HOLLOWAY'S PILLS the most efficacious remedy for determination of Blood to the Head.—The immense power possessed by these wonderful Pills in the cure of determination of blood to the head, and all bilious disorders, although well known and appreciated by the mass, yet among some private individuals, it is perhaps not understood. To such as are afflicted with these sad ailments, and nervous disorders, we strongly recommend them; and would advise their having recourse to the same after other means have failed, with the certainty of obtaining immediate relief, and by perseverance a lasting cure. The thousands who have derived signal benefit from the use of this inestimable remedy, is at once a proof of the virtue the medicine possesses, and renders it an indispensable requisite in every family, whether at home or abroad.—These Pills are equally efficacious in all diseases of the liver and stomach.

W. T. BAIRD, Agent for Woodstock.

THE LIVER PILLS.—The Liver Pills of Dr. M'Lane were first used by him exclusively in his own practice. So efficacious were they in all cases of Liver complaint, that they became famous, and attracting the attention of the medical faculty, passed into general use. They act with great certainty and regularity; the patient almost immediately feels the dispersion of his disease, and is gradually restored to health. With some the effect is almost miraculous, frequently experiencing immediate relief, after having for months resorted to drugs and medicines of another description, in vain. Diseases of the liver are very common in this country, and are often frightful in character.—Those who experience any of the premonitory symptoms of this dangerous and complicated disease, should at once procure a box of Dr. M'Lane's Pills, and perhaps, thereby, be saved a world of misery.

Purchasers will please be careful to ask for and take none but **Dr. M'Lane's Celebrated Liver Pills**. There are other Pills, purporting to be Liver Pills, now before the public.

And I do hereby further request, that all Magistrates, Constables, and Special Constables, will give their attendance at the respective Polling Places.

SAMUEL DICKINSON,
Sheriff of the County of Carleton.

Sheriff's Office, Woodstock, June 2d, 1856.

To the Electors of the County of Carleton.

GENTLEMEN: information has been received that the Executive Council, the advisers of His Excellency the Lieutenant Governor, have resigned, and only hold office until a new Administration be formed. It is reported that the reason of such resignation is, that the Lieutenant Governor decided to dissolve the House of Assembly, contrary to the advice of his constitutional advisers. That the Governor has the power to exercise this prerogative, no one will dispute; but the expediency of exercising it in opposition to the advice of his Council will, I believe, be generally condemned. The present Government assumed office on the principle of Responsible Government; which principle means that, while the Administration remain in power, the Governor is bound to conduct the Government according to their advice.

The present Government, in resigning, have acted in a manner that, I think, will be approved of throughout the Province. The question now to be settled is, Shall a Governor, sent among us as a stranger, whose only interest is the salary he receives from the taxes of the people, rule? or an Administration, formed from the representatives of the people, who are responsible for all their acts, and acquainted with the wants of the country?

The principle of arbitrary rule by a Governor, and of self-government by the people of this Province, is now to be tried. I observe that the Lord Bishop of Fredericton has headed a Petition, advising the Governor to dissolve the House. I will only ask the Electors of Carleton whether they will submit to such a course of action—to be ruled by a Governor who listens to the advice of irresponsible men; or whether they will teach the Head of the Government of this Province that they wish to be governed by a body of gentlemen, selected to form an Administration, from those elected by the constituency of New Brunswick for that purpose. My mind on this subject has been made up long ago. As the Election will, likely, soon take place, I shall, all being well, appear at the Hustings as a candidate for your suffrages. On this occasion, if you vote for me, you must distinctly understand that I disapprove of the course pursued by the Governor, in the violation of the Constitution of our country; and that it is my conclusion his services in this Province can, for the future, be of little value to the people. Further, I make no promises nor pledges. My past conduct in the Legislature must be the guarantee for the future. Whoever you elect, I hope, will be united and determined to consolidate the principle of self-government; so that, in the future, those principles of constitutional government shall be fully established, and handed down to your children in all their integrity. I have the honor to be, Gentlemen,
Your Obedient Servant,
CHARLES CONNELL.

Woodstock, 29th May, 1856.

To the Electors of the County of Carleton.

GENTLEMEN: Owing to the dissolution of the Legislature of this Province, you are again called upon to choose two persons to represent you in the General Assembly.

Having been solicited by a large number of the Freeholders of this County to be a Candidate for your suffrages, I have decided to present myself before you at the approaching Election.

Gentlemen, if you think proper to elect me again, you may rely on my endeavors to promote your interests to the utmost of my ability.

I maintain that the source of government is in the people, and that those to whom it is entrusted should be accountable thereto; and that no representative should hold his office any longer than he has the confidence of his constituents.

The time is come, gentlemen, when you should be careful who you choose to represent you, as there will be matters introduced at the next session of the Legislature, of vital importance to the interests of this country.

I hope to meet you at the hustings, and there more fully explain my views.

I have the honor to be, Gentlemen,
Your Obedient Servant,
LEONARD R. HARDING.

Woodstock, June 3, 1856.

To the Free and Independent Freeholders of the County of Carleton.

GENTLEMEN: On Tuesday, the 10th inst.—being the day appointed for the nomination of Candidates to represent you in the General Assembly,—I have, at the request of many of my friends from various parts of the county, been induced to allow myself to be named as one of those willing to serve you.

At the Hustings I will explain my views with reference to many matters in which you, in common with the rest of the Province, have a deep interest.

It is, I hope, at present sufficient for me to say that to promote your prosperity shall always be my desire, and is my only object in tendering to you my services.

I have the honor to be, gentlemen,
Your Obedient Servant,
CHARLES PERLEY.
