BY S. LAMBERT, M.D.

37 BEDFORD SQUARE LONDON.
Matriculated Member of the University of Edinburgh,
Honorary Member of the London Hospital Medical Society, Licentiate of Apothecaries' Hall, London, &c., &c.

The essential object of this treatise is to point out the fearful consequences resulting from certain habits, irregularities and excesses, which have produced more misery in Youth, degradation, in Manhood, and premature decay at all stages of Life, than perhaps, any other class of disease known to modern pathologists. Its perusal is particularly recommended to persons entertaining secret doubts of their physical condition, and who are conscious of having hazarded the health, happiness, and privileges to which every human being is entitled.

It is absolutely necessary that all men should know that there are principles of personal management which cannot be violated without incurring grievous penalties, and when wisdom and regret succeed the heyday of inconsiderate self-indulgence, how these penalties may be mitigated, how the sting of their bitterness may be removed, and the evil and its consequences may be avoided, above all, that there is scarcely any degree of physical infirmity or functional derangement to which the timely aid of science cannot apply a cure.

The work may be had in St. John, N. B., of Messrs. H. Chubb & Co. Price 2s. 6d. Jan. 25, '55.

And I see he has a very good article of Herring on hand too—White Lead and Oil, any quantity—and better than all, he says he never intends to let his stock get down below wholesale quantities. The poor won't stand so bad a chance after all this year.

THE INFALLIBLE REMEDY

HOLLOWAY'S OINTMENT.

ERYSIPELAS OF EIGHT YEARS' DURATION CURED.

Copy of a Letter from Geo. Sinclair, Esq., of Paris, Canada, dated the 18th July, 1854.

To Professor HOLLOWAY.

Sir,—I feel a pleasure and a pride in bearing witness to the wonderful benefit I have derived by the use of your infallible Ointment and Pills. For eight years I suffered unceasingly from attacks of erysipelas; large purple blotches came all over my body; in addition to the unpleasant feeling of itching and burning, which affected me both night and day, rendering life a misery to me, as well as to all around—so severe was the attack. I used several remedies without deriving the least cessation to my misery. At last, I determined to try your Ointment and Pills; after taking them for a few weeks, a visible improvement took place, and I felt considerably better—in three months, by continuing with your medicines I was completely cured, and now enjoy the best of health. The truth of this statement is well known here, hence there is no necessity for me to request secrecy.

I am, Sir, yours respectfully.

(Signed) GEO. SINCLAIR.

ULCERS IN THE LEG—REMARKABLE CURE. Copy of a Letter from Mr. Edward Tomkinson, of Cape Breton, Nova Scotia, dated the 4th May, 1854.

To Professor HOLLOWAY.

Sir,—My sister, Miss Jane Tomkinson, suffered for a great number of years from a bad leg, in which there were several deeply seated and old wounds, defying the skill of some of the most eminent of the medical faculty; a variety of remedies were also used unsuccessfully, and it seemed to me that there was not anything capable of mitigating the agonies she endured. At length she had recourse to your Ointment and Pills, and after using them for about five weeks, she was completely cured, after all other means had failed to afford her the slightest relief. I have no objection to these facts being published, if you feel disposed to make them known.

I remain, Sir, your most obedient servant.

(Signed) EDWARD TOMKINSON.

A BAD BREAST CURED WHEN AT DEATH'S DOOR. Copy of a Letter from Mr. Henry Malden of Three Rivers, Canada West, dated July 5th, 1854.

To Professor HOLLOWAY.

Sir,—My wife suffered most severely after the birth of our last child with a bad breast. There were several holes in it, one as large as a hand; all the devices and stratagems I tried would not heal them, but they assumed an aspect more frightful than before, and horrible to behold. As a last resource I tried your Ointment and Pills, which she persevered with for seven weeks, at the expiration of that time her breast was almost well; by continuing with your remedies for two more weeks she was entirely cured, and we offer you our united thanks for the cure effected.

I am, Sir, yours truly.

(Signed) HENRY MALDEN.
