasure of his acquaintance. Throughout his illness he was supported by the promises of the Gospel, and could meet the King of Terrors with perfect composure. He was blest with the perfect use of his reason to the last, and chose the text for his funeral sermon—Isaiah 3, 10, "Say ye to the righteous that it shall be well with him,"—which was improved by the Rev. Gideon Estabrooks to a large congregation of mourners and friends.

[Christian Visitor will please copy.] At the residence of his brother, on Tuesday evening last, after a lingering illness of Consumption, which he bore with pious resignation to the Divine will of his Redeemer, Mr. Andrew I. Truesdel, in the 36th year of his age, leaving a wife, 5 small children, and a large circle of relatives and friends to mourn their loss.
