

How near is peace? The exact tenor of the answer returned by the Cabinet of St. Petersburg to the overture from Vienna must be known before this question can be answered.

It must also be admitted that the "proposals" of the Court of Vienna are more precise than "the four points." The proposals do not admit of the same amount of cavil and misification on the part of Russia as did "the four points."

A New-Brunswick Gun.—We learn from a gentleman just from England that the Government are casting a "big gun" at the Mersey Works, Liverpool, out of iron from the York and Carleton Mines, in this Province, it being considered superior to any iron to be had in England.

EVERY READER Will please notice the advertisement headed to "To Persons out of Employment" and send for a full description of all our Illustrated Works.

HOLLOWAY'S PILLS a certain cure for Asthmatic Complaints.—The astonishing effect these wonderful Pills produce in the above class of diseases, would appear incredible if the truth were not confirmed by so many living witnesses.

Mrs. HANNEY, No. 609 FOURTH STREET, SAYS OF DR. McLANE'S CELEBRATED VERMIFUGE.—New York, May 13, 1852. A child of mine showing symptoms of worms, I gave it a bottle of Dr. McLane's celebrated Vermifuge, which brought away a bunch of worms, numbering, I should judge, about thirty.

Mrs. TWIST, No. 18 AVENUE D, writes under date of August 10, 1852, and says she had been troubled with worms for more than a year, and that she took one bottle of Dr. McLane's celebrated Vermifuge, which brought away from her over three hundred worms, big and little.—She now believes herself to be entirely free from disease.

Mrs. BROOKS, a German woman, residing at 241 Livingston Street, says, that after using one vial of McLane's celebrated Vermifuge, she passed two large tape worms.

The above certificates are all from parties well known in this city. If there are any who doubt, they have the names and addresses, and can satisfy themselves by personal inquiry.

P. S. Dr. McLane's celebrated Vermifuge, also his Liver Pills, can now be had at all respectable Drug Stores in the United States and British Provinces.

Parochialists will please be careful to ask for and take none but Dr. McLane's Vermifuge. All others, in comparison, are worthless.
