

Holloway's Pills, have again triumphed over every other Medicine. — Interesting Case!!! — Emily Walton, aged 17, of Hamilton, suffered much and often from sick headaches, tottering of the limbs, numbness of the whole body, and other symptoms which very much alarmed her fond parents, the actual name and nature of the complaint puzzled every one, it bore such a variety of aspects and consequently there were a variety of opinions on the subject. Three months ago, the mother boldly went to work with Holloway's pills, which very quickly performed their part, for in six weeks the young lady was in possession of the most robust health; after every advise and medicine had failed. They are an excellent medicine for young ladies entering into womanhood.
