By Order of the W. D. D. M. Woodstock, 30th Dec. 1854.

Mexican Mustang Liniment.

This article has been thoroughly introduced, and is now universally used throughout the entire Union; British Provinces, Canada, Bermudas, and West India Islands; and its power and influence is fast becoming felt wherever civilization has obtained a foothold.

ACROSTIC.

Mustang liniment! The mass hails with joy Earth's healing treasure, whose virtues destroy Xeraxis that foe to leucis hair; Ich, that the finger nails hopelessly tear; Cancers, whose gnawings so fearfully tell, Acute Rheumatism and Chronic as well; Neuralgia, Toothache, that agony swell! Mustan—thy progress is upward and on! Ulcers yield to thee like a dew to the sun. Scrofulous sores that the doctors perplex; Tumors of all kinds that bother and vex; Aches, Cuts, and Bruises, and vide running sores,— Nuisances—keeping us locked within do; Gout, palsied limbs and a host of such ills. Lame stricken cripples are raised on their legs, In joy, quaffing pleasure's bright cup to the dregs, Nature's great remedy—on with thy work! Inflammations swelling wherever they lurk. Men, women, and cattle, like evils must bear. Each one in like manner this blessing can share. Next thing we say—though the truth may sound strange That if we don't cure—we give back the change.

TO FARMERS & LIVERY STABLE KEEPERS AND all who have the care of Horses or other animals, this LINIMENT is of immense benefit. All the Express Companies of New York City are using it, and have unanimously certified in its favor. Proof documents at our office.

To Country Merchants. Every store should be supplied with this valuable LINIMENT, as it pays a good profit, and sells rapidly. Sold in Woodstock by W. L. FERGUSON.

FALL IMPORTATIONS.

THE Subscriber has now received the remainder of his Fall Stock which for variety and extent will be found on inspection the largest ever offered in this market, as it would be difficult to crowd an thing like an idea of the assortment in an ordinary advertisement, but would particularly call the attention of the public to the following leading articles, viz—
