**HOLLOWAY'S OINTMENT.**

**ERYSIPELAS OF EIGHT YEARS' DURATION CURED.**

Copy of a Letter from Geo. Sinclair, Esq., of Paris, Canada, dated the 18th July, 1854.

To Professor HOLLOWAY,  
 Sir,—I feel a pleasure and a pride in bearing witness to  
 the wonderful benefit I have derived by the use of your in-  
 estimable Ointment and Pills. For eight years I suffered  
 unceasingly from attacks of erysipelas; large purple  
 blotches came all over my body; in addition to the un-  
 pleasant feeling of itching and burning, which affected me  
 both night and day, rendering life a misery to me, as well  
 as to all around—so severe was the attack. I used several  
 remedies without deriving the least cessation to my mis-  
 ery. At last, I determined to try your Ointment and Pills;  
 after taking them for a few weeks, a visible improvement  
 took place, and I felt considerably better—in three months,  
 by continuing with your medicines I was completely cured,  
 and now enjoy the best of health. The truth of this state-  
 ment is well known here, hence there is no necessity for  
 me to request secrecy.

I am, Sir, yours respectfully,  
 (Signed) **GEORGE SINCLAIR.**  
**ULCERS IN THE LEG—REMARKABLE CURE.**

Copy of a Letter from Mr. Edward Tomkinson, of Capre Breton, Nova Scotia, dated the 4th May, 1854.

To Professor HOLLOWAY,  
 Sir,—My sister, Miss Jane Tomkinson, suffered for a  
 great number of years from a bad leg, in which there were  
 several deeply seated and old wounds, defying the skill of  
 some of the most eminent of the medical faculty; a variety  
 of remedies were also used unsuccessfully, and it seemed  
 to me that there was not anything capable of mitigating  
 the agonies she endured. At length she had recourse to  
 your Ointment and Pills, and after using them for about  
 five weeks, she was completely cured, after all other means  
 had failed to afford her the slightest relief. I have no ob-  
 jection to these facts being published, if you feel disposed  
 to make them known.

I remain, Sir, your most obedient servant,  
 (Signed) **EDWARD TOMKINSON.**

**A BAD BREAST CURED WHEN AT DEATH'S DOOR.**

Copy of a Letter from Mr. Henry Malden of Three Rivers, Canada West, dated July 9th, 1854.

To PROFESSOR HOLLOWAY,  
 Sir,—My wife suffered most severely after the birth of  
 our last child with a bad breast. There were several holes  
 in it, one as large as a hand; all the devices and stratagems  
 I tried would not heal them, but they assumed an aspect  
 more frightful than before, and horrible to behold. As a  
 last resource I tried your Ointment and Pills, which she  
 persevered with for seven weeks, at the expiration of that  
 time her breast was almost well; by continuing with  
 your remedies for two more weeks she was entirely cured,  
 and we offer you our united thanks for the cure effected.

I am, Sir, yours truly,  
 (Signed) **HENRY MALDEN.**

**I** SINCERELY hope that all those persons in-  
 debted for the "Carleton Sentinel" at my husband's  
 death will consider my circumstances, and forward what  
 they owe me. The sums to each are small, but in the ag-  
 gregate would be very useful to me at the present moment.  
 If people could only appreciate my situation they would not  
 require a second appeal to pay my just claims. They  
 know that as long as Mr. Segee had the paper under his  
 control, nothing was left undone to please his subscribers,  
 and they in return ought to think of his surviving family.  
 As I intend leaving the Province early in May, I hope that  
 those who are disposed to pay will attend to it at their  
 earliest convenience.

Any monies forwarded to me in Fredericton will be duly  
 credited, and the names of the parties paying in full will  
 be erased from the books.
