

TERRIBLE RAILROAD ACCIDENT.—PHILADELPHIA, 17th.—A serious railroad accident occurred this morning near Fort Washington, on the Northern Pennsylvania Railroad by the explosion of the boiler of the locomotive. The cars were filled with the teachers and children of St. Michael's Church Sunday school, bound on an excursion. The cars were set on fire and several lives were lost.

The accident occurred at 7 o'clock this morning. Rumor makes the killed from 60 to 200.

No train has arrived yet from the scene of accident. Other companies have furnished cars, and surgeons have been dispatched to aid the sufferers.

A despatch from Germantown says that numbers of the wounded have been brought there in private conveyance.

By latter accounts it appears there were 60 killed, mostly children.

STEAMER NORTHERN INDIANA DESTROYED BY FIRE.—Buffalo, 17th.—The steamer Northern Indiana took fire about 11 o'clock this morning, while on her voyage to Toledo, and burned to the water's edge.—Thirty to forty of the passengers are reported as being lost.

MILITARY.—On Saturday last, the Head Quarters of the 76th (Hindostan) Regiment arrived in the steamer *Eastern State*, direct from Halifax. Two companies marched to the barracks, and the other two proceeded to Fredericton in the evening. As the fine band proceeded through the streets, playing the popular tune of "Annie Laurie," a large crowd was attracted, who accompanied the gallant fellows to Indian Town, where they embarked for the seat of Government. It is universally regretted that we shall have no Military Band in Saint John. It was hoped that we should have two regiments stationed in this Province, one here and the other in Fredericton, but it is now understood that such will not be the case, and that the 76th will be the only regiment.

The *Eastern State* will return immediately with the remaining companies of this regiment—*New Brunswick*.

The head quarters of the 76th Regiment, under the command of Col. Clark, arrived here in the steamer *St. John*, on Sunday morning last.—*Head Quarters*.

SEIZURE UNDER THE LIQUOR LAW.—We are informed that a schooner having on board ten barrels of Rum has been seized by the Officers of Customs, and is detained at the Custom House Slip.—*Cont.*

THE FIRE AT TORONTO.—The *Toronto Globe* states that when the fire broke out there were 300 persons at work in the manufactory of Jaques & Hay, and the flames rushed through the premises with such rapidity that seven persons were burned to death, and four others badly injured in their attempt to escape. The dwelling of Mr. Jaques, and the brewery of Messrs. Carley & Nash, were also consumed. They were insured to the amount of \$6800. This does not cover much more than one-fifth part of their loss. It is a moderate estimate that they will suffer to the extent of 25,000 by the event. The buildings and the machinery were worth £20,000, the lumber £600 or 7000, and the stock not less than £5000.

GRAND TRUNK RAILWAY.—Spite of all the croaking of the opposition, this great national work is rapidly approaching its completion. Success to it and may it never stop until it stretches from Lake Huron to old Halifax in Nova Scotia!—*Niagara Mail*.

We learn from Sydney, C. B., that Mr. How was at the last moment withdrawn by his friends—the only candidates nominated, on nomination day, were Messrs. Ferguson and Caldwell.—*Journal*.

RHEUMATISM.—Mr. Charles Sidney, of Charlottetown, P. E. I., was a very severe sufferer from this complaint, and he was frequently confined to his bed for months together, so severe were the attacks; he resorted to numerous remedies, but his disorder only increased, and he was obliged for a time to suspend his valuable public services. Knowing several parties who had derived signal benefit from the use of Holloway's Ointment and Pills, he resolved to give them a fair trial; after he had used these remedies a few weeks, he felt himself considerably better, and in two months he had entirely recovered, although he had expected of deriving any permanent relief to his sufferings. A GREAT BLESSING TO THE AFFLICTED.—Dr. McLane, the inventor of the celebrated Liver Pills, used these Pills for several years in his practice, before he could be induced to offer them to the public in such a manner as to make them known throughout the country. This learned physician felt the same repugnance that all high-minded men of science feel in entering the lists against those unscrupulous empirics who obtrude their useless nostrums upon the public, and rely upon a system of puffing to sustain them. Convinced, however, of the real value of the Liver Pills, and influenced by the plain dictates of duty, the Doctor finally sacrificed his delicate feelings on the altar of public good. His great medicine has not disappointed the expectations of the medical practitioners, at whose instance he was induced to forego his inclinations. From every quarter do we hear the most gratifying accounts of its wonderful curative effects. The East and the West, the North and the South, are alike laden with "tidings of great joy" from the afflicted. These wonderful Pills have completely conquered that great scourge of America, the Liver Complaint.

Purchasers will please be careful to ask for and take none but **Dr. McLane's Celebrated Liver Pills**. There are other Pills, purporting to be Liver Pills, now before the public. Dr. McLane's Liver Pills, also his Celebrated Vermifuge, can now be had at all respectable Drug Stores in the United States and British Provinces. W. T. BAIRD, Agent for Woodstock.
