THE GREAT FAMILY REMEDY!!

G. W. STONE'S VEGETABLE

LIQUID CATHARTIC.

THE public do not require to be told that a mild, safe and reliable cathartic, in a liquid form, agreeable to the taste, and one which purges without violence, is a desideratum in medicine; this fact will be admitted by all. Such a discovery has been often attempted, but without success, until the introduction of the above-named remedy.

No patent medicine ever met with such ready approval by physicians as this. Many regular practitioners are using it daily, all of whom have spoken of it in the highest terms of praise. Persons, for the want of a better, have been obliged to resort to the use of those drastic, nauseous, and oftentimes injurious purgatives, such as castor oil, salts, senna, rhubarb, jallop, aloes, gamboge, &c., all of which cause more or less debility, and fail to accomplish the object for which they are taken; on the contrary, they often increase the difficulty, and render the patient less curable. None of these enter into the composition of this invaluable remedy. It is composed of barks, roots and seeds, the medical properties of which are exactly adapted to the cure of those complaints for which it is recommended. By a combination of those properties, the public were put in possession of the most valuable preparation ever produced. This medicine is not intended simply as a cathartic; its value as such is insignificant when compared with its power of purifying the blood from all humors, regulating the action of the bowels, curing Dyspepsia, restoring the appetite, producing a healthy action of the Liver, freeing the stomach from bile, and invigorating and strengthening the whole system. It is a certain cure for the Piles, and those suffering from that complaint should give it a trial. It is also warranted to cure cancer in its worst forms. For all diseases of the Bowels it cannot be recommended too highly. In Summer Complaints, such as Dysentery, Diarrhoea, Cholera Morbus, &c., it will be found invaluable.

Reader, as sure as the sun rises in the east, just so sure you will be benefited by the use of this medicine for any of the above complaints; and as surely will it relieve those suffering from Rheumatism, Neuralgia, Tic Doloureux, Gout, Headache, and Pain in the Side and Stomach, caused by Flatulency. Loss of Appetite, Indigestion, general Debility, &c., is often produced by wind in the Stomach, which this remedy will expel at once. It is also an excellent remedy for Sea-Sickness. Those having occasion to travel by water will find it invaluable.

MANUFACTURED BY G. W. STONE & Co., Lowell, Mass. CHALONER & HUNT, corner King and Germain streets, St. John, and Queen-street, Fredericton, General Agents for New Brunswick. WILLIAM T. BAIRD, Woodstock, Agent for the County of Carleton. 50-17
