GRAND SUCCESS OF

DR. HAMPTON'S
VEGETABLE TINCTURE,
IN THE SOUTH AND WEST.

Over Two Millions Bottles Sold!

Read the following case of Rheumatism, Cough and
Vertigo of 15 years standing.

(From the Baltimore Sun.)

Stronger! Still Stronger!!

Can any unprejudiced mind in the world ask strong-
er testimony, or more convincing proof of the great
restorative and curative powers of Hampton's Vege-
table Tincture than given below. The writer is one
of our most highly esteemed citizens, a man of integ-
rity, and it is extensively known, has been for a long
time suffering under disease; his altered appearance
now is a subject of remark, and gives additional tes-
timony and weight to the certificate below. He is
also the son of Dr. Dunar, whose great skill as a phy-
sician is well known to most of the oldest inhabitants
of this city.

BALTIMORE, February 9th, 1853.

Messrs. MORTIMER & MOWBRAY:
Gentlemen—It is with real pleasure that I am able
to attend to the general healing and curative powers
of Doctor Hampton's Vegetable Tincture. Some
time during last November I was taken with a very
bad and serious Cough. I was advised to take Cod
Liver Oil, and did so, but getting no better, I was
induced to try your Tincture. I got one bottle, and be-
fore I had used it all my cough left me. Permit me
also to state, that for the last fifteen years I have suf-
fered very much from Acute Rheumatism and Vertigo,
confining me at times to my bed. I am truly con-
vinced that I owe my present good health to the use
of the Tincture and a kind Providence.

You are, my friends, at liberty to use this as you
think proper, and believe me

Yours, very respectfully, G. DUNAN.

N. B.—I can be seen at any time at the Mayor's
Office.

The Great Medical Necessity of the Age Supplied

DOW'S

ANTI-BILIOUS & FAMILY APERIENT

PILLS!!

A SAFE MEDICINE AND A SURE REMEDY IN
ALL DISEASES OCCASIONED BY DERANGE-
MENT OF THE STOMACH, LIVER OR
BOWELS.

THE Proprietor is quite aware of the prevalent distrust
existing in this Province of every medicine which
professes any general remedial efficacy, and he is not
ignorant that even among those who believe in the efficacy
of one or other of the many forms of Proprietary Medi-
cines, now offered to the public in Europe and the United
States, the introduction of a new one may be considered
unnecessary. He therefore feels it due, alike to himself
and the public, frankly to state his reasons for offering this
medicine, and the grounds of his conviction that it will be
found serviceable in the large class of cases for the treat-
ment of which it is recommended.

The practitioners of medicine in every country, have
found it desirable and necessary to possess a safe and ef-
fectual CATHARTIC, available at all times, and applica-
ble in all the extensive and constantly recurring diseases
in which a specific action upon the Stomach and Bowels
is required, and the proprietor is perfectly familiar with
the formula of all the most famous medicines employed
for this purpose in the Colleges and Hospitals of Europe
and America and adopted in the medical practice of this
Province.

Dr. Dow has been convinced by a close observation of
the effects of the medicines just referred to, that such a
cathartic as he has designated is still a desideratum, and
he has bestowed the most careful attention and extensive
experiments in order that he might furnish to his profes-
sion and the world, a Remedial Agent at once safe and ef-
ficacious.

It has not escaped the attention of the proprietor of
these Pills, in the extensive professional patronage which
he has now enjoyed for some time past in New Brunswick,
that the effects of particular medicines on particular dis-
eases, are very seriously modified by the climate, and hab-
its of the people of the country, and he is convinced from
personal observation that medical treatment to be safe and
effective, must be accommodated to these peculiarities.

His original formula for these pills although justified by
science and experiments, has been modified from time to
time by the proprietor to suit the peculiarities to which he
has alluded, and he now offers them to the people of North
America as the best and safest.

ANTI-BILIOUS & FAMILY APERIENT!

Dr. Dow no more hesitates, [after the testimony which
has been afforded in his own practice,] to claim for these
pills an entire superiority over all now in use, than to de-
precate the idea of recommending them as possessing any
miraculous power or life giving virtue. He would as par-
ticularly and emphatically warn the public that it is in a
special class of diseases, and only in a special class that his
Pills will be found specific, as he will confidently assert
that their perfect efficacy in the class of diseases has been
demonstrated by an extensive administration and a uniform
success.

Dr. Dow therefore unhesitatingly presents these Pills to
the public as a reliable

FAMILY PHYSIC.

well and carefully tested, and appealing to the general
confidence by its past effects in a course of practice, in
which for the last year from

200 to 300 have been administered daily!

These Pills will be found safe in their operation, sure
in their effects, and beneficial in all the diseases to which
they profess to be adapted, viz:

Dyspepsia, Indigestion, Sick or Nervous Head-
ache, Palpitation of the Heart, Heart Burn,
Sickness or Weakness at the Pit of the
Stomach, Jaundice, Impurity of the
Blood, Pain in the side, De-
rangement of the Liver, dis-
ordered state of the Bo-
wels, Costiveness,
Piles, &c. &c.

As a preventative of Seasickness, these Pills will be found
invaluable.

None genuine without the Fac-Simile signature of H.
DOW, M. D.
