THE Mount Allison Wesleyan Academy.

REV. M. RICHY, D.D., President of the Board of Trustees.
REV. E. EVANS, D.D., Governor and Chaplain.
REV. H. PICKARD, A.M., Principal.
CHAS. F. ALLISON, Esq., Treasurer.

THE first Term of the next Academic Year is to commence on THURSDAY, the 14th of August, and the second on the 20th November.

The Institution will continue to be conducted upon the same principles as heretofore. Every thing possible will be done to promote the safety, comfort and improvement of the Students.

The exertions of the honored Founder, and of the Trustees and Officers, to extend the blessings of a sound religious, but not sectarian education, have been, to a most encouraging extent, successful. During the last Academic Year, not less than two hundred and fifty Students, gathered from families of almost every Christian denomination, and from all the various parts of these Provinces, were connected with the two branches of the Institution. Within the last twelve months, nearly two thousand pounds have been expended in still further improving the buildings, and otherwise increasing the educational facilities afforded in the two establishments.

The Boards of Instruction include twelve Professors and Teachers, all suitably qualified for their respective departments.

Notice is, therefore, respectfully but confidently given, that a thorough Academic Training may be here obtained, by Youth of either sex, under the most favorable circumstances, and upon the most advantageous terms.

The charge for Board, &c., and Tuition in the Primary Department, is £25 N. B. Cy., for the Academic Year—£8 6s 6d being payable in advance at the beginning of each Term.

All communications respecting the Male Branch should be addressed to the Principal; those concerning the Female Branch, to the Governor and Chaplain.

THE GREAT FAMILY REMEDY!!

G. W. STONE'S VEGETABLE LIQUID CATHARTIC.

THE public do not require to be told that a mild, safe and reliable cathartic, in a liquid form, agreeable to the taste, and one which purges without violence, is a desideratum in medicine; this fact will be admitted by all. Such a discovery has been often attempted, but without success, until the introduction of the above-named remedy.

No patent medicine ever met with such ready approval by physicians as this. Many regular practitioners are using it daily, all of whom have spoken of it in the highest terms of praise. Persons for the want of a better, have been obliged to resort to the use of those drastic, nauseous, and oftentimes injurious purgatives, such as castor oil, salts, senna, rhubarb, jallop, aloes, gamboge, &c., all of which cause more or less debility, and fail to accomplish the object for which they are taken; on the contrary, they often increase the difficulty, and render the patient less curable. None of these enter into the composition of this invaluable remedy. It is composed of barks, roots and seeds, the medical properties of which are exactly adapted to the cure of those complaints for which it is recommended. By a combination of those properties, the public were put in possession of the most valuable preparation ever produced. This medicine is not intended simply as a cathartic; its value as such is insignificant when compared with its power of purifying the blood from all humors, regulating the action of the bowels, curing Dyspepsia, restoring the appetite, producing a healthy action of the Liver, freeing the stomach from bile, and invigorating and strengthening the whole system. It is a certain cure for the Piles, and those suffering from that complaint should give it a trial. It is also warranted to cure cancer in its worst forms. For all diseases of the Bowels it cannot be recommended too highly. In Summer Complaints, such as Dysentery, Diarrhea, Cholera Morbus, &c., it will be found invaluable.

Reader, as sure as the sun rises in the east, just so sure you will be benefited by the use of this medicine for any of the above complaints; and as surely it will relieve those suffering from Rheumatism, Neuralgia, Tie Douloureux, Gout, Headache, and Pain in the Side and Stomach, caused by Flatulency. Loss of Appetite, Indigestion, general Debility, &c., is often produced by wind in the Stomach, which this remedy will expel at once. It is also an excellent remedy for Sea-Sickness. Those having occasion to travel by water will find it invaluable.
