

[FOR THE CARLETON SENTINEL.]

**LINES ON THE DEATH OF MR. PATRICK McANNA.**

Addressed to his Wife and Children.

The husband, the father is gone—  
Left you with the world to strive;  
But he such an example has shown  
As should teach as though he were alive.  
But you are not alone in your grief,  
For he had a large circle of friends;  
And this thought must afford some relief—  
With your tears how their sympathy blends!  
A void in our midst has been made  
Of a friend and a neighbor so kind,  
And that chasm will remain I'm afraid,  
For to fill it what man can we find?  
But we mourn not as these without hope—  
His hope was well grounded in faith,  
Which he felt ere death's portals did open—  
For "The Righteous hath hope in his death."  
Then why should we mourn? He's removed  
From where crime fills the far greater span—  
From where war's dreadful carnage has proved  
That "Man's greatest enemy's man"—  
Where oppression and slavery abound,  
And deception of every hue  
In th' enlightened and savage is found—  
Christian morals confined to "the few."  
Now washed in Immanuel's blood,  
Passing worlds upon worlds in the skies,  
The Christian ascending to God,  
This earth oh how must he despise!  
Then mourn not his death, but rejoice—  
He's translated to Mansions above—  
He invites you to come—tis his voice!—  
And to bask in a Saviour's love.

M. M.

His Excellency, the Honorable JOHN HENRY THOMAS MANNERS SUTTON, Lieutenant Governor arrived here on Thursday afternoon.—A public Meeting was called by the Sheriff at 10 o'clock of the same day, when an address was agreed upon to be presented to His Excellency.—Yesterday was appointed for its presentation but in consequence of having to make up a number of papers for Friday morning's mail we are unable to give the Address and Reply this week.

Two persons confined in Gaol, Kenneth Beger for stealing a horse, and John McGlynn for stealing money, made their escape from custody on Thursday last, by what means we have not heard.

The Liverpool Journal of August 4 has the following paragraph, which will, we doubt not, afford much satisfaction to our readers:—

NEWSPAPER POSTAGE TO THE COLONIES.—Our Colonial readers will rejoice to learn, by this day's mail for America, that for the reasons set forth by Mr. Wilson, Secretary of the Treasury, in this day's debate, the newspaper Colonial postal rights and privileges contended for by Sir Cusack Roney, in his recent correspondence with the Secretary to the General Post Office, and so unwisely resisted by that functionary, have been conceded, or rather restored: To-day and henceforth the Colonists will receive the journals of the mother country at the postage rates they have been accustomed to. Had it not been for the remonstrance with the post office, and the publicity which that remonstrance obtained, the Colonists would have been most arbitrarily subjected to an impost amounting to virtual prohibition of English newspapers amongst them. They will know how to appreciate the timely and judicious defence made in their behalf, and the redress so promptly secured to them. The right man has certainly been in the right place on this occasion; but as certainly that man has not been Mr. Rowland Hill, nor has the place been St. Martins-le-Grand.

A SIGN.—We learn that one of the most prominent shipbuilders in this city was engaged about two weeks ago, in looking about for timber to use in building a man-of-war for the Russian Government. Since that time he has suspended operations, and declines purchasing timber that is offered to him. The contract under which the frigate was to be built required that she should be delivered at a Russian port. We are not informed whether the design has been abandoned by direction of the Russian Government, or whether the contractor despairing of his ability to perform the clause in the contract above mentioned, has adopted this course to save himself from the loss resulting from having the ship lying idle, but in either case, the fact that the work has been suspended, and perhaps altogether abandoned, is significant.—N. Y. Courier.

The new Russian minister to the United States is called Somanosoff, (saw my nose off)—An attaché of the same legation at Washington, Blowmanosoff, (blow my nose off.) Besides which, we have Col. Kutmanosoff, (cut my nose off,) of the Imperial Guard; Marshall Polmanosoff, (pull my nose off); General Nozbegon, (nose be gone,) and many others.

Orders from the British Government are received to enlist no more recruits in the United States.

**WORMS! WORMS!**

Various theories have been started relative to the origin of intestinal worms, and yet the question is still a vexed one among medical authorities. Of one fact, however, all are informed, and in which all agree—the fatal nature of the influence they exert on children. At this season of the year the attacks of worms are more frequent as well as most dangerous. We take great pleasure in directing the attention of parents to the Vermifuge of Dr. McLane. It is one of the most extraordinary medicines ever introduced to the public, and has never failed of success when tried.

Purchasers will please be careful to ask for Dr. McLane's Celebrated Vermifuge, and take none else. All other Vermifuges, in comparison are worthless. Dr. McLane's genuine Vermifuge also his Celebrated Liver Pills, can now be had at all respectable Drug Stores in the United States and Canada.

Sold in Woodstock by W. T. Baird.

Holloway's Pills are an excellent Family Medicine, and recommended to all sufferers with diseases of the Liver and Stomach.—The surprising effect of these wonderful Pills have naturally made them an universal favourite with the Canadians, as well as to the inhabitants of all other parts of the world, as they are the best and safest remedy for all disorders of the liver and stomach and to the bilious sufferer they are invaluable.—It is undisputedly admitted that these Pills have never been known to fail to cure these disorders when used in accordance with the directions which accompany each box.
