VEGETABLE TINCTURE,
IN THE SOUTH AND WEST.
Over Two Millions Bottles Sold!

Read the following case of Rheumatism, Cough and Vertigo of 15 years standing.

From the Baltimore Sun.

Stronger! Still Stronger!!

Can any unprejudiced mind in the world ask stronger testimony, or more convincing proof of the great restorative and curative powers of Hampton's Vegetable Tincture than given below. The writer is one of our most highly esteemed citizens, a man of integrity, and it is extensively known, has been for a long time suffering under disease; his altered appearance now is a subject of remark, and gives additional testimony and weight to the certificate below. He is also the son of Dr. Dunan, whose great skill as a physician is well known to most of the oldest inhabitants of this city:

Baltimore, February 9th, 1853.

Messrs. MORTIMER & MOWBRAY: Gentlemen:—It is with real pleasure that I am able to attend to the general healing and curative powers of Doctor Hampton's Vegetable Tincture. Some time during last November I was taken with a very bad and serious Cough. I was advised to take Cod Liver Oil, and did so, but getting no better, I was induced to try your Tincture. I got one bottle, and before I had used it all my cough left me. Permit me also to state, that for the last fifteen years I have suffered very much from Acute Rheumatism and Vertigo, confining me at times to my bed. I am truly convinced that I owe my present good health to the use of the Tincture and a kind Providence.

You are, my friends, at liberty to use this as you think proper, and believe me

Yours, very respectfully,

G. DUNAN.

The Far-Famed Medicine.**HOLLOWAY'S PILLS.**

SURPRISING CURE OF A CONFIRMED ASTHMA AFTER FIVE YEARS SUFFERING.

The following testimonial has been sent to Professor Holloway, by a gentleman named Middleton, of Scotland Road, Liverpool.

Sir,—Your Pills have been the means, under Providence, of restoring me to sound health after five years of severe affliction. During the whole of that period, I have suffered the most dreadful attacks of Asthma, frequently of several weeks' duration, attended with a violent cough, and continual spitting of phlegm intermixed with blood. This so shook my constitution that I was unfitted for any of the active duties of life. I was attended by some of the most eminent medical men of this town, but they failed to give me the slightest relief. As a last remedy I tried your Pills, and in about three months they effected a perfect cure of the disease, totally eradicated the cough, and restored tone and vigour to the chest and digestive organs.

I am, Sir, your obedient Servant,
Dated Jan 1st, 1853. (Signed) H. MIDDLETON.

A PERMANENT CURE OF A DISEASED LIVER, OF MANY YEARS' DURATION.

Copy of a Letter from Mr. Gamis, Chemist, Yverdon, to Professor Holloway.

Dear Sir,—In this district your Pills command a more extensive sale than any other proprietary medicine before the public. As a proof of their efficacy in Liver and Bilious Complaints I may mention the following case. A lady of this town with whom I am personally acquainted, for years was a severe sufferer from disease of the Liver and digestive organs; her medical attendant assured her that she could do nothing to relieve her sufferings, and it was not likely she could survive many months. This announcement naturally caused great alarm among her friends and relations, and they induced her to make a trial of your Pills, which so improved her general health that she was induced to continue them until she received a perfect cure. This is twelve months ago, and she has not experienced any symptoms of relapse, and often declares that your Pills have been the means of saving her life.

I remain, Dear Sir, yours truly,
Nov. 23d, 1852. (Signed) J. GAMIS.

AN ASTONISHING CURE OF CHRONIC RHEUMATISM, AFTER BEING DISCHARGED FROM THE HOSPITAL INCURABLE.

Copy of a Letter from Mr. W. Moon, of the Square, Winchester.

To Professor HOLLOWAY.

Sir,—I beg to inform you that for years I was a sufferer from Chronic Rheumatism, and was often laid up for weeks together by its severe and painful attacks. I tried every thing that was recommended, and was attended by one of the most eminent Surgeons in this town; but obtained no relief whatever, and fearing that my health would be entirely broken up, I was induced to go into our County Hospital, where I had the best medical treatment the Institution afforded, all of which proved of no avail, and I came out no better than I went in. I was then advised to try your Pills, and by persevering with them was perfectly cured, and enabled to resume my occupation, and although a considerable period has elapsed, I have felt no return whatever of the complaint.

I am, Sir, your obliged Servant,
Oct. 8th, 1852. (Signed) W. MOON.

AN EXTRAORDINARY CURE OF DROPSY, AFTER SUFFERING FOR EIGHTEEN MONTHS.

Copy of a Letter from Mr. G. Briggs, Chemist, Goole, Dated February 15th, 1853.

To Professor HOLLOWAY,

Sir,—I have much pleasure in informing you of a most surprising cure of Dropsy, recently effected by your valuable medicines. CAPTAIN JACKSON, of this place, was afflicted with Dropsy for upwards of eighteen months, to such an extent that it caused his body and limbs to be much swollen, and water oozed as it were from his skin, so that a daily change of apparel became necessary, notwithstanding the various remedies tried, and the different medical men consulted, all was of no avail, until he commenced using your Pills, by which, and a strict attention to the printed directions, he was effectually cured, and his health perfectly re-established. If you deem this worthy of publicity, you are at liberty to use it.

I am, Sir, yours respectfully,
(Signed) G. BRIGGS.

The Great Medical Necessity of the Age Supplied.**DOW'S**

ANTI-BILIOUS & FAMILY APERIENT

PILLS!!

A SAFE MEDICINE AND A SURE REMEDY IN ALL DISEASES OCCASIONED BY DERANGEMENT OF THE STOMACH, LIVER OR BOWELS.

THE Proprietor is quite aware of the prevalent distress existing in this Province of every medicine which professes any general remedial efficacy, and he is not ignorant that even among those who believe in the efficacy of one or other of the many forms of Proprietary Medicines, now offered to the public in Europe and the United States, the introduction of a new one may be considered unnecessary. He therefore feels it due, alike to himself and the public, frankly to state his reasons for offering this medicine, and the grounds of his conviction that it will be found serviceable in the large class of cases for the treatment of which it is recommended.

The practitioners of medicine in every country, have found it desirable and necessary to possess a safe and effectual CATHARTIC, available at all times, and applicable in all the extensive and constantly recurring diseases in which a specific action upon the Stomach and Bowels is required, and the proprietor is perfectly familiar with the formula of all the most famous medicines employed for this purpose in the Colleges and Hospitals of Europe and America and adopted in the medical practice of this Province.

Dr. Dow has been convinced by a close observation of the effects of the medicines just referred to, that such a cathartic as he has designated is still a desideratum, and he has bestowed the most careful attention and extensive experiments in order that he might furnish to his profession and the world, a Remedial Agent at once safe and efficacious.

It has not escaped the attention of the proprietor of these Pills, in the extensive professional patronage which he has now enjoyed for some time past in New Brunswick, that the effects of particular medicines on particular diseases, are very seriously modified by the climate, and habits of the people of the country, and he is convinced from personal observation that medical treatment to be successful, must be accommodated to these peculiarities.

His original formula for these Pills although justified by science and experiments, has been modified from time to time by the proprietor to suit the peculiarities to which he has alluded, and he now offers them to the people of North America as the best and safest.

ANTI-BILIOUS & FAMILY APERIENT!!

Dr. Dow now hesitates, [after the testimony which has been afforded in his own practice,] to claim for these pills an entire superiority over all now in use, than to deprecate the idea of recommending them as possessing any miraculous power or life giving virtue. He would as particularly and emphatically warn the public that it is in a special class of diseases, and only in a special class that his Pills will be found specific; as he will confidently assert that their perfect efficacy in the class of diseases has been demonstrated by an extensive administration and a uniform success.

Dr. Dow therefore unhesitatingly presents these Pills to the public as a reliable

FAMILY PHYSIC,

well and carefully tested, and appealing to the general confidence by its past effects in a course of practice, in which for the last year from 100 to 150 to 200 to 300 have been administered daily!

These Pills will be found safe in their operation, sure in their effects, and beneficial in all the diseases to which they profess to be adapted, viz:

Dyspepsia, Indigestion, Sick or Nervous Head-ache, Palpitation of the Heart, Heart Burn, Sickness or Weakness at the Pit of the

Stomach, Jaundice, Impurity of the Blood, Pain in the side, Derangement of the Liver, disordered state of the Bowels, Costiveness, Piles, &c., &c.

As a preventative of Sea sickness, these Pills will be found invaluable.

None genuine without the Fac-Simile signature of H. DOW, M. D.
