PLEASE TAKE NOTICE.

THE Subscriber, while she gratefully acknowledges that a number of individuals have kindly and promptly responded to her request in paying their arrears for the "Carleton Sentinel" up to August, 1854, has to regret that many have paid no attention to the justice of her claims. She is not disposed to censure harshly—she can hardly think that her late husband had a single subscriber who would wish to wrong his widow or her fatherless children. She knows by experience that times are hard, and that it is difficult to realize money. But surely, now that returns from Timber are being made, she may look with confidence for a final settlement of all such arrears. They are small, it is true, but they would be of very great assistance in supporting her little family during the present trying season. She therefore most respectfully urges that all such arrears may be arranged on or before the 1st of August next, ensuing.

* Mr. PINGEON, at the "Sentinel Office," will give such information as may be necessary relative to the amounts which I claim.
